Item 4. Advisory Business

TA13 has been formed to provide investment advisory services. TA13 is under common control and shares a principal office and place of business with PKS Advisory Services, LLC ("PKSA"), an investment adviser that is registered with the SEC (SEC File Number 801-62147). At the time of this filing, TA13 does not conduct any advisory business. It is anticipated that TA13 will be purchased by an individual(s) interested in utilizing the services of PKSA or one of its affiliates, and owning an independent investment adviser. At that time, this Disclosure Brochure will be amended.

TA13 was formed in June, 2013 and is owned by Interim Holdings, LLC and its manager is Pro Tem Holdings, LLC, which is under common control with PKSA. Since TA13 has not begun to provide any advisory services, it does not yet have any assets under management.

This Disclosure Brochure describes the business of TA13. Certain sections will also describe the activities of *Supervised Persons*. *Supervised Persons* are any of TA13's employees, officers, partners, directors (or other persons occupying a similar status or performing similar functions), or any other person who is subject to TA13's supervision or control.

Item 5. Fees and Compensation

TA13 does not currently provide advisory services. In the future, however, TA13 expects to offer its services on a fee basis, which may include hourly and/or fixed fees, as well as fees based upon assets under management. Prior to engaging TA13 to provide any services, the client would be required to enter into a written agreement with TA13 setting forth the terms and conditions of the engagement.

Item 6. Performance-Based Fees and Side-by-Side Management

TA13 does not currently provide advisory services. Therefore, TA13 does not provide any services for performance-based fees.

Item 7. Types of Clients

TA13 does not currently provide advisory services. Therefore, TA13 does not have any clients.

Item 8. Methods of Analysis, Investment Strategies and Risk of Loss

TA13 does not currently provide advisory services. Therefore, TA13 does not have any methods of analysis, investment strategies or risks of loss to disclose.

Item 9. Disciplinary Information

Item 10. Other Financial Industry Activities and Affiliations

Related Investment Adviser

TA13 is under common control and ownership with PKSA. It is anticipated that TA13 may recommend the services of PKSA in the future. If at that time there is any common control between TA13 and PKSA, such conflict will be disclosed to clients.

Related Broker Dealer

TA13 is under common control and ownership with Purshe Kaplan Sterling Investments, Inc. ("PKS"), an SEC registered broker-dealer and member of FINRA. It is anticipated that the individuals providing advisory services through TA13 in the future may be registered representatives of PKS. TA13 will disclose this to clients as a conflict of interest and explain that clients have the option to purchase investment products through other brokers or agents not affiliated with TA13.

Receipt of Insurance Commission

TA13 is also affiliated with PKS Financial Services, Inc. ("PKSFS"). PKSFS is an insurance agency licensed in all states in which it conducts business. It is anticipated that the individuals providing advisory services through TA13 in the future may be licensed insurance agents with PKSFS and other various insurance companies. TA13 will disclose this to clients as a conflict of interest, if necessary.

Item 11. Code of Ethics

TA13 and persons associated with TA13 ("Associated Persons") are permitted to buy or sell securities that it also recommends to clients consistent with TA13's policies and procedures.

TA13 has adopted a code of ethics that sets forth the standards of conduct expected of its associated persons and requires compliance with applicable securities laws ("*Code of Ethics*"). TA13's *Code of Ethics* contains written policies reasonably designed to prevent the unlawful use of material non-public information by TA13 or any of its associated persons. The *Code of Ethics* also requires that certain of TA13's personnel (called "*Access Persons*") report their personal securities holdings and transactions and obtain pre-approval of certain investments such as initial public offerings and limited offerings.

Tactical Advisor 13, LLC Disclosure Brochure

When TA13 is engaging in or considering a transaction in any security on behalf of a client, no *Access Person* may effect for themselves or for their immediate family (i.e., spouse, minor children, and adults living in the same household as the *Access Person*) a transaction in that security unless:

- the transaction has been completed;
- the transaction for the *Access Person* is completed as part of a batch trade (as defined below in Item 12) with clients; or
- a decision has been made not to engage in the transaction for the client.

These requirements are not applicable to: (i) direct obligations of the Government of the United States; (ii) money market instruments, bankers' acceptances, bank certificates of deposit, commercial paper, repurchase agreements and other high quality short-term debt instruments, including repurchase agreements; (iii) shares issued by mutual funds or money market funds; and (iv) shares issued by unit investment trusts that are invested exclusively in one or more mutual funds.

This *Code of Ethics* has been established recognizing that some securities trade in sufficiently broad markets to permit transactions by *Access Persons* to be completed without any appreciable impact on the markets of such securities. Therefore, under certain limited circumstances, exceptions may be made to the policies stated above.

While TA13 does not currently provide advisory services, in the future clients and prospective clients will be able to contact TA13 to request a copy of its *Code of Ethics*.

In addition, TA13 is required to disclose any direct or indirect compensation that it provides for client referrals. TA13 does not have any required disclosures to this Item.

Item 15. Custody

TA13 does not currently provide advisory services. Therefore, TA13 does not have custody of any client funds or securities.

Item 16. Investment Discretion

TA13 does not currently provide advisory services. Therefore, TA13 does not accept discretionary authority to manage securities on behalf of clients.

Item 17. Voting Client Securities

TA13 is not required to disclose any financial information pursuant to this Item due to the following:

- The firm does not require or solicit the prepayment of more than \$1,200 in fees six months or more in advance;
- The firm does not have a financial condition that is reasonably likely to impair its ability to meet contractual commitments to clients; and
- The firm has not been the subject of a bankruptcy petition at any time during the past ten years.
