Education Background and Business Experience

Tingey Advisors is owned by two equal shareholders, Alan B. Tingey (age 63) and Jon D. Tingey (age 54). Both serve as officers and directors and both take an active role in research and the management of client portfolios. Both Alan and Jon are members of the investment committee that determines general investment strategies and both work in harmony to set general direction and strategy. Each client is assigned a lead portfolio manager for the purpose of specific strategy implementation and communication. Both managers, when not acting as the lead manager, provide support to the other manager as needed.

The educational and business backgrounds of each principal are shown below.
