1. If a relationship between the advisory business and Karsten Hazelett's other financial industry activities creates a material conflict of interest with you, the SEC requires us to describe the nature of the conflict and generally how we address it.

Mr. Hazelett is a licensed insurance agent. He may offer insurance products and receive normal and customary fees as a result of insurance sales. A conflict of interest may arise as these insurance sales may create an incentive to recommend products based on the compensation adviser and/or our supervised persons may earn and may not necessarily be in the best interests of the client.

2. If Karsten Hazelett receives commissions, bonuses or other compensation based on the sale of securities or other investment products, including as a broker-dealer or registered representative, and including distribution or service ("trail") fees from the sale of mutual funds, we have to disclose this fact. If this compensation is not cash, we are required to explain what

type of compensation Karsten Hazelett receives. We must explain that this practice gives Karsten Hazelett an incentive to recommend investment products based on the compensation received, rather than on your needs.

Mr. Hazelett is a registered representative of Purshe Kaplan Sterling Investments, Inc, member FINRA/SIPC. He may offer securities and receive normal and customary commissions as a result of securities transactions. A conflict of interest may arise as these commissionable securities sales may create an incentive to recommend products based on the compensation they may earn and may not necessarily be in the best interests of the client.

- B. If Karsten Hazelett is actively engaged in any business or occupation for compensation not discussed in response to Item 4.A, above, and the other business activity or activities provide a substantial source of Karsten Hazelett's income or involve a substantial amount of Karsten Hazelett's time, we are required to disclose this fact and must describe the nature of that business. If the other business activities represent less than 10 percent of Karsten Hazelett's time and income, we may presume that they are not substantial.

We have nothing to disclose in this regard.

Item 5: Additional Compensation

If someone who is not a client provides an economic benefit to Karsten Hazelett for providing advisory services, we are required to generally describe the arrangement. For purposes of this Item, economic benefits include sales awards and other prizes, but do not include Karsten Hazelett's regular salary. Any bonus that is based, at least in part, on the number or amount of sales, client referrals, or new accounts should be considered an economic benefit, but other regular bonuses should not.

We have nothing to disclose in this regard.
