1. Bryan Gum is engaged in the following investment-related activities:

Bryan is licensed as an investment advisor representative with Triune Financial Partners, LLC.

Triune has a solicitation arrangement/agreement with AssetMark, Inc. (AssetMark) whereby Investment Advisor Representatives of Triune Financial Partners, LLC can receive compensation for referring new accounts to AssetMark. This referral compensation is based on a percentage of the annual fee charged by AssetMark. Triune and AssetMark are not affiliated.

Triune Financial Partners, LLC is affiliated with Triune Insurance Partners, Inc., an insurance corporation which derives income from the sale of life, health, long-term-care, and disability insurance, as well as group benefit and fixed annuity products. Bryan conducts insurance sales through his affiliation with Triune Insurance Partners, Inc. and may act as an independent insurance agent for various insurance companies and agencies.

When acting in these separate capacities, Bryan is able to implement recommended securities and insurance products for separate, yet customary compensation in addition to any investment advisory fees charged by Triune.

Clients should be aware that the receipt of additional compensation by Bryan creates a conflict of interest that may impair Bryan's objectivity when making advisory recommendations.

To Address Conflicts of Interest:

Clients are not under any obligation to engage Bryan when considering implementation of his advisory recommendations. The implementation of any or all recommendations is solely at the discretion of the client.

Bryan, as an individual, and Triune Financial Partners, LLC, as a whole, endeavor at all times to put the interests of the

clients first as part of our fiduciary duty as a registered investment adviser. In addition,

- we disclose to clients the existence of all material conflicts of interest, including the potential for our firm, advisors and employees to earn compensation from advisory clients in addition to our firm's advisory fees;
- we disclose to clients that they are not obligated to purchase recommended investment products from our advisors, employees or affiliated companies;
- we collect, maintain and document accurate, complete and relevant client background information, including the client's financial goals, objectives and risk tolerance;
- our firm's management conducts regular reviews of each client account to verify that all recommendations made to a client are suitable to the client's needs and circumstances;
- we require that our advisors and employees seek prior approval of any outside employment activity so that we may ensure that any conflicts of interests in such activities are properly addressed;
- we periodically monitor these outside employment activities to verify that any conflicts of interest continue to be properly addressed by our firm; and
- we educate our advisors and employees regarding the responsibilities of a fiduciary, including the need for having a reasonable and independent basis for the investment advice provided to clients.
