Item 2 – Material Changes

1. We discuss below only material changes which we believe are important in terms of disclosure since the last filing of our Form ADV Part 2A, Appendix 1, for our Spectrum Investment Program on January 2, 2013. That filing was made to disclose an internal corporate merger between two wholly owned subsidiaries of BB&T Corporation, Scott & Stringfellow, LLC, and Clearview Correspondent Services, LLC, creating BB&T Securities, LLC. Effective

upon the merger, BB&T Securities, LLC began conducting business as BB&T Scott & Stringfellow and BB&T Capital Markets, Divisions of BB&T Securities, LLC.

2. This is our annual amendment update which we have filed on the SEC’s Investment Advisers Public Disclosure Website (IAPD), www.adviserinfo.sec.gov. There were no material changes to our Form ADV Part 2A, Appendix 1 brochure for the Spectrum wrap fee program.
3. We may, at any time, update our Firm Disclosure Brochure or our Program Brochures, which you can download from the above SEC website. You may contact Theresa J. Manderski in the Compliance Department at 804-782-8798, regarding any questions you have about our Brochures and their contents.

Spectrum Investment Program

1. Services

The Firm offers the Spectrum Investment Program (“Spectrum” or the “Program”) to assist certain clients in the selection of independent investment advisers to professionally manage client assets. In this investment advisory capacity, the Firm does not give investment advice regarding securities in the construction of an investment portfolio.

The Firm offers Spectrum as a wrap-fee program, i.e., a program under which a client is charged a specified fee or fees, not based directly upon transactions in a client’s account for investment advisory services (which may include portfolio management or advice concerning the selection of other investment advisors) and execution of client transactions.

In addition to Spectrum, the Firm offers other Wrap Fee Programs: the CHOICE Portfolios, Professional Management Program, the S&S Advisor Program, and the Unified Managed Account Program. Please contact your Investment Advisor if you would like information about any of these other Wrap Fee Programs.

The Firm offers investment advice in the areas of equity and debt securities, warrants, commercial paper, certificates of deposit, municipal securities, mutual funds, variable annuities, government securities, options contracts on securities, futures contracts on physical commodities and intangibles, commodity pools, and options on futures contracts.

The Firm utilizes charting, fundamental and technical methods of securities analysis for long-term and short-term investing, trading, short sales, margin transactions and option writing including covered options, uncovered options or spreading strategies.

The Firm’s main sources of information include financial newspapers and magazines, research materials prepared by others, corporate rating services, annual reports, prospectuses and filings with the Securities and Exchange Commission and company press releases.

The Firm’s understanding and the independent investment adviser’s understanding of the Client’s current investment objectives and investment restrictions is based upon the information in the *Questionnaire and Investor Risk Profile*, which Client provides and must represent all information to be accurate. The Firm and the independent investment adviser, respectively, have relied and will continue to rely on the information provided. This information is important for the management of the Account.

Additionally, Client agrees to promptly notify the Firm if Client’s financial circumstances or investment objectives (including but not limited to the investment objective for the Account) change. Also, Client agrees to provide the Firm such additional information as the Firm may request from time to time to assist the Firm in managing the Account.

The Firm will perform no discretionary acts with respect to the Account and will act in an investment advisory capacity solely by assisting the client in the selection of an independent investment adviser. For such clients, the Firm is appointed as primary broker for the execution of purchase and sale transactions as directed by the independent investment adviser managing the client’s account. Accounts will be carried by the Firm, who will serve as custodian and process trade executions. In the execution of such transactions, the Firm may act as agent or as principal. The independent investment adviser may choose to effect a securities transaction on behalf of an account through or with a broker or dealer other than the Firm. Such transactions will be effected (other than through the Firm) only when the independent investment adviser reasonably believes that such other broker or dealer may effect such transaction at a price, including any brokerage commission or dealer mark-up or mark-down, that is more favorable to the account than would otherwise be the case if the transaction were effected through the Firm.

Managers of fixed income portfolios have historically placed more trades through other broker-dealers than equity managers and as a result clients of these fixed income managers will pay more for execution to the extent their managers trade away and the total net price paid for bonds could exceed the net price the Firm might have obtained, acting as agent. A portion of the wrap fee compensates the Firm for custody, clearance and settlement activities that are undertaken by the Firm even where a independent investment adviser chooses to place the trade through a broker-dealer other than the Firm. Clients should read the disclosures related to the Firm program in which they enroll and also the disclosures of their chosen independent investment adviser (particularly those disclosures regarding best execution, since those independent investment adviser are responsible for best execution and control brokerage selection on behalf of their clients).

On an exception only basis at the request of the client, a third party custodian other than the Firm may be used. For those clients choosing to use a third party custodian, they may be subject to additional custodial fees charged by and collected by their respective third party custodian. Those clients who use a third party custodian will be charged for custodian fees within the wrap program in addition to any fee assessed by their respective third party custodian.

Please be aware that you have the ability to impose reasonable restrictions on the management of the Account, including the designation of particular securities or types of securities that should not be purchased for the Account, or that should be sold if held in the Account. The Firm will forward these instructions to your independent investment adviser. If the Firm or your independent investment adviser believes the instructions are unreasonable or if the Firm or your independent investment adviser believes that the instructions are inappropriate, the Firm will notify you that unless the instructions are modified you may be required to select an

alternate independent investment adviser or cancel the Account.

Free credit cash balances resulting from sales, cash deposits, or interest or dividend credits (that is, cash that may be withdrawn from the Account without resulting interest charges) will automatically be swept on a daily basis into the Firm's Insured Deposit Program (IDP) providing FDIC insurance for all eligible cash balances or, in some cases, shares of a money market fund made available by the Firm at their then current net asset value. Refer to the prospectus provided for a more complete description of the fund and its operation.

If the Account is subject to the provisions of ERISA, the Firm represents that it is a fiduciary as defined in that Act in performing its duties under this Agreement.

Since the wrap fee paid by the client under Spectrum covers all transaction-related costs, the client will not pay separate commissions for purchases or sales of securities for the client's account unless the client directs the Firm to execute transactions in securities with another broker-dealer. Because all transaction related fees are paid for out of the wrap fee, the Firm anticipates that it will fulfill its duty to obtain best price and execution of client orders by effecting those transactions itself as broker. If the Firm effects a transaction for a client through another broker or dealer the net purchase or sale price reflected on client the confirmations of such trades may reflect brokerage commissions or dealer "mark-ups" or "markdowns" charged by the other broker.

The Firm may purchase or sell the same security for a number of clients at the same time. The Firm may also buy or sell securities for its own account and for the account of affiliated persons that it recommends to clients and may profit from such transactions. Because of market fluctuations, the prices obtained on such transactions within a single day may vary substantially. In such a case, transactions in the same security for a number of customers, as well as for the Firm and affiliated persons, may be "batched" to allocate more fairly those market fluctuations among the group. In these circumstances, the confirmations and statements for each party's transaction may show that the transaction was effected at a price equal to the average execution price for all transactions in that security on that day.

The Firm, with appropriate disclosure and client consent, may effect transactions for a Spectrum client in which it acts as broker for both that client and the other party to the transaction and earn a commission on the trade from that other party. The Firm will do so only to the extent consistent with its duty to obtain best execution for the client and with appropriate client consent. Spectrum clients may revoke consent to engage in such transactions at any time.

In all of these cases, the Firm may receive compensation or other benefits in addition to the wrap fee it receives from clients and, therefore, may have an incentive to engage in such transactions. Further, the Firm will maintain records of all securities purchased and sold by the Firm, its associated persons, and related entities, which will be available for client inspection upon reasonable request.

2. Fees

Client pays the Firm an Annual Fee in accordance with the Spectrum Program fee schedule. The Annual Fee will be deducted directly from the Account unless the parties agree otherwise. The Annual Fee, which is payable pro-rata on a quarterly basis in advance, will compensate the Firm for investment management as well as custody and execution services, and no separate Firm brokerage commissions will be charged.

The initial Annual Fee will be prorated to cover the period from the date the Account is opened and approved, through the end of the then current full calendar quarter. The initial Annual Fee will be due in full on the day the Firm opens and approves the Account and will be based on the opening value of the Account. Thereafter, the Annual Fee will be based on the Account's value as reflected on the quarter month-end statement and will be due the following business day to cover the next calendar quarter. Additional assets received into the Account will be charged a pro-rata Annual Fee based upon the number of days remaining in the current calendar quarter. No fee adjustment will be made for partial withdrawals or for appreciation or depreciation of the Account within a billing period. For purposes of calculating the Annual Fee due, the Account's value includes the sum of the long market value of all securities, money market, cash and credit balances. Margin debit balances and the short market value of securities held do not reduce the value of the Account. In accordance with the terms of the Spectrum Client Agreement, a pro-rata refund of fees charged, less reasonable administrative and trading costs, will be made to Client if the Account is closed within a quarterly billing period.

Since the Annual Fee or Wrap Fee paid by the client covers all transaction-related costs, the client will not pay separate commissions for purchases or sales of securities for the client's account unless the client directs the Firm to execute transactions in securities with another broker-dealer. Because all transaction related fees are paid for out of the Annual Fee, the Firm anticipates that it will fulfill its duty to obtain best price and execution of client orders by effecting those transactions itself as broker. If the Firm effects a transaction for a client through another broker, the net purchase or sale price reflected on client the confirmations of such trades may reflect brokerage commissions or dealer "mark-ups" or "mark-downs" charged by the other broker.

Clients pay an annual fee as specified below for services hereunder, including execution services, custody, and quarterly reporting services with no separate charge imposed by the Firm for brokerage commissions on agency trades or markups or markdowns on principal transactions. The Firm may participate in selling concessions on underwritings which are purchased for the Client's Account by the independent investment adviser.

<u>Equity and Balanced</u>	
On the First \$250,000	2.00%
On the Next \$250,000	1.75%
On the Next \$500,000	1.50%
On the Next \$1,000,000	1.00%
Over \$2,000,000	Negotiable

Fixed Income	
On the First \$250,000	1.00%
On the Next \$250,000	0.90%
On the Next \$500,000	0.70%
On the Next \$1,000,000	0.60%
Over \$2,000,000	Negotiable

The value of these assets will be determined on the last business day of each quarter according to an account's billing cycle. In certain circumstances, the fee schedule is negotiable. The term "asset value of Client's account" shall mean the sum of the long market value of all securities, money market, cash and credit balances. Margin debit balances and the short market value of securities held do not reduce the value of the Account.

Thereafter, such quarterly fee for each succeeding calendar quarter will be based upon the asset value of the client's account on the last day business day of the preceding calendar quarter, as reflected by the custodian's quarterly statement of the client's account. The Firm will pay a portion of the fee payable by the client hereunder, to client's independent investment adviser. Assets deposited in the account during any calendar quarter will be charged a pro-rated fee based on comparison of the number of days remaining in the calendar quarter to the total number of days in the calendar quarter. No adjustment will be made to the fee for account appreciation or depreciation in the value of securities held during any calendar quarter for which such fee is charged.

Whenever there are changes to the fee schedule, the schedule of charges previously in effect shall continue until thirty days after the Firm has notified the client in writing of any change in the schedule of fees that will be applicable to this account, at which time the new schedule will become effective unless the client notifies the Firm that the account is not to be continued under the revised fee schedule.

The wrap fee charged under Spectrum may cost clients more or less than purchasing such services separately depending on the frequency of trading in the client's accounts, commissions charged at other broker-dealers for similar products, fees charged for like services by other broker-dealers, and other factors.

Termination of the fee-based contract may be effected by either party giving prior written notice, such termination to be effective on the date specified therein. Prepaid fees for such canceled services would be refunded on a prorated basis. Should the client terminate the contract within five (5) business days of signing, a full refund will be provided to the client. The contract between the client and the Firm is separate and distinct from the contract between the client and the independent investment adviser. Upon termination of client's agreement with the independent investment adviser, client's agreement with the Firm will be terminated.

3. Compensation

Compensation to the independent investment adviser will vary and is billed based on the independent investment adviser selected by the Client. Compensation arrangements will also be disclosed in the independent investment adviser's disclosure brochure and/or the Firm's disclosure brochure. Fees, payments and refund policies will vary depending upon the independent investment adviser's fee schedule and terms. The Firm will determine that any independent investment adviser, with which the Firm contracts, is properly registered in those states where investment advice or securities are provided to residents of that state.

Such disciplinary actions have historically been and are currently disclosed on our Forms BD and ADV Part 1. We disclose the following disciplinary events which occurred within the last ten (10) years which we believe may be material to you when evaluating us to initiate or continue a Client/Adviser relationship with us.

On January 4, 2012, FINRA initiated a regulatory action against Clearview Correspondent Services, LLC (Docket/Cast Number #2009017536001). FINRA alleged that in relation to NASD rule 6955(A), the Firm transmitted to the Order Audit Trail System (OATS), during the period between January 1, through June 30, 2008, route reports that contained inaccurate, incomplete, or improperly formatted data, in addition to reporting new order events that it was not required to report. The Firm reported a destination code of non-member for orders routed to a FINRA member firm. The Firm consented, without admitting to or denying the findings, to the issuance of the letter of Acceptance, Waiver and Consent (“AWC”), a censure, and to the payment of a fine in the amount of \$7,500.00. The AWC was accepted by FINRA on January 4, 2012 and the fine was paid on January 13, 2012.

On June 20, 2012, FINRA accepted a Letter of Acceptance, Waiver, and Consent (“AWC”) from Clearview Correspondent Services, LLC (Case Number 20100235175-01). The allegations are as follows: Between October 17, 2008 and approximately September 30, 2009 (the “Relevant Period”), the Firm violated Rule 204T(a) and Rule 204(a) of Regulation SHO by failing to close out fail to deliver positions in: (1) short sales by the beginning of regular trading hours on the settlement day following the settlement date, and (2) long sales by the beginning of regular trading hours on the third settlement day following the settlement date. The Firm also violated Rule 204T(c) and Rule 204(c) of Regulation SHO by failing to notify brokers or dealers from which it received trades for clearance and settlement that fail to deliver positions in equity securities had not been closed out in accordance with Rule 204T(a) and Rule 204(a). In addition, the Firm violated NASD Rule 3010 when it failed to establish and maintain supervisory procedures designed to ensure compliance with Rule 204T and Rule 204. As a result of its failures to comply with Regulation SHO and enforce supervisory procedures related to Regulation SHO, the Firm also violated NASD Conduct Rule 2110 and FINRA Conduct Rule 2010. The Firm consented, without admitting or denying the findings, to the imposition of the following sanctions in the AWC, namely a censure and a fine in the amount of \$100,000.

On October 16, 2003, the New York Stock Exchange initiated a regulatory action against Scott & Stringfellow (Docket #03-207). The allegations related to this action are violations of Rules 15c3-3(E)(1) and 15c3-3(E)(1)/01. It was alleged that S&S transacted options from branch where supervisor is not properly qualified, and failed to properly compute its customer reserve requirement and deposited the special reserve funds into a money market deposit account that exceeded the amount permitted by the Rule. In May 2000, two of S&S former brokers executed options contracts in their

personal accounts in a manner designed to evade S&S's Compliance Procedures. During S&S's investigation into the trading S&S determined that the branch office where these individuals worked did not have a ROP. S&S subsequently revised its procedures and the branch manager became registered as a ROP. In an unrelated matter, S&S determined that one of its employees made an error in a spreadsheet calculation that caused a hindsight deficiency in the applicant's reserve deposit for the week of November 22, 2002. S&S corrected the error and notified the SEC and MFR immediately. In conjunction with this error, S&S exceeded the amount of allowable deposits into a money market deposit account. Upon discovery, S&S took corrective action, and subsequently revised its procedures so that an automated system performs these calculations. Without admitting or denying the allegations, S&S consented to a censure and a \$50,000.00 fine to resolve these matters.

On March 8, 2004, NASD Regulation, Inc. initiated a regulatory action against Scott & Stringfellow (Docket #CMS040022 AWC). NASDR alleged that S&S failed to use reasonable diligence to ascertain the best inter-dealer market for selected transactions during the period April 1, through June 30, 2002. Without admitting or denying the allegations, S&S entered into a letter of Acceptance, Waiver and Consent (“AWC”) relating to certain account transactions during the period April 1, through June 30, 2002, relating to S&S's diligence in ascertaining the best inter-dealer market for selected customer orders. On January 22, 2004, S&S agreed to a censure, to pay a fine of \$25,000, and to make restitution to customers of \$615.43 plus interest.

On September 13, 2004, NASD Regulation, Inc. initiated a regulatory action against S&S (Docket #CMS040159). NASD alleged that S&S failed to use reasonable diligence to ascertain the best inter-dealer market for selected transactions during the period January 1, through March 31, 2003. Without admitting or denying the allegations, S&S entered into a Letter of Acceptance, Waiver and Consent (“AWC”) relating to certain account transactions during the period January 1, through March 31, 2003, relating to S&S's diligence in ascertaining the best inter-dealer market for selected customer orders. On October 14, 2004, the NASD agreed to accept S&S's AWC wherein S&S agreed to a censure, to pay a fine of \$35,000, to revise its written supervisory procedures and to make restitution to customers of \$595.20 plus interest.

On November 14, 2005, NASD Regulation, Inc. initiated a regulatory action against Scott & Stringfellow (Docket #20042000064-01AWC). NASD alleged that: (i) on 39 occasions during the period of September 4, 2002 through December 31, 2002, S&S failed to immediately display customer limit orders in Nasdaq securities in its public quotation, when each such order was at a price that would have improved its bid or offer in each such security or when the order was priced equal to S&S's bid or offer and the national best bid or offer for each such security, and the size of the order represented more than a de minimis change in relation to the size associated with S&S's bid or offer in each such security, in violation of Securities Exchange Act Rule 11Ac1-4; (ii) During the same period, S&S transmitted to OATS 15 reports that contained inaccurate, incomplete, or improperly formatted data in

that the reports omitted a special handling code of not held and six reports that contained inaccurate, incomplete, or improperly formatted data in that the reports omitted all subsequent order events, in violation of NASD Rules 6955(a) and 2110; (iii) S&S's supervisory system was inadequate with respect to limit order display in that S&S's exception reports for monitoring compliance with the limit order display rule failed to identify the violations described above and such supervisory system did not include written supervisory procedures providing for a statement of the supervisory steps to be taken by the person(s) responsible for supervision with respect to the applicable rules, in violation of NASD Rules 2110 and 3010 and (iv) S&S incorrectly distributed or published, or caused to be distributed or published, 139 reports of a purchase or sale of municipal bonds that were not required to be distributed or published, in violation of MSRB Rule G-14. On November 14, 2005, the NASD agreed to accept S&S's AWC wherein S&S agreed to a censure, to pay a fine of \$37,500, and an undertaking to revise its written supervisory procedures to address the alleged inadequacies described above.

On August 29, 2005, NASD initiated a regulatory action against Bergen Capital. NASD alleged that, between February 1, 2004 and May 31, 2004, Bergen Capital, Inc. (CRD# 46348) who merged into Scott & Stringfellow on January 4, 2006, failed to record the time of receipt on certain municipal order tickets in violation of municipal securities rulemaking board rule g(8)(a)(vii), section 17(a) of the securities exchange act of 1934, rule 17a-3 thereunder and NASD conduct rules 3110 and 2110. (Docket/Case Number #E9B2004001503). S&S consented to censure and payment of a fine in the amount of \$7,500 pursuant to the Letter of Acceptance, Waiver and Consent with respect to such matter ("AWC"). The fine was paid Bergen on September 16, 2005. Bergen consented, without admitting or denying the allegations, to the issuance of the AWC. The AWC was accepted by the NASD on August 29, 2005.

On November 22, 2005, NASD initiated a regulatory action against Bergen Capital. NASD alleged that, between July 15, 2003 and December 31, 2004, Bergen Capital, Inc. (CRD# 46348) who merged into Scott & Stringfellow on January 4, 2006, disseminated to the investing public 17 pieces of advertising and sales literature relating to municipal, corporate, and government bonds that allegedly violated NASD conduct rules 2210 and 2110. (Docket/Case Number # EAF0401260002). Thirteen of these pieces were radio advertisements broadcast on three New York metropolitan area radio stations that allegedly minimized the risks associated with bond investing and contained allegedly misleading and promissory language. Bergen was also alleged to have used two websites and two newsletters that were allegedly misleading and omitted allegedly necessary disclosures in violation of NASD conduct rules 2210 and 2110. Ten pieces of advertising or sales literature allegedly omitted material information and 10 communications included allegedly misleading, unwarranted or exaggerated statements or claims. In addition, it was alleged that seven radio advertisements and one website allegedly violated SIPC rules applicable to communications with the public. Bergen consented to censure, payment of a fine in the amount of \$115,000 and an undertaking to file with the NASD's advertising regulation department ("ARD") all sales literature and advertisements at least

15 days prior to their first use until the earlier of six months from the acceptance by the NASD's national adjudicatory council ("NAC") of the Letter of Acceptance, Waiver and Consent with respect to this matter ("AWC") or such time as the form BDW of Bergen Capital, Inc. becomes effective. The fine was paid by Bergen Capital on December 13, 2005. Bergen consented, without admitting or denying the allegations, to the issuance of the AWC. The AWC was accepted by NASD on November 23, 2005.

On June 26, 2006, the New York Stock Exchange ("NYSE") initiated a regulatory action against S&S (Docket/Case Number #HPD 06-98). The NYSE Division of Enforcement alleged that on 2 occasions between January 2003 and March 2003 S&S's Branch Office Manager approved erroneous trades, after the corrections were made, in violation of Rule 410, that on 6 occasions, as a result of cumulative purchases, customers purchases of Class B mutual funds exceeded recommended purchase amounts in the fund prospectus, and that S&S did not have adequate procedures concerning pre-dissemination review of internal e-mail by a research analyst. S&S consented without admitting or denying guilt, to the entry of stipulation and consent that was accepted by an NYSE Hearings Officer on June 26, 2006. In the consent, without admitting or denying guilt, S&S agreed to a censure and to the payment of a fine of \$75,000.

On June 29, 2006, the NASD initiated a regulatory action against S&S (Docket/Case Number #E9A2004009101). It was alleged that between July 1, 2004 and September 30, 2004 S&S failed to timely report 6 transactions to the MSRB in violation of Rule G-14 and that between June 2002 and February 2004 S&S failed to timely file statements to the MSRB for 17 transactions in violation of Rule G-36. S&S consented to the payment of a fine in the amount of \$5,000 pursuant to the Letter of Acceptance Waiver and Consent ("AWC"). S&S consented without admitting or denying the allegations to the issuance of the AWC. The AWC was accepted by the NASD on June 26, 2005.

On August 16, 2006, the Virginia State Corporation Commission, Securities Division initiated a regulatory action against S&S (Docket/Case Number #2006-00032). The Division alleged that one of S&S's registered representatives made an unsuitable recommendation to sell part of a variable annuity and purchase mutual funds to one customer, and thus, that S&S failed to properly supervise the registered representative. While S&S and the registered representative believed they had meritorious defenses to the allegations, without admitting or denying the allegations and in order to avoid the expense of litigation, S&S and its registered representative agreed to the consent order, fully resolving the matter. The consent order levied a fine of \$6,000. S&S was charged with \$4,000 and the registered representative was charged with the remaining \$2,000. S&S was also charged an additional \$2,000 in investigative charges. The registered representative was placed under heightened supervision for solicited mutual fund sales for a period of 12 months. The consent order was executed by the Securities Division on September 1, 2006.

S&S consented, without admitting or denying the findings, to the issuance of the letter of Acceptance, Waiver and Consent ("AWC"), and to the payment of a fine in the amount of \$10,000 pursuant to the AWC. The AWC was accepted by FINRA on August 6, 2009.

On September 17, 2009, FINRA initiated a regulatory action against S&S (Docket/Case Number #2006004160701). As a result of a series of TMMS, TRACE and short sale reporting examinations covering the November 1, 2005 through 2007 period, FINRA alleged that S&S had some violations regarding individual registrations, Rule 10b-10, Rule 606 and Rule 605, TRACE reporting, short sale reporting and written supervisory procedures. S&S consented, without admitting or denying the findings, to the issuance of the letter of Acceptance, Waiver and Consent ("AWC"), to the payment of a fine in the amount of \$72,500, and to revise certain written supervisory procedures, pursuant to the AWC. The AWC was accepted by FINRA on September 17, 2009.

On January 6, 2010, the Commonwealth of Virginia, State Corporation Commission, initiated a regulatory action against S&S (Docket/Case Number #SEC-2009-00112). The Virginia State Corporation Commission's Division of Securities and Retail Franchising alleged that S&S violated Commission Rules 21 VAC 5-20-260A and B, and 21 VAC 5-20-580A3 and A18 in connection with the marketing and sale of auction rate securities to Virginia residents. Prior to entering into this settlement with the Virginia State Corporation Commission, S&S offered to purchase, at par, auction rate securities ("ARS") from certain eligible customers ("Offer"). As part of the settlement, S&S undertook to: abide by the terms and conditions of its Offer; make up the difference paid to any eligible customers who sold ARS below par; reimburse eligible customers for expenses on ARS secured loans; and participate in FINRA's ARS Arbitration Program. Although S&S believed that it had meritorious defenses to the allegations, to avoid the uncertainty and expense of litigation, and without admitting or denying the allegations, S&S settled the matter. The Order was entered by the Virginia State Corporation Commission on January 6, 2010.

On May 27, 2010, the Commonwealth of Virginia, State Corporate Commission (the "Commission"), initiated a regulatory action against S&S (Docket/Case Number #SEC-2010-00091). The Commission alleged that S&S violated Securities Rule 21 VAC 5-20-260 B for inadequate supervision in connection with a former registered representative's recommendation and sale of allegedly

unsuitable securities to a customer. Without admitting or denying the allegations, and to avoid the cost and uncertainty of continued investigation by the Commission, S&S agreed to the entry of a settlement order, fully and finally resolving the matter with the Commission. The settlement order levied a fine of \$20,000 against S&S. S&S was also charged an additional \$5,000 in investigative charges. The settlement order was executed by the Commission on January 6, 2011. The \$20,000 fine and \$5,000 investigative charges were paid on December 31, 2010 and no portion of either was waived. A \$10,000 rescission offer to the customer was made on January 10, 2011. The registered representative who was the subject of the investigation is no longer employed by S&S.

On June 19, 2012, FINRA accepted a Letter of Acceptance, Waiver and Consent ("AWC") from Scott & Stringfellow, LLC ("S&S") (Case Number 20090195365). The allegations are as follows: During the period from January 2008 through June 2009 (the "Relevant Period"), S&S failed to establish and maintain a supervisory system, including written procedures, reasonably designed to achieve compliance with applicable NASD and/or FINRA rules in connection with the sale of leveraged, inverse, and inverse-leveraged Exchange-Traded Funds ("Non-Traditional ETFs"). Non-Traditional ETFs have certain risks that are not found in traditional ETFs, such as the risks associated with a daily reset, leverage and compounding. The performance of Non-Traditional ETFs over longer periods of time can differ significantly from the performance of their underlying index or benchmark, especially in volatile markets. Nonetheless, S&S supervised Non-Traditional ETFs the same way it supervised traditional ETFs. Thus, S&S failed to establish a reasonable supervisory system and written procedures to monitor the sale of Non-Traditional ETFs. S&S also failed to establish adequate formal training regarding Non-Traditional ETFs during the Relevant Period. In addition, certain S&S registered representatives did not have an adequate understanding of Non-Traditional ETFs before recommending these products to retail brokerage customers. Certain S&S registered representatives also made unsuitable recommendations of Non-Traditional ETFs to certain customers with the primary investment objectives of income or capital preservation. S&S consented, without admitting or denying the findings, to the imposition of the following sanctions in the AWC, namely a censure and a fine in the amount of \$350,000. S&S paid the fine on June 27, 2012.

Review of Accounts

For Spectrum, the Firm assists clients of other brokers in the selection of independent investment advisers that are suitable for the client's investment objectives. The Firm does not have

discretionary authority over the assets in these accounts, and does not supervise such accounts on a daily basis. On a quarterly basis, the investment broker reviews the independent investment adviser's performance using the reports provided by the Firm and the independent investment adviser. At each quarterly review, the independent investment adviser's performance and adherence to the client's investment strategy are measured against objective criteria.

Clients have available a quarterly analysis of the portfolio from the Firm, and in some cases, the independent investment adviser as well. The quarterly analysis provides the following for each security in the portfolio: details of investment earnings, performance tracking (for the quarter and since inception), and returns compared to appropriate benchmarks. Additional reports to clients provided by the Firm include account statements (itemizing all cash and securities transactions, dividends and interest received, all deposits and withdrawals of principal and income during the preceding calendar month), and statements of securities in custody listing securities held in the account.

Spectrum clients have the option to receive individual trade confirmations from the Firm reflecting all securities transactions executed through the Firm. At account inception these clients may elect to receive or not to receive a confirmation for each securities transaction, which election may be rescinded at any time. In addition, the Firm report also compares the independent investment adviser's performance to selected industry indexes over the same time period. The Firm's Financial Advisor typically meets with the client on a quarterly basis to review these results.

Client Referrals and Other Compensation

Non-employee third-party consultants who are directly responsible for bringing a client to the Firm, such as accountants, may receive compensation from the Firm. Such agreements will comply with the requirements set out in Rule 206(4)-3 of the Investment Advisers Act of 1940, as amended, including the requirement that the relationship between the solicitor and the Firm be disclosed to the client at the time of the solicitation or referral. Referral fees are a percentage of the annual management fees earned by the Firm on referred accounts and represent no additional expenses to such accounts. The Client will be requested to acknowledge this arrangement prior to acceptance of the Clients' funds.

In certain cases, applicable state laws may require these third-party consultants to become either licensed as representatives of the Firm or as independent investment advisers.

Financial Information

The Firm does not charge or solicit pre-payment of fees by clients six months or more in advance. It will bill fees in advance each quarter. The Firm is not aware of any financial conditions or events which are reasonably likely to impair its ability to meet its contractual commitments to its clients.
