Supervision

Ms. Habecker is a Principal of PMGA and member of the Investment Policy Committee. She maintains our proprietary models and technology systems, and also serves as PMGA's performance analyst. Over her career, Ms. Habecker has developed numerous quantitative tools that contribute to our portfolio decision process. In her role as Economist, she monitors and assembles our data on economic fundamentals including GDP, inflation, and Federal Reserve policy. Anthony Basile, Managing Director of PMGA (610-260-6240), is responsible for the day-to-day supervision of Ms. Habecker's advisory duties. This supervision occurs in the form of informal daily interactions and formal annual written performance reviews. Furthermore, Ms. Habecker certifies annually to her compliance with PMGA policies, procedures, and Code of Ethics.

Other Information - CFA Designation

In 1992, Ms. Habecker received the Chartered Financial Analyst ("CFA") designation issued by the CFA Institute. CFA candidates must meet one of the following requirements: (1) undergraduate degree and four years of professional experience involving investment decision-making, or (2) four years qualified work experience (full time, but not necessarily investment related). To receive the CFA designation, candidates must complete the CFA Program which is organized into three levels, each requiring 250 hours of self-study and each culminating in a six-hour exam. There are no ongoing continuing education or experience thresholds necessary to maintain the CFA designation. More information about the CFA is available at www.cfainstitute.org.
