Item 4 **Advisory Business**

- A. Del Monte Group, LLC (the “Registrant”) became registered as an Investment Adviser Firm in 1992. The Registrant is a limited liability company formed in 2002 in the state of California. The Registrant is owned by Richard Del Monte and Angela Wright. Richard Del Monte and Angela Wright are the Registrant’s Managing Members.

1. As discussed below, the Registrant offers to its clients (individuals, business entities, trusts, estates and charitable organizations, and pension and profit sharing plans, etc.) investment advisory services. The Registrant **does not** provide financial planning or estate planning services. As discussed below, the Registrant does provide multi-generational family coaching services.

2. **Investment Advisory Services**

The client can determine to engage the Registrant to provide discretionary investment advisory services on a *fee* basis primarily in accordance with one or more of the Registrant's four (4) portfolio objectives: Conservative, Balanced, Growth & Income, and Growth. The Registrant’s annual investment advisory fee is based upon a percentage (%) of the market value of the assets placed under the Registrant’s management, **generally ranging** from .65%-2% in accordance with the fee schedule attached to the Investment Advisory Agreement between the Registrant and the client. The client may, at any time, impose reasonable restrictions, in writing, on the Registrant’s services.

The Registrant **does not** provide financial planning or estate planning services.

3. **Multi-Generational Family Coaching Services (Stand-Alone)**

In addition to and separate and apart from its investment management services, the Registrant provides multi-generational family coaching services pursuant to the terms and conditions of a Multi-Generational Family Coaching Agreement. The multi-generational services **do not include investment advisory or management services, financial planning services, nor the review or monitoring of a client's investment portfolio.** Registrant’s coaching fees are negotiable, but generally range from \$10,000 to \$100,000 on a fixed fee basis, and \$750 on an hourly rate basis, depending upon the level and scope of the service(s) required. If requested by the client, Registrant may recommend the services of other professionals for implementation purposes. The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation from the Registrant. **Please Note:** If the client engages any such recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional. **Please Also Note:** It remains the client’s responsibility to promptly notify the Registrant if there is ever any change in his/her/its situation for the purpose of reviewing/evaluating/revising Registrant’s previous recommendations and/or services.

4. Miscellaneous

Please Note: Mortgage Broker Recommendations. To the extent that a client requires a mortgage loan, the Registrant's CEO, Richard Del Monte, may refer the client to Wymac Capital, an unaffiliated mortgage brokerage company ("Wymac"). In the event that the client determines to use the services of Wymac, Mr. Del Monte shall generally receive referral compensation from Wymac equal to .50% of the loan amount. **Conflict of Interest:** The recommendation that a client purchase a commission product from Wymac presents a ***conflict of interest***, as the receipt of commissions may provide an incentive to recommend products or services based on compensation to be received, rather than on a particular client's need. No client is under any obligation to utilize Wymac's mortgage services. **The Registrant's Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective may have regarding the above conflict of interest.**

Client Obligations. In performing its services, Registrant shall not be required to verify any information received from the client or from the client's other professionals, and is expressly authorized to rely thereon. Moreover, each client is advised that it remains his/her/its responsibility to promptly notify the Registrant if there is ever any change in his/her/its financial situation or investment objectives for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

No Financial Planning Services. The Registrant **does not** provide any financial planning or estate planning services. Neither the Registrant, nor any of its representatives, serves as an attorney or accountant, and no portion of the Registrant's services should be construed as same.

Please Note: Investment Risk. Different types of investments involve varying degrees of risk, and it should not be assumed that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by the Registrant) will be profitable or equal any specific performance level(s).

Disclosure Statement. A copy of the Registrant's written Brochure as set forth on Part 2A of Form ADV shall be provided to each client prior to, or contemporaneously with, the execution of the *Investment Advisory Agreement or Limited Consulting Agreement*. Any client who has not received a copy of Registrant's written Brochure at least 48 hours prior to executing the *Investment Advisory Agreement or Limited Consulting Agreement* shall have five business days subsequent to executing the agreement to terminate the Registrant's services without penalty.

The Registrant does not participate in a wrap fee program.

As of December 31, 2016, the Registrant manages \$108,098,490.31 on a discretionary basis and \$3,739,256.72 on a non-discretionary basis, for a total of \$111,837,747.03 in assets under management.

Item 5 Fees and Compensation

- A. The client can determine to engage the Registrant to provide discretionary investment advisory services on a *fee* basis.

1. **Investment Advisory Services**

The client can determine to engage the Registrant to provide discretionary investment advisory services on a *fee* basis primarily in accordance with one or more of the Registrant's four (4) portfolio objectives: Conservative, Balanced, Growth & Income, and Growth. The Registrant's annual investment advisory fee is based upon a percentage (%) of the market value of the assets placed under the Registrant's **management, generally ranging** from .65%-2% in accordance with the fee schedule attached to the Investment Advisory Agreement between the Registrant and the client.. The client may, at any time, impose reasonable restrictions, in writing, on the Registrant's services.

2. **Multi-Generational Family Coaching Services (Stand-Alone)**

In addition to, and separate and apart from its investment management services, the Registrant provides multi-generational family coaching services pursuant to the terms and conditions of a Multi-Generational Family Coaching Agreement. The multi-generational services **do not include investment advisory or management services, financial planning services, nor the review or monitoring of a client's investment portfolio.** Registrant's coaching fees are negotiable, but generally range from \$10,000 to \$100,000 on a fixed fee basis, and \$750 on an hourly rate basis, depending upon the level and scope of the service(s) required if requested by the client, Registrant may recommend the services of other professionals for implementation purposes. The client is under no obligation to engage the services of any such recommended professional. The client retains absolute discretion over all such implementation decisions and is free to accept or reject any recommendation from the Registrant. **Please Note:** If the client engages any such recommended professional, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional. **Please Also Note:** It remains the client's responsibility to promptly notify the Registrant if there is ever any change in his/her/its situation for the purpose of reviewing/evaluating/revising Registrant's previous recommendations and/or services.

2. **Miscellaneous**

Please Note: Mortgage Broker Recommendations. To the extent that a client requires a mortgage loan, the Registrant's CEO, Richard Del Monte, may refer the client to Wymac Capital, an unaffiliated mortgage brokerage company ("Wymac"). In the event that the client determines to use the services of Wymac, Mr. Del Monte shall generally receive referral compensation from Wymac equal to .50% of the loan amount. **Conflict of Interest:** The recommendation that a client purchase a commission product from Wymac presents a ***conflict of interest***, as the receipt of commissions may provide an incentive to recommend products or services based on compensation to be received, rather than on a particular client's need. No client is under any obligation to utilize Wymac's mortgage services. **The Registrant's Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective may have regarding the above conflict of interest.**

- B. Clients may elect to have the Registrant's advisory fees deducted from their custodial account. Both Registrant's *Investment Advisory Agreement* and the custodial/clearing agreement

may authorize the custodian to debit the account for the amount of the Registrant's investment advisory fee and to directly remit that management fee to the Registrant in compliance with regulatory procedures. In the limited event that the Registrant bills the client directly, payment is due upon receipt of the Registrant's invoice. The Registrant shall deduct fees and/or bill clients quarterly in advance, based upon the market value of the assets on the last business day of the previous quarter.

- C. As discussed below, unless the client directs otherwise or an individual client's circumstances require, the Registrant shall generally recommend that Charles Schwab and Co., Inc. ("*Schwab*") serve as the broker-dealer/custodian for client investment management assets. Broker-dealers such as *Schwab* charge brokerage commissions and/or transaction fees for effecting certain securities transactions (i.e. transaction fees are charged for certain no-load mutual funds, commissions are charged for individual equity and fixed income securities transactions). In addition to Registrant's investment management fee, brokerage commissions and/or transaction fees, clients will also incur, relative to all mutual fund and exchange traded fund purchases, charges imposed at the fund level (e.g. management fees and other fund expenses).
- D. Registrant's annual investment advisory fee shall be prorated and paid quarterly, in advance, based upon the market value of the assets on the last business day of the previous quarter. The Registrant generally requires an annual minimum fee of \$10,000 for investment advisory services. However, Registrant, in its sole discretion, may charge a lesser investment management fee based upon certain criteria (i.e. anticipated future earning capacity, anticipated future additional assets, dollar amount of assets to be managed, related accounts, account composition, negotiations with client, etc.).
- E. The *Investment Advisory Agreement* between the Registrant and the client will continue in effect until terminated by either party by written notice in accordance with the terms of the *Investment Advisory Agreement*. Upon termination, the Registrant shall refund the pro-rated portion of the advanced advisory fee paid based upon the number of days remaining in the billing quarter.
 - 1. **Commission Transactions:** In the event that the client desires, the client can engage Registrant's CEO, Richard Del Monte in his separate individual capacity as a licensed insurance agent, to purchase insurance products on a commission basis.
 - 2. **Conflict of Interest:** The recommendation that a client purchase an insurance product presents a ***conflict of interest***, as the receipt of commissions may provide an incentive to recommend products based on commissions to be received, rather than on a particular client's needs. No client is under any obligation to purchase any commission products from Mr. Del Monte in his separately registered capacity as a licensed insurance agent. **The Registrant's Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective may have regarding the above conflict of interest.**
 - 3. **Please note:** Clients may purchase insurance products recommended by through other non-affiliated insurance agents.
 - 4. The Registrant does not receive more than 50% of its revenue from advisory clients as a result of commissions or other compensation for the sale of investment products the Registrant recommends to its clients.

Item 6 Performance-Based Fees and Side-by-Side Management

Neither the Registrant nor any supervised person of the Registrant accepts performance-based fees.

Item 7 Types of Clients

The Registrant's clients shall generally include high net worth individuals, individuals, business entities, trusts, estates, charitable organizations, and pension and profit sharing plans.

Item 8 Methods of Analysis, Investment Strategies and Risk of Loss

- A. The Registrant shall utilize the following methods of security analysis:
- Fundamental - (analysis performed on historical and present data, with the goal of making financial forecasts)

The Registrant shall utilize the following investment strategies when implementing investment advice given to clients:

- Long Term Purchases (securities held at least a year)
- Short Term Purchases (securities sold within a year)

Please Note: Investment Risk. Different types of investments involve varying degrees of risk, and it should not be assumed that future performance of any specific investment or investment strategy (including the investments and/or investment strategies recommended or undertaken by the Registrant) will be profitable or equal any specific performance level(s).

- B. The Registrant's methods of analysis and investment strategies do not present any significant or unusual risks.

However, every method of analysis has its own inherent risks. To perform an accurate market analysis the Registrant must have access to current/new market information. The Registrant has no control over the dissemination rate of market information; therefore, unbeknownst to the Registrant, certain analyses may be compiled with outdated market information, severely limiting the value of the Registrant's analysis. Furthermore, an accurate market analysis can only produce a forecast of the direction of market values. There can be no assurances that a forecasted change in market value will materialize into actionable and/or profitable investment opportunities.

The Registrant's primary investment strategies - Long Term Purchases and Short Term Purchases - are fundamental investment strategies. However, every investment strategy has its own inherent risks and limitations. For example, longer term investment strategies require a longer investment time period to allow for the strategy to potentially develop. Shorter term investment strategies require a shorter investment time period to potentially develop but, as a result of more frequent trading, may incur higher transactional costs when compared to a longer term investment strategy.

- C. Currently, the Registrant primarily allocates client investment assets among various individual equity, debt, and fixed income securities, mutual funds and/or exchange traded

funds (“ETFs”), on a discretionary basis in accordance with the client’s designated investment objective(s).

Item 9 **Disciplinary Information**

The Registrant has not been the subject of any disciplinary actions.

Item 10 **Other Financial Industry Activities and Affiliations**

- A. Neither the Registrant, nor its representatives, are registered or have an application pending to register, as a futures commission merchant, commodity pool operator, a commodity trading advisor, or a representative of the foregoing.
- B.
1. **Licensed Insurance Agents.** The Registrant's CEO, Richard Del Monte, in his separate individual capacity, is a licensed insurance agent, and may recommend the purchase of certain insurance-related products on a commission basis.
 2. **Mortgage Broker Recommendations.** To the extent that a client requires a mortgage loan, the Registrant's CEO, Richard Del Monte, may refer the client to Wymac Capital, an unaffiliated mortgage brokerage company (“Wymac”). In the event that the client determines to use the services of Wymac, Mr. Del Monte shall generally receive referral compensation from Wymac equal to .50% of the loan amount.
 3. **Conflict of Interest:** The recommendation by Mr. Del Monte that a client purchase an insurance product presents a ***material conflict of interest***, as the receipt of commissions may provide an incentive to recommend a products based on commissions to be received, rather than on a particular client’s need. No client is under any obligation to purchase any commission products from Mr. Del Monte. Clients are under no obligation to utilize Wymac’s mortgage services and are reminded that they may purchase insurance products recommended through other, non-affiliated insurance agents. **The Registrant’s Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective client may have regarding the above conflict of interest.**
- C. The Registrant does not recommend or select other investment advisors for its clients.

Item 11 **Code of Ethics, Participation or Interest in Client Transactions and Personal Trading**

- A. The Registrant maintains an investment policy relative to personal securities transactions. This investment policy is part of Registrant’s overall Code of Ethics, which serves to establish a standard of business conduct for all of Registrant’s Representatives that is based upon fundamental principles of openness, integrity, honesty and trust, a copy of which is available upon request.

In accordance with Section 204A of the Investment Advisers Act of 1940, the Registrant also maintains and enforces written policies reasonably designed to prevent the misuse of material non-public information by the Registrant or any person associated with the

Registrant.

- B. Neither the Registrant nor any related person of Registrant recommends, buys, or sells for client accounts, securities in which the Registrant or any related person of Registrant has a material financial interest.
- C. The Registrant and/or representatives of the Registrant *may* buy or sell securities that are also recommended to clients. This practice may create a situation where the Registrant and/or representatives of the firm are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. Practices such as “scalping” (i.e., a practice whereby the owner of shares of a security recommends that security for investment and then immediately sells it at a profit upon the rise in the market price which follows the recommendation) could take place if the Registrant did not have adequate policies in place to detect such activities. In addition, this requirement can help detect insider trading, “front-running” (i.e., personal trades executed prior to those of the Registrant’s clients) and other potentially abusive practices.

The Registrant has a personal securities transaction policy in place to monitor the personal securities transactions and securities holdings of each of the Registrant’s “Access Persons.” The Registrant’s securities transaction policy requires that Access Persons of the Registrant must provide the Chief Compliance Officer or his/her designee with a written report of the their current securities holdings within ten (10) days after becoming an Access Person. Additionally, each Access Person must provide the Chief Compliance Officer or his/her designee with a written report of the Access Person’s current securities holdings at least once each twelve (12) month period thereafter on a date the Registrant selects; provided, however that at any time that the *Firm* has only one Access Person, he or she shall not be required to submit any securities report described above.

- D. The Registrant and/or representatives of the Registrant *may* buy or sell securities, at or around the same time as those securities are recommended to clients. This practice creates a situation where the Registrant and/or representatives of the firm are in a position to materially benefit from the sale or purchase of those securities. Therefore, this situation creates a potential conflict of interest. As indicated above in Item 11 C, the Registrant has a personal securities transaction policy in place to monitor the personal securities transaction and securities holdings of each of Registrant’s Access Persons.

Item 12 Brokerage Practices

- A. In the event that the client requests that the Registrant recommend a broker-dealer/custodian for execution and/or custodial services (exclusive of those clients that may direct the Registrant to use a specific broker-dealer/custodian), Registrant generally recommends that investment management accounts be maintained at *Schwab*. Prior to engaging Registrant to provide investment management services, the client will be required to enter into a formal *Investment Advisory Agreement* with Registrant setting forth the terms and conditions under which Registrant shall manage the client's assets, and a separate custodial/clearing agreement with each designated broker-dealer/custodian.

Factors that the Registrant considers in recommending *Schwab* (or any other broker-dealer/custodian to clients) include historical relationship with the Registrant, financial strength, reputation, execution capabilities, pricing, research, and service. Although the commissions and/or transaction fees paid by Registrant's clients shall comply with the Registrant's duty to obtain best execution, a client may pay a commission that is higher than another qualified broker-dealer might charge to effect the same transaction where the

Registrant determines, in good faith, that the commission/transaction fee is reasonable in relation to the value of the brokerage and research services received. In seeking best execution, the determinative factor is not the lowest possible cost, but whether the transaction represents the best qualitative execution, taking into consideration the full range of broker-dealer services, including the value of research provided, execution capability, commission rates, and responsiveness. Accordingly, although Registrant will seek competitive rates, it may not necessarily obtain the lowest possible commission rates for client account transactions. The brokerage commissions or transaction fees charged by the designated broker-dealer/custodian are exclusive of, and in addition to, Registrant's investment management fee. The Registrant's best execution responsibility is qualified if securities that it purchases for client accounts are mutual funds that trade at net asset value as determined at the daily market close.

1. **Research and Additional Benefits**

Although not a material consideration when determining whether to recommend that a client utilize the services of a particular broker-dealer/custodian, Registrant may receive from *Schwab* (or another broker-dealer/custodian) without cost (and/or at a discount) support services and/or products, certain of which assist the Registrant to better monitor and service client accounts maintained at such institutions. Included within the support services that may be obtained by the Registrant may be investment-related research, pricing information and market data, software and other technology that provide access to client account data, compliance and/or practice management-related publications, discounted or gratis consulting services, discounted and/or gratis attendance at conferences, meetings, and other educational and/or social events, marketing support, computer hardware and/or software and/or other products used by Registrant in furtherance of its investment advisory business operations.

As indicated above, certain of the support services and/or products that *may* be received may assist the Registrant in managing and administering client accounts. Others do not directly provide such assistance, but rather assist the Registrant to manage and further develop its business enterprise.

Registrant's clients do not pay more for investment transactions effected and/or assets maintained at *Schwab* as a result of this arrangement. There is no corresponding commitment made by the Registrant to *Schwab* or any other any entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as result of the above arrangement.

The Registrant's Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective client may have regarding the above arrangement and any corresponding perceived conflict of interest such arrangement may create.

2. The Registrant does not receive referrals from broker-dealers.
3. The Registrant does not generally accept directed brokerage arrangements (when a client requires that account transactions be effected through a specific broker-dealer). In such client directed arrangements, the client will negotiate terms and arrangements for their account with that broker-dealer, and Registrant will not seek better execution services or prices from other broker-dealers or be able to "batch" the client's transactions for execution through other broker-dealers with orders for other accounts managed by Registrant. As a result, client may pay higher commissions or other transaction costs or

greater spreads, or receive less favorable net prices, on transactions for the account than would otherwise be the case.

Please Note: In the event that the client directs Registrant to effect securities transactions for the client's accounts through a specific broker-dealer, the client correspondingly acknowledges that such direction may cause the accounts to incur higher commissions or transaction costs than the accounts would otherwise incur had the client determined to effect account transactions through alternative clearing arrangements that may be available through Registrant.

The Registrant's Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective client may have regarding the above arrangement.

- B. To the extent that the Registrant provides investment management services to its clients, the transactions for each client account generally will be effected independently, unless the Registrant decides to purchase or sell the same securities for several clients at approximately the same time. The Registrant may (but is not obligated to) combine or “bunch” such orders to obtain best execution, to negotiate more favorable commission rates or to allocate equitably among the Registrant’s clients differences in prices and commissions or other transaction costs that might have been obtained had such orders been placed independently. Under this procedure, transactions will be averaged as to price and will be allocated among clients in proportion to the purchase and sale orders placed for each client account on any given day. The Registrant shall not receive any additional compensation or remuneration as a result of such aggregation.

Item 13 Review of Accounts

- A. For those clients to whom Registrant provides investment supervisory services, account reviews are conducted on an ongoing basis by the Registrant's Principals and Chief Compliance Officer. All investment supervisory clients are advised that it remains their responsibility to advise the Registrant of any changes in their investment objectives and/or financial situation. All clients (in person or via telephone) are encouraged to review financial planning issues (to the extent applicable), investment objectives and account performance with the Registrant on an annual basis.
- B. The Registrant ***may*** conduct account reviews on an other than periodic basis upon the occurrence of a triggering event, such as a change in client investment objectives and/or financial situation, market corrections and client request.
- C. Clients are provided, at least quarterly, with written transaction confirmation notices and regular written summary account statements directly from the broker-dealer/custodian and/or program sponsor for the client accounts. The Registrant may also provide a written periodic report summarizing account activity and performance.

Item 14 Client Referrals and Other Compensation

- A. As referenced in Item 12.A.1 above, the Registrant may receive an indirect economic benefit from *Schwab*. The Registrant, without cost (and/or at a discount), may receive support services and/or products from *Schwab*.

Registrant's clients do not pay more for investment transactions effected and/or assets maintained at *Schwab* as a result of this arrangement. There is no corresponding commitment made by the Registrant to *Schwab* or any other entity to invest any specific amount or percentage of client assets in any specific mutual funds, securities or other investment products as result of the above arrangement.

The Registrant's Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective client may have regarding the above arrangement and any corresponding perceived conflict of interest any such arrangement may create.

- B. Registrant does not compensate any person who is not a supervised person for client referrals.

Item 15 Custody

The Registrant shall have the ability to have its advisory fee for each client debited by the custodian on a quarterly basis. Clients are provided, at least quarterly, with written transaction confirmation notices and regular written summary account statements directly from the broker-dealer/custodian and/or program sponsor for the client accounts. The Registrant may also provide a written periodic report summarizing account activity and performance.

Please Note: To the extent that the Registrant provides clients with periodic account statements or reports, the client is urged to compare any statement or report provided by the Registrant with the account statements received from the account custodian. **Please Also Note:** The account custodian does not verify the accuracy of the Registrant's advisory fee calculation.

Item 16 Investment Discretion

The client can determine to engage the Registrant to provide investment advisory services on a discretionary basis. Prior to the Registrant assuming discretionary authority over a client's account, client shall be required to execute an *Investment Advisory Agreement*, naming the Registrant as client's attorney and agent in fact, granting the Registrant full authority to buy, sell, or otherwise effect investment transactions involving the assets in the client's name found in the discretionary account.

Clients who engage the Registrant on a discretionary basis may, at any time, impose restrictions, **in writing**, on the Registrant's discretionary authority. (I.e. limit the types/amounts of particular securities purchased for their account, exclude the ability to purchase securities with an inverse relationship to the market, limit or proscribe the Registrant's use of margin, etc.).

Item 17 Voting Client Securities

- A. The Registrant does not vote client proxies. Clients maintain exclusive responsibility for: (1) directing the manner in which proxies solicited by issuers of securities beneficially owned by

the client shall be voted, and (2) making all elections relative to any mergers, acquisitions, tender offers, bankruptcy proceedings or other type events pertaining to the client's investment assets.

- B. Clients will receive their proxies or other solicitations directly from their custodian. Clients may contact the Registrant to discuss any questions they may have with a particular solicitation.

Item 18 Financial Information

- A. The Registrant does not solicit fees of more than \$1,200, per client, six months or more in advance.
- B. The Registrant is unaware of any financial condition that is reasonably likely to impair its ability to meet its contractual commitments relating to its discretionary authority over certain client accounts.
- C. The Registrant has not been the subject of a bankruptcy petition.

ANY QUESTIONS: The Registrant's Chief Compliance Officer, Angela Wright, remains available to address any questions that a client or prospective client may have regarding the above disclosures and arrangements.
