Paul Nolte, Personal CRD #2122334

Professional Licenses (FINRA series 65)

Professional Designations: Chartered Financial Analyst.

Located at: 111 W. Jackson Blvd., Suite 1140, Chicago, IL 60604 (312) 237-3813

Educational Background:

- Date of Birth: 07/1962
- Illinois Wesleyan University 1980-1984 B.A. Business Administration/Computer Science
- DePaul University 1990-1993 – Masters in Finance

Professional Designation Information:

The Chartered Financial Analyst (CFA) charter is a globally respected, graduate-level investment credential established in 1962 and awarded by CFA Institute- the largest global association of investment professionals.

There are currently more than 90,000 CFA charterholders working in 135 countries. To earn the CFA charter, candidates must: 1) pass three sequential, six-hour examinations; 2) have at least four years of qualified professional investment experience; 3) join CFA Institute as members; and 4) commit to abide by, and annually reaffirm, their adherence to the CFA Institute Code of Ethics and Standards of Professional Conduct.

High Ethical Standards

The CFA Institute Code of Ethics and Standards of Professional Conduct, enforced through an active professional conduct program, require CFA charterholders to:

- Place their clients' interests ahead of their own
- Maintain independence and objectivity
- Act with integrity
- Maintain and improve their professional competence
- Disclose conflicts of interest and legal matters

Global Recognition

Passing the three CFA exams is a difficult feat that requires extensive study (successful candidates report spending an average of 300 hours of study per level). Earning the CFA charter demonstrates mastery of many of the advanced skills needed for investment analysis and decision making in today's quickly evolving global financial industry. As a result, employers and clients are increasingly seeking CFA charterholders- often making the charter a prerequisite for employment.

Additionally, regulatory bodies in 19 countries recognize the CFA charter as a proxy for meeting certain licensing requirements, and more than 125 colleges and universities

around the world have incorporated a majority of the CFA Program curriculum into their own finance courses.

Comprehensive and Current Knowledge

The CFA Program curriculum provides a comprehensive framework of knowledge for investment decision making and is firmly grounded in the knowledge and skills used every day in the investment profession. The three levels of the CFA Program test a proficiency with a wide range of fundamental and advanced investment topics, including ethical and professional standards, fixed-income and equity analysis, alternative and derivative investments, economics, financial reporting standards, portfolio management, and wealth planning.

The CFA Program curriculum is updated every year by experts from around the world to ensure that candidates learn the most relevant and practical new tools, ideas, and investment and wealth management skills to reflect the dynamic and complex nature of the profession.

To learn more about the CFA charter, visit www.cfainstitute.org.

Business Experience:

- 2/2014 to Present, SVP/Portfolio Manager Kingsview Asset Management

Jeffrey Stouffer, Personal CRD #2175700
Professional Licenses (FINRA Series 65)
Certified Financial Planner, Chartered Alternative Investments Analyst.
Located at: 5934 Berkshire Court., Alexandria, VA 22303 (717) 350-4288

Educational Background:

- Date of birth: 11/1957
- 7/2005 – 4/2008 MBA Regis University – Denver Colorado Accounting Finance

Professional Designation Information:

The Certified Financial Planner[™], CFP[®] and federally registered CFP (with flame design) marks (collectively, the “CFP[®] marks”) are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP Board”).

The CFP[®] certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP[®] certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 62,000 individuals have obtained CFP[®] certification in the United States.

To attain the right to use the CFP[®] marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- Examination – Pass the comprehensive CFP[®] Certification Examination. The examination, administered in 10 hours over a two-day period, includes case studies and client scenarios designed to test one’s ability to correctly diagnose financial planning issues and apply one’s knowledge of financial planning to real world circumstances;
- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- Ethics – Agree to be bound by CFP Board’s *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP[®] professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board's enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

To become a CAIA member, candidates are required to do the following:

- Pass both the CAIA Level I and Level II exams.
- Hold a bachelor's degree, or the equivalent, and have more than one year of professional experience, or alternatively have at least four years of professional experience. Professional experience is defined as full-time employment in a professional capacity within the regulatory, banking, financial, or related fields.
- Agree on an annual basis to abide by the Member Agreement.
- Provide two (2) professional references.
- Submit payment for the annual CAIA Association membership fee.

Business Experience:

- 10/2010 to Present, Investment Advisor Representative, Kingsview Asset Management, LLC
- 05/2012 to Present, Associated Person/Branch Manager, Kingsview, LLC
- 10/2008 to 05/2012, Principal, Mercantile Capital Group
- 03/2010 to 08/2010, Investment Advisor Representative/Registered Representative, BB&T Investment Services
- 10/2009 to 03/2010, Registered Representative, Ridgeway & Conger, INC.
- 12/2008 to 07/2009, Registered Representative, US Financial Investments, INC.
- 05/2008 to 10/2008, Investment Advisor Representative/Registered Representative, Provident Bank and UVEST Investment Services
- 05/2007 to 03/2008, Associated Person, Capital Advisors Investment Management, LLC
- 04/2006 to 12/2006, Registered Representative, O.N. Equity Sales Co.
- 05/2005 to 02/2006, Associated Person, Morgan Stanley Dean Witter

Other Business Activities:

Mr. Stouffer is an Associated Person/Branch Manager for Kingsview, LLC and can affect futures transactions and may receive separate, yet customary commission compensation for affecting futures transactions. This may represent a potential conflict of interest because he may receive commissions derived from customers introduced by Kingsview Asset Management, LLC.
