Item 4: Advisory Business

A. Description of the Advisory Firm

This firm has been in business since February 2, 2009, and the principal owner is Elizabeth A. Barrett.

B. Types of Advisory Services

Apex Advisers LLC (hereinafter "AA") offers the following services to advisory clients:

Investment Supervisory Services

AA offers ongoing portfolio management services based on the individual goals, objectives, time horizon, and risk tolerance of each client. AA creates an Investment Policy Statement for each client, which outlines the client's current situation (income, and risk tolerance levels) and then constructs a plan (the Investment Policy Statement) to aid in the selection of a portfolio that matches each client's specific situation. Investment Supervisory Services include, but are not limited to, the following:

- Investment strategy
- Asset allocation
- Risk tolerance
- Personal investment policy
- Asset selection
- Regular portfolio monitoring

AA evaluates the current investments of each client with respect to their risk tolerance levels and time horizon. AA will request discretionary authority from clients in order to select securities and execute transactions without permission from the client prior to each transaction. Risk tolerance levels are documented in the Investment Policy Statement, which is given to each client.

Financial Planning

Financial Planning clients receive a "goals based" financial plan based on their individual goals, assets and risk tolerance. Financial plans and financial planning may include, but are not limited to: investment planning, life insurance; tax concerns; retirement planning; college planning; and debt/credit planning. These services are based on fixed fees or hourly fees and the final fee structure is documented in Exhibit II of the Financial Planning Agreement.

Services Limited to Specific Types of Investments

AA limits its investment advice and/or money management to mutual funds, equities, bonds, fixed income, ETFs, REITs, insurance products including annuities, and government securities. AA may use other securities as well to help diversify a portfolio when applicable.

C. Client Tailored Services and Client Imposed Restrictions

AA offers the same suite of services to all of its clients. However, specific client financial plans and their implementation are dependent upon the client Investment Policy Statement which outlines each client's current situation (income, and risk tolerance levels) and is used to construct a client specific plan to aid in the selection of a portfolio that matches restrictions, needs, and targets.

Clients may impose restrictions in investing in certain securities or types of securities in accordance with their values or beliefs. However, if the restrictions prevent AA from properly servicing the client account, or if the restrictions would require AA to deviate from its standard suite of services, AA reserves the right to end the relationship.

D. Wrap Fee Programs

AA does not participate in any wrap fee programs.

E. Amounts Under Management

AA has the following assets under management:

Discretionary Amounts:	Non-discretionary Amounts:	Date Calculated:
\$38,991,787.00	\$693,084.00	12/31/2014

Investing in securities involves a risk of loss that you, as a client, should be prepared to bear.

B. Material Risks Involved

Investment Strategies

Long term trading is designed to capture market rates of both return and risk. Frequent trading, when done, can affect investment performance, particularly through increased brokerage and other transaction costs and taxes.

Short term trading generally hold greater risk and clients should be aware that there is a chance of material risk of loss using any of those strategies.

Investing in securities involves a risk of loss that you, as a client, should be prepared to bear.

C. Risks of Specific Securities Utilized

AA generally seeks investment strategies that do not involve significant or unusual risk beyond that of the general domestic and/or international equity markets.

Past performance is not a guarantee of future returns. Investing in securities involves a risk of loss that you, as a client, should be prepared to bear.

The Custodian, Schwab Institutional, a division of Charles Schwab & Co., Inc., has been chosen based on their relatively low transaction fees, name recognition, powerful background and access to mutual funds and ETFs. AA will never charge a premium or commission on transactions, beyond the actual cost imposed by Custodian.

Form ADV 2A Version: 3/19/2015

1. Research and Other Soft-Dollar Benefits

AA receives no research, product, or service other than execution from a broker-dealer or third-party in connection with client securities transactions ("soft dollar benefits").

2. Brokerage for Client Referrals

AA receives no referrals from a broker-dealer or third party in exchange for using that broker-dealer or third party.

3. Clients Directing Which Broker/Dealer/Custodian to Use

AA will not allow clients to direct AA to use a specific broker-dealer to execute transactions. Clients must use AA recommended custodian (broker-dealer). Not all investment advisers require their clients to direct brokerage. By requiring clients to use our specific custodian, AA may be unable to achieve most favorable execution of client transactions and this may cost clients money over using a lower-cost custodian.

B. Aggregating (Block) Trading for Multiple Client Accounts

AA maintains the ability to block trade purchases across accounts but will rarely do so. While block trading may benefit clients by purchasing larger blocks in groups, we do not feel that the clients are at a disadvantage due to the best execution practices of our custodian.

Item 13: Reviews of Accounts

A. Frequency and Nature of Periodic Reviews and Who Makes Those Reviews

Client accounts are reviewed at least monthly only by Elizabeth A. Barrett, Principal. Elizabeth A. Barrett is the chief advisor and is instructed to review clients' accounts with regards to their investment policies and risk tolerance levels. All accounts at AA are assigned to this reviewer.

All financial planning accounts are reviewed upon financial plan creation and plan delivery by Elizabeth A. Barrett, Principal. There is only one level of review and that is the total review conducted to create the financial plan.

B. Factors That Will Trigger a Non-Periodic Review of Client Accounts

Reviews may be triggered by material market, economic or political events, or by changes in client's financial situations (such as retirement, termination of employment, physical move, or inheritance).

C. Content and Frequency of Regular Reports Provided to Clients

Each client will receive at least quarterly a written report detailing the client's account which will come from the custodian.

Item 14: Client Referrals and Other Compensation

A. Economic Benefits Provided by Third Parties for Advice Rendered to Clients (Includes Sales Awards or Other Prizes)

AA does not receive any economic benefit, directly or indirectly from any third party for advice rendered to AA clients.

B. Compensation to Non -Advisory Personnel for Client Referrals

AA does not directly or indirectly compensate any person who is not advisory personnel for client referrals.

Item 15: Custody

AA does not take custody of client accounts at any time. Custody of client's accounts is held primarily at Schwab Institutional, a division of Charles Schwab & Co., Inc. Clients will receive account statements from the custodian and should carefully review those statements.

Item 16: Investment Discretion

For those client accounts where AA provides ongoing supervision, the client has given AA written discretionary authority over the client's accounts with respect to securities to be bought or sold and the amount of securities to be bought or sold. Details of this relationship are fully disclosed to the client before any advisory relationship has commenced. The client provides AA discretionary authority via a limited power of attorney in the Investment Advisory Contract and in the contract between the client and the custodian.

Item 17: Voting Client Securities (Proxy Voting)

AA will not ask for, nor accept voting authority for client securities. Clients will receive proxies directly from the issuer of the security or the custodian. Clients should direct all proxy questions to the issuer of the security.

Item 18: Financial Information

A. Balance Sheet

AA does not require nor solicit prepayment of more than \$1,200 in fees per client, six months or more in advance and therefore does not need to include a balance sheet with this brochure.

B. Financial Conditions Reasonably Likely to Impair Ability to Meet Contractual Commitments to Clients

Neither AA nor its management have any financial conditions that are likely to reasonably impair our ability to meet contractual commitments to clients.
