ADDITIONAL COMPENSATION

In addition to the description of additional compensation provided in Item 4, WAM advisers may receive additional benefits. Certain product sponsors may provide advisers with other economic benefits as a result of his recommendation or sale of the product sponsors’ investments. The economic benefits received from product sponsors can include but are not limited to, financial assistance or the sponsorship of conferences and educational sessions, marketing support, incentive awards, payment of travel expenses, and tools to assist our advisers in providing various services to clients.

Although Wilsey Asset Management endeavor at all times to put the interest of its clients ahead of its own or those of its officers, directors, or representatives (“affiliated persons”), these arrangements could affect the advisers judgment when recommending investment products. These situations present a conflict of interest that may affect the judgment of affiliated persons.
