Sharon M. Snow, AIF®

DOB: 05/12/1960

Education Background:

University of Maryland, B.S. Business Management Date: 2002

Business Background:

CEO, CCO, Metropolitan Capital Strategies LLC 06/2008 - Present

2nd Vice President and Wealth Manager, Citigroup Global Markets, Inc. 10/2002 – 06/2008

Sharon Snow comes to MCS after a very successful career in Private Client Wealth Management with Citigroup Global Markets, Inc., Smith Barney. Prior to receiving her B.S. in Business Management from the University of Maryland, Sharon owned several different corporations. Sharon utilizes her business expertise at MCS as CEO, assisting with the investment strategy and working with the investment professionals that utilize MCS as a money manager for their clients. She has a robust background growing and managing businesses. Sharon is a Principal as well as serves on the Investment Committee with David Schombert. In their partnership over the past 10 years Sharon's exceptional research has assisted in the MCS, SMA strategies notable performance and low drawdown. Sharon has three passions: the stock market, hard work and protecting and growing client assets. She is a natural connector of people and her curiosity for understanding how the markets work makes her a great compliment to the team.

Disciplinary Information: None

Other Business Activities: None

Additional Compensation: None

Supervision: Ms. Snow is CEO and principal of MCS and therefore is not directly supervised by any one person. Ms. Snow and Mr. Schombert are responsible for the advice given to clients and work closely together to monitor those activities.

Requirements for State-Registered Advisors: Ms. Snow has not been found liable to any arbitration claim, civil, self-regulatory organization, or administration proceeding. She has also not been subject to a bankruptcy petition.

AIF® Designation: AIF designees have successfully completed a specialized program on investment fiduciary standards of care. Fi360 Training began in 1999 to provide the investment industry with the first full-time training and research organization focused exclusively on investment fiduciary responsibility and portfolio management. Designees are required to complete a rigorous training program, successfully pass an examination, conform to a Code of Ethics, and adhere to continuing education requirements on a yearly basis. These requirements

ensure designees are familiar with the prudent process developed by fi360, as well as kept up to date with recent industry events affecting fiduciaries.

David A. Schombert

DOB: 03/19/1949

Education Background:

George Mason University, B.S. Finance Date: 1975

Business Background:

President and Chief Investment Officer, Metropolitan Capital Strategies LLC 04/2007 - Present

Vice President- Wealth Management, Citigroup Global Markets, Inc. 03/1996 – 03/2007

David A. Schombert received his B.S. in Finance from George Mason University in 1975. Mr. Schombert began his career in finance as a financial risk analyst evaluating risk-reward on major contracts for Fortune 500 Companies. After 20 years in the private sector, Dave continued his career for 11 successful years as a Vice President of Private Client Wealth Management for the Smith Barney division of CitiGroup Global Markets, Inc. During Dave's tenure in the financial arena, he has developed a tactical and quantitative investment philosophy that has set him apart from the standard investment approach. Dave is the Founder, President and CIO of MCS where he now uses this unique philosophy to manage global tactical portfolio strategies. Risk management has permeated his life and remains a constant focus in all that he does.
