Item 4 – Other Business Activities

Ira Michael Goodrich is a registered principal, investment advisor representative and an insurance agent with Innovation Partners LLC. Mr. Goodrich is a Certified Public Accountant (CPA), Attorney-at-Law and holds an insurance license in the State of Texas. Mr. Goodrich provides services through his firm - Goodrich Planning Strategies LLC. Mr. Goodrich provides access to non-U.S. domiciled insurance carriers through his offshore firm BWM Offshore LLC. Innovation Partners LLC is not affiliated with Goodrich Planning Strategies LLC or BWM Offshore LLC.

Innovation Partners LLC (IPLLC) is registered as a broker/dealer and registered investment advisor and is also a licensed Insurance agency. Our representatives are registered with IPLLC as registered representatives and/or investment advisor representative and may also be licensed insurance agents. IPLLC and our representatives, acting in capacity as insurance agents, will earn commission-based compensation for selling insurance products such as life, health, and long term care products. Insurance commissions are separate from our advisory fees. This practice presents a conflict of interest where representatives providing investment advice on behalf of our firm and who are also insurance agents may have an incentive to recommend insurance products to clients for the purpose of generating commissions. In addition, IPLLC is a fiduciary and must act in the best interest of clients. Clients are under no obligation, contractually or otherwise, to purchase insurance products or any other products through IPLLC.

IPLLC and our representatives may recommend that clients use a third-party investment advisor ("TPIA") based on their needs and suitability. Prior to referring clients to third party advisors IPLLC ensures that the third-party advisors are duly licensed or notice filed with the Department of Corporations or other appropriate jurisdictions. IPLLC and our representatives may receive compensation from these TPIAs for recommending that clients use their services. This compensation generally takes the form of the TPIA sharing a percentage of the advisory fee the client pays to them with IPLLC and the respective representative.

These compensation arrangements present a conflict of interest because IPLLC and our representatives may have a financial incentive to recommend TPIAs that pay fees rather than those that don't. In addition, IPLLC and our representatives may have a conflict to refer clients to those TPIAs that pay higher fees over those that pay lower fees. Clients are not obligated, contractually or otherwise, to use the services of any TPIA that IPLLC or our representatives recommend.
