4a: Firm Description

DES Financial Group was established as an LLC in February 2009 by David E. Sweet. It was expanded in 2015 beyond insurance and other services to include becoming a registered investment advisor. Our main office is located in Brea, California.

4a1: Principal Member

David E. Sweet, Managing Member: Mr. Sweet may be contacted by email at dsweet@desfinancialgroup.com or by telephone at 714-572-3620.

4b: Types of Advisory Services

Investment Management

DES Financial Group offers a variety of investment advisory services to our clients. We work with our clients to identify their investment goals and objectives as well as risk tolerance in order to create an initial portfolio allocation designed to complement their clients' financial goals and objectives. We may create a portfolio, consisting of, but not limited to individual stocks or bonds, exchange traded funds, no-load funds and/or load-waived funds (front-end commissions will not be charged).

Each portfolio will be initially designed to meet a particular investment goal, which DES Financial Group has determined to be suitable to our client's circumstances. Once the appropriate portfolio has been determined, we will review the portfolio and rebalance the account based upon our client's individual needs, stated goals and objectives. DES Financial Group's strategy, generally, will be to seek to meet client investment objectives while providing clients with access to personal advisory services.

Financial Planning

DES Financial Group offers financial planning services for our clients. The plan will consider your assets, liabilities, goals and objectives and includes gathering all information necessary to provide you with appropriate and agreed upon services, which may include investment, retirement, estate, debt and education planning. You are encouraged to review your plans and recommendations on a regular basis.

Financial Planning includes, in all or part, but is not limited to, the preparation of a financial plan by an Investment Advisor or an associated person of an Investment Advisor for an investment advisory client which may include a state or tax planning recommendation, an annual or periodic review of a financial plan, the management and/or monitoring of a client's investments under a financial plan, a provision of information and/or advice to a client regarding the purchase and/or sale of securities, real estate, insurance contracts, annuities contracts, or any types of real or personal property under a financial plan.

4c: Client Tailored Relationships and Restrictions

As a fiduciary, DES Financial Group always acts solely in your best interests. Your portfolio is customized based on your investment objectives. You may make requests or make suggestions regarding the investments made in your portfolio. Restrictions on trading which, in our opinion, are not in your best interest cannot be honored and if forced may result in the termination of our agreement.

Similarly, you are under no obligation to act upon DES Financial Group's or associated person's recommendations. If you elect to act on any of the recommendations, you are under no obligation to effect the transaction through DES Financial Group or its associated person when the person is an agent with a licensed broker-dealer or through any associate or affiliate of such person.

4d: Wrap Fee Program

DES Financial Group does not sponsor nor provide portfolio management services to a wrap fee program.

4e: Assets under Management (AUM)

DES Financial Group, because it is a new RIA, currently does not have any reportable AUM.

ITEM 5 – FEES AND COMPENSATION

5a, b & d: Fee Schedules, Payments & Options

Investment Management

Assets Under Management	Annual Fee (%)
Less than \$500,000	1.25%
\$500,000 to \$1,000,000	1.00%
\$1,000,001 to \$2,500,000	0.85%
\$2,500,001 and above	Negotiable

For purposes of determining value, securities and other instruments traded on a market for which actual transaction prices are publicly reported are valued at the last reported sale price on the principal market in which they are traded. In certain circumstances, fees may be negotiable.

The fee includes the time and activities necessary to work with your attorney and/or accountant in reaching agreement on solutions, as well as assisting them in implementation of all appropriate documents. We are not responsible for attorney or account fees charged to you as a result of the above activities.

Compensation for our services will be calculated in accordance with what is set in the client agreement. We may modify the terms of any agreement by written changes submitted to the client for signature. While we strive to maintain competitive fees, the same or similar services may be available from other firms at higher or lower fees.

DES Financial Group fees are paid from your account by the custodian when we submit an invoice to them. If there is insufficient cash in your account to pay your fees, an equal balance of securities in your portfolio may be sold to pay our fee. In addition to our fees, there may be custodial, mutual fund or similar third party management fees and charges.

DES Financial Group fees are paid monthly or quarterly (as set forth in the agreement) in arrears, with payment due within 10 days from the date of the invoice. Our fee is determined by taking the percentage rate we charge, times the market value of the account, divided by the number of days in the year and multiplied by the number of days in the quarter. The market value is the sum of the values of all assets in the account, not adjusted by any margin debit. Fees for partial quarters at the commencement or termination of our agreement will be billed or refunded on a pro-rated basis contingent on the number of days the account was open during the quarter. Monthly or quarterly (as set forth in the agreement) fee adjustments for additional assets received into the account during a quarter or for partial withdrawals will also be provided on the above pro rata basis.

Financial Planning

Fees for financial planning services are based on a rate of \$250 per hour. Special arrangements can be made for clients wishing on-going financial planning services. These arrangements will be defined and agreed upon by both parties via the financial planning agreement. In certain cases, we may offer projects for a fixed fee, which are typically from \$1,500 to \$5,000, depending on the level, depth and complexity of service. Fixed fee services will also be defined and agreed upon by both parties via the financial planning agreement.

Hourly financial planning fees are due at the time of service. Services performed on a fixed fee basis require a retainer equal to one-half the fixed fee. The remaining balance will be billed in equal installments on a monthly basis

until the project is completed. If invoiced, they are due within ten (10) days of invoice. Special arrangements may be made with clients wishing ongoing financial planning services.

For California Residents: Subsection (j) of Rule 260.238, California Code of Regulations requires that all investment Advisors disclose to their clients that lower fees for comparable services may be available from other sources. Pursuant to California Rule 260.235.2, if a conflict exists between the interests of the Advisor or its associated persons and the interest of the client; the client is under no obligation to act upon this Advisor's or associated person's recommendations. If the client elects to act on any of the recommendations, the client is under no obligation to effect the transaction through the advisor or its associated person when the person is an agent with a licensed broker-dealer or through any associate or affiliate of such person.

5.d.1: Termination

Either DES Financial Group or our clients can terminate our agreement upon receipt of written notice to the other party, to include written agreement to changes by the client.

When an agreement is terminated, we will refund any pre-paid, unearned fees based on the number of days remaining in the quarter after termination. Refunds will be made within 30 calendar days of the effective date of termination.

When an agreement is terminated, all assets may need to be transferred from the current custodian. You will be responsible for paying all fees including full monthly or quarterly (as set forth in the agreement) custodial administrative fees, account closure fees, mutual fund fees and all trading costs due to the termination. The custodian may assess additional fees for transfer of illiquid investments. If there is insufficient cash in the account, the liquidation of some securities may be used to pay the fees. Prior to termination of an agreement, we can provide a good-faith estimate of these fees.

5c: Third Party Fees

You are responsible for the payment of all third party fees (i.e. custodian fees, mutual fund fees, transaction fees, etc.). Those fees are separate and distinct from the fees we charge.

All brokerage commissions, stock transfer fees, and other similar charges incurred in connection with transactions for the account will be paid out of the assets in the account and are in addition to the investment management fees paid to us. While we take measures to ensure the fees charged are accurate, it is your responsibility to ensure the amount of fee charged is correct. In addition to statements sent by us, you will receive statements directly from these brokers, custodians or mutual funds or other investments you hold. We strongly urge you to compare these statements for accuracy.

We cannot warrant or guarantee any particular level of account performance, or that the account will be profitable over time. Not every investment decision or recommendation made by us will be profitable. You assume all market risk involved in the investment of account assets under the Investment Advisory Agreement and understand that investment decisions made for this account are subject to various market, currency, economic, political and business risks. Except as may otherwise be provided by law, we will not be liable to you for (a) any loss that you may suffer by reason of any investment decision made or other action taken or omitted in good faith by DES Financial Group with that degree of care, skill, prudence and diligence under the circumstances that a prudent person acting in a fiduciary capacity would use; (b) any loss arising from our adherence to your instructions; or (c) any unauthorized act or failure to act by a custodian of your account. An additional benefit of our Code of Ethics is to detect and prevent violations of securities laws, including our obligations we owe to you.

DES Financial Group's Code of Ethics is comprehensive, is distributed to each employee at the time of hire, and annually thereafter (if there are changes). (o) Making any untrue statement of a material fact or omitting a statement of material fact necessary in order to make the statements made, in light of the circumstances under which they are made, not misleading in the solicitation of advisory clients.

ITEM 12 – BROKERAGE PRACTICES

12a: Selecting Brokerage Firms

As part of our services, DES Financial Group will recommend a broker-dealer. We have selected our broker-dealers based on price, reliability, speed of processing, tools and “best execution” in addition to other considerations. And while you are not required to effect transactions through any broker-dealer recommended by us, we feel we have made our selections based on a totality of benefits they offer.

DES Financial Group may purchase software, tools, training programs or seminar services from our broker-dealer. Additionally, broker-dealers may provide services, tools or other non-financial benefits to us as a benefit for using the broker-dealer’s services. However, we endeavor at all times to put the interests of our clients first. You should be aware, however, that the receipt of the types of benefits discussed above can create a potential conflict of interest by influencing our choice of a broker-dealer.

To avoid creating a possible conflict of interest in recommending broker-dealers, we have established the following restrictions in order to ensure its fiduciary responsibilities:

1. DES Financial Group adheres to our Code of Ethics as outlined in Item 11 above.

When we aggregate transactions, the actual prices applicable to the aggregated transactions will be averaged, and the account will be deemed to have purchased or sold its proportionate share of the securities or instruments involved at the average price obtained. Stock exchange regulations may in certain instances prevent the executing broker-dealer from delivering to the account a confirmation slip with respect to its participation in the aggregated transaction and, in such event, we will advise you in writing of any purchase or disposition of instruments for the account with respect to any such aggregated transaction. We will direct that confirmations of any transactions effected for the account will be sent, in conformity with applicable law, to you.

The client understands that SIPC provides only limited protection for the loss of property held by a broker-dealer. As a fiduciary, DES Financial Group will always act in the client's best interests

and in doing so, the above does not limit or modify that duty to our clients. Custodial statements, sent at least quarterly, will include fees charged by DES Financial Group. We strongly urge you to compare investment advisory fees for accuracy. We encourage our clients to raise any questions with us about the custody, safety or security of their assets.
