Item 4 – Advisory Services

A. Firm Information

7Twelve Advisors, LLC ("7Twelve" or the "Advisor") is a Registered Investment Advisor with the U.S. Securities and Exchange Commission, which is organized as a Limited Liability Company (LLC) under the laws of the State of Tennessee. 7Twelve was founded in 2008 and is owned and operated by President, Andrew D. Martin. This Disclosure Brochure provides information regarding the qualifications, business practices, and the advisory services provided by 7Twelve.

B. Advisory Services Offered

7Twelve primarily provides Investment Advisory services to the 7Twelve Balanced Portfolio (the "Fund"), an open-end registered investment management company. Subject to general supervision by the Board of Trustees of the Northern Lights Variable Trust (herein the "Board") and in accordance with the investment objectives, policies and restrictions of the Fund, the Advisor provides the Fund with ongoing investment management and administrative oversight.

The Advisor has discretion to determine which securities or other investments to purchase or sell, and what portion of the Fund's assets will be held in various securities, cash or other investment instruments, consistent with the Fund's investment objective and guidelines as set forth in the current prospectus.

7Twelve seeks to achieve the Fund's investment objective by allocating assets among securities that represent 7 broad asset classes and 12 subcategories using the adviser's 7Twelve asset allocation model (the "7Twelve Model™"). The adviser usually does not select individual stocks and bonds, but instead selects exchange-traded funds ("ETFs") or no load indexed mutual funds that each invests primarily in securities representing one of the 12 subcategories of assets selected under the 7Twelve Model™. The Fund may invest in ETFs that hold securities from issuers of any market capitalization, credit quality, maturity, country, or trading currency. However, bond credit quality will be primarily investment grade (that is, rated Baa3 or higher by Moody's Investors Service, or equivalently rated by another nationally recognized statistical rating organization). The Fund may also buy ETFs that invest in foreign securities traded on exchanges outside the U.S. and through American depositary receipts ("ADRs"). Under normal market conditions, the Fund invests at least 25% of its assets in equity securities (common stocks) and at least 25% of its assets in bonds. For purposes of meeting these 25% allocations, the Fund defines equity securities to include ETFs that invest primarily in equity securities and defines bonds to include ETFs that invest primarily in bonds and other fixed income securities.

A full description of the services provided by the Advisor for managing the Fund are available in the current prospectus and statement of additional information ("SAI") of the Fund. The prospectus and statement of additional information are available from the SEC website (www.SEC.gov) or by contacting the Advisor at (615) 352-0800.
