Justin M. Holeski (Born 1988)

Educational Background and Business Experience:

Justin Holeski, Vice President since March 2013. As Vice President, Justin's core responsibilities are growing Newport's assets under management. Additionally, Justin works closely with Kenneth Holeski (NIA's President and Chief Investment Officer) in the implementation of the proprietary investment models utilized by Newport.

Prior to joining the team at NIA, Justin was employed by J. P. Morgan's Private Bank in office in Columbus and Cleveland, Ohio. While at J. P. Morgan, Justin developed and created numerous presentations with team members for Foundation RFPs and proposals for high net worth individuals ranging from \$3MM - \$500MM+ in net worth. Furthermore, Justin worked with a multitude of different client types including Endowments & Foundations, Trusts & Estates, Business Owners, Corporate Executives, Doctors, and Professional Athletes. Justin developed new prospecting techniques for those markets uncovered many previously unexplored areas of potential for new clients of J.P. Morgan.

Justin received his BA from Ohio University with a dual concentration in Accounting and Finance. While at Ohio University, he served as a Head Analyst for Ohio Universities Student Equity Management Group. As Head Analyst, Justin was in charge of three analysts who were instrumental in long equity selections of The Ohio University Endowment Fund. Moreover, Justin created equity research reports, focusing on near-term earnings and special situation catalysts using comparable analysis, relative valuation, and discounted cash flow models to determine stock valuation and selection.

Justin holds Series 7 and Series 63 licenses.

Disciplinary Information:

Justin Holeski has not been involved in any legal or disciplinary events that would be material to a client's evaluation of Justin Holeski or of NIA.

Other Business Activities:
