Item 2 - Educational Background and Business Experience

William M. Malloy, III (year of birth 1976) serves as Chairman and Chief Operating Officer at MWM. Bill has also overseen the private equity, real estate, and securities businesses as minority owner and Board Member of Malloy and Company since 2007. He holds board of director seats in current portfolio companies and serves their interests by advising on corporate strategy and assisting in capital procurement.

Bill's first investment out of the family office was an active investment where he served on the executive team of Oakley from 2005 to 2007, a world leader in performance optics. He managed sales, marketing, and acquisition integration for key Oakley products in more than 100 countries, devoting the majority of his time to guiding product development, bringing products to market,

optimizing distribution strategies, and managing business development opportunities that arose with the \$2 billion merger of Oakley and Luxottica.

Prior to his tenure with Oakley, Bill gained venture capital experience at the partner level with Zone Ventures from 2003 to 2005, a Draper Fisher Jurvetson fund, by working with companies on elements of strategy, operational issues and financial structuring. He also devoted significant time to potential new investments in support of the managing directors. His background in business development and product management includes five years of service to Listen.com (sold to Real Networks, a \$1.3 billion company) and MusicMatch (sold to Yahoo, a \$38 billion company). His responsibilities focused on strategy and go-to-market plans for new product development.

Bill balances his philanthropic time between hands on work focused around sustainability as well as serving as the trustee for the Malloy Foundation and Co-Founder of the PEERS Network. He is passionate about the quality of life in San Diego and served as a board member and treasurer for the Equinox Center. Mr. Malloy was also the recipient of San Diego's 40 under 40 Award for 2012 and chosen as one of San Diego's Young Influentials 2012.

Bill has an undergraduate degree in Engineering from Clemson University and an MBA from the University of Southern California. Bill has taken, and successfully passed, the Series 65, Uniform Investment Advisor Law Examination.

Item 3 - Disciplinary Information

Advisers are required to disclose any material facts regarding certain legal or disciplinary events that would be material to your evaluation of an adviser; however, Bill has no such disciplinary information to report.

Item 4 - Other Business Activities

Bill Malloy is an indirect owner of MWM. Bill Malloy has a financial interest in a General Partner of a privately offered pooled investment vehicle, Accelerate-IT Ventures Fund I, L.P. (the "Accelerate-IT Fund"). Accelerate-IT Ventures GP, LLC ("AITV") is the General Partner of the Accelerate-IT Fund. Bill Malloy owns a non-controlling interest in AITV. MWM may recommend that advisory clients invest in the Accelerate-IT Fund when appropriate in light of a client's financial circumstances. This creates a conflict of interest for MWM, since Mr. Malloy has a financial interest in the recommended investment. To help mitigate against this conflict, MWM does not assess an advisory fee on any amount of advisory client assets invested in the Accelerate-IT Fund.

Bill Malloy is also a Member of Fortress Investment Management, LLC ("Fortress"). Fortress is the Manager of Income Opportunity Capital ("IOC"), a privately offered pooled investment vehicle that MWM previously recommended to clients when such a recommendation was appropriate in light of a client's financial circumstances. Like with the Accelerate-IT Fund, these recommendations created a conflict of interest for MWM, since Mr. Malloy has a financial interest in the recommended investment. To help mitigate against this conflict, MWM refunded any 2014 advisory fees assessed on any amount of MWM client assets invested in IOC, and no fees were assessed in 2015. Effective January 2015, MWM discontinued recommending IOC to its clients. In addition, Fortress has elected to close IOC, and is working through the process to accomplish this. IOC is no longer accepting new clients or making new investments. It is expected that the liquidation of IOC will be completed in the summer of 2015.

In addition, Bill is a minority owner of Aequitas Management, LLC ("Aequitas") which is a specialty finance company that offers fixed income investments. IOC (described above) invested in securities offered by Aequitas. Other clients of MWM may also invest in securities issued by Aequitas.

Item 5 - Additional Compensation

Other than stated above, Bill has no other income or compensation to disclose.

Item 6 - Supervision

Bill, Chairman and Chief Operating Officer, oversees mentoring of staff, and overall operational execution of the business. Along with Scott Arnold, Chief Compliance Officer, Bill is involved in and provides general oversight to many day-to-day matters of the firm. Bill's contact information is on the cover page of this disclosure document.

Item 7 - State Requirements for State-Registered Advisers

In addition to Item 3 above, state-registered advisers are required to disclose all material facts regarding any event in which a supervised person of the firm was found liable in certain legal proceedings, or was the subject of a bankruptcy petition. Bill has no event to disclose with respect to this item.
