1. If a relationship between the advisory business and Kenneth Acampora's other financial industry activities creates a material conflict of interest with you, the SEC requires us to describe the nature of the conflict and generally how we address it.

Kenneth Acampora is a licensed insurance agent/broker. He may offer insurance products and receive normal and customary fees as a result of insurance sales. A conflict of interest may arise as these insurance sales may create an incentive to recommend products based on the compensation he may earn and may not necessarily be in the best interests of the client. In order to minimize this conflict of interest, Kenneth Acampora will place client interests ahead of his own interests and adhere to our firm's Code of Ethics. Clients are informed they are not obligated to purchase these products.

2. If Kenneth Acampora receives commissions, bonuses or other compensation based on the sale of securities or other investment products, including as a broker-dealer or registered representative, and including distribution or service (“trail”) fees from the sale of mutual funds, we have to disclose this fact. If this compensation is not cash, we are required to explain what type of compensation Kenneth Acampora receives. We must explain that this practice gives Kenneth Acampora an incentive to recommend investment products based on the compensation received, rather than on your needs.

Kenneth Acampora is a registered representative of LPL Financial, member FINRA/SIPC. He may offer securities and receive normal and customary commissions as a result of securities transactions. A conflict of interest may arise as these commissionable securities sales may create an incentive to recommend products based on the compensation Kenneth Acampora may earn and may not necessarily be in the best interests of the client. In order to minimize this conflict of interest, Kenneth Acampora will place client interests ahead of their own interests and adhere to our firm’s Code of Ethics as well as clearly explaining this conflict when recommending any such products to our clients. Clients are informed they are not obligated to purchase these products.

- B. If Kenneth Acampora is actively engaged in any business or occupation for compensation not discussed in response to Item 4.A, above, and the other business activity or activities provide a substantial source of Kenneth Acampora’s income or involve a substantial amount of Kenneth Acampora’s time, we are required to disclose this fact and must describe the nature of that business. If the other business activities represent less than 10 percent of Kenneth Acampora’s time and income, we may presume that they are not substantial.
