Firm Description

Strategic Wealth Group Registered Investment Advisor, LLC is an investment advisor registered with the Securities and Exchange Commission. Strategic Wealth Group Registered Investment Advisor, LLC offers investment advice to clients through the Wrap Fee Program (Program) based on the individual needs of the client. Strategic Wealth Group Registered Investment Advisor, LLC is the sponsor of the Program. Nathaniel Running is 100% owner of Strategic Wealth Group Registered Investment Advisor, LLC and is responsible for management of the Program accounts.

This disclosure brochure is limited to describing the Program and other information that client should consider prior to establishing an account in the Program. For a complete description of other programs and services offered by Strategic Wealth Group Registered Investment Advisor, LLC, clients should refer to Strategic Wealth Group Registered Investment Advisor, LLC's Form ADV Part 2A, a copy of which will be provided by Strategic Wealth Group Registered Investment Advisor, LLC to the client upon request.

Program Services

Strategic Wealth Group Registered Investment Advisor, LLC provides continuous and regular supervisory services on a discretionary and non-discretionary basis. Strategic Wealth Group Registered Investment Advisor, LLC will offer clients ongoing portfolio management services through determining individual investment goals, time horizons, objectives, and risk tolerance. Investment strategies, investment selection, assets allocation, portfolio monitoring and the overall investment program will be based on the above factors.

Discretionary: When the client provides Strategic Wealth Group Registered Investment Advisor, LLC discretionary authority the client will sign a limited trading authorization or equivalent. Strategic Wealth Group Registered Investment Advisor, LLC will have the authority to execute transactions in the account without seeking client approval on each transaction.

Non-discretionary: When the client elects to use Strategic Wealth Group Registered Investment Advisor, LLC on a non-discretionary basis, Strategic Wealth Group Registered Investment Advisor, LLC will determine the securities to be bought or sold and the amount of the securities to be bought or sold. However, Strategic Wealth Group Registered Investment Advisor, LLC will obtain prior client approval on each and every transaction before executing any transactions.

Through a multiple step discovery process, Strategic Wealth Group Registered Investment Advisor, LLC obtains the necessary financial data from the client and assists the client in setting appropriate investment objectives for the Program account. Strategic Wealth Group Registered Investment Advisor, LLC obtains updated information from the client during regularly scheduled client performance reviews, as necessary in order to provide personalized investment advice to the client.

The client will be required to enter into a written agreement with Strategic Wealth Group Registered Investment Advisor, LLC in order to establish a Program account. The client will also be required to complete an application with the broker/dealer that will act as custodian for Program account assets.

A Wrap Fee Program is an investment advisory program in which clients pay one fee for both investment advisory services and the transaction costs in the account(s). The fee is bundled with Strategic Wealth Group Registered Investment Advisor, LLC's costs for executing transactions in the account(s). This may result in a higher advisory fee to the client. Strategic Wealth Group Registered Investment Advisor, LLC does not charge clients higher advisory fees based on the trading activity, but clients should be aware that Strategic Wealth Group Registered Investment Advisor, LLC may have an incentive to limit the trading activities in the account(s) because Strategic Wealth Group Registered Investment Advisor, LLC is charged for executed trades. By participating in a wrap fee program, clients may end up paying more or less than they would through a non-wrap fee program where a lower advisory fee may be charged, but trade execution costs are passed directly through to the client by the executing broker.

The Program Fee is not based directly upon the actual transaction or execution costs for the transactions within the account(s). Depending on the underlying investments in the Program and how much trading activity occurs, clients may pay more or less than if they chose another advisory program that does not have a wrap fee, or if clients chose to pay separately for all of the transaction costs (e.g., pay the advisory fee plus all transaction charges). Strategic Wealth Group Registered Investment Advisor, LLC offers both a Wrap Fee Program and a Non-Wrap Fee Program, therefore Strategic Wealth Group Registered Investment Advisor, LLC will review the investment options with clients to determine the best offering. Similar services to those offered in the Program may be purchased from another unaffiliated financial services provider.

Program Fees

The annual investment advisory fee will be based on a percentage of Assets Under Management. The annual fees will be no more than 2.0%. The annual fee may be negotiable. Accounts within the same household may be combined for a reduced fee. Fees are billed quarterly in advance based on the amount of assets managed as of the opening of business on the first business day of each quarter. Clients must consent in advance to direct debiting of their investment account for the quarterly asset management fees. Quarterly advisory fees deducted from the clients' account by the custodian will be reflected in the client statements. Lower fees for comparable services may be available from other sources.

Clients may terminate their account within five (5) business days of signing the Investment Advisory Agreement for a full refund. Clients may terminate advisory services with thirty (30) days written notice. For accounts closed mid-quarter, the client will be entitled to a pro rata refund for the days service was not provided in the final quarter. Client shall be given thirty (30) days prior written notice of any increase in fees, and client will acknowledge, in writing, any agreement of increase in said fees.

Additional deposits and withdrawals will be added or subtracted from account assets, as the case may be, which may lead to an adjustment of the Annual Fee. All Annual Fees are deducted from the account by the custodian unless other arrangements have been made in writing. The Annual Fee is paid to and retained by Strategic Wealth Group Registered Investment Advisor, LLC and the advisory representatives.

In addition to the Annual Fee, clients may also incur certain charges imposed by third parties in connection with investments made through Program accounts, including those imposed by the custodian. These may include, but are not limited to, the following: mutual fund or money market 12b-1 fees, sub-transfer agent fees, certain deferred sales charges on previously purchased mutual funds transferred into the account, other transaction charges and service fees, IRA and qualified retirement plan fees, alternative investment administrative fees, administrative servicing fees for trust accounts, creation and development fees or similar fees imposed by unit investment trust sponsors, managed futures investor servicing fees, and other charges required by law. Strategic Wealth Group Registered Investment Advisor, LLC does not receive any portion of these fees. Further information regarding charges and fees assessed by a mutual fund or variable annuity are available in the appropriate prospectus.

Mutual funds may also charge a redemption fee if a redemption is made within a specific time period following the investment. The terms of any redemption fee are disclosed in the fund's prospectus. Transactions in mutual fund shares (e.g., for rebalancing, liquidations, deposits or tax harvesting) may be subject to a fund's frequent trading policy.

Client should be aware that margin borrowing involves additional risks. Margin borrowing will result in increased gain if the value of the securities in the account go up, but will result in increased losses if the account value decreases.

Since Strategic Wealth Group Registered Investment Advisor, LLC will receive 100% of the fees paid for management of the wrap program, this may create an incentive to recommend that clients participate in a wrap fee program rather than a non-wrap fee program (where clients would pay for trade execution costs) or brokerage account where commissions are charged. This is because, in some cases, Strategic Wealth Group Registered Investment Advisor, LLC may stand to earn more compensation from advisory fees paid through a wrap fee program arrangement if clients' accounts are not actively traded. As an investment philosophy, Strategic Wealth Group Registered Investment Advisor, LLC practices a nimble trading strategy that seeks to grow client assets in up trends and protect principal during down trends.

Item 5: Account Requirements and Types of Clients

Account Minimum

Strategic Wealth Group Registered Investment Advisor, LLC does not require an account minimum to open an account.

Types of Clients

Strategic Wealth Group Registered Investment Advisor, LLC generally provides investment advice to individuals and business entities. Client relationships vary in scope and length of service.

Item 6: Portfolio Manager Selection and Evaluation

Portfolio Manager

Nathaniel Running, Managing Member will manage all Program accounts, he has been in the financial services industry since 1998 and an investment advisor representative since 2003. Since no other persons, affiliated or unaffiliated will manage the wrap program, there are no additional processes for selection or review of managers. Clients make the decision to select Strategic Wealth Group Registered Investment Advisor, LLC as their portfolio manager.

Since all programs are managed by Nathaniel Running, there is no conflict of interest regarding portfolio managers.

Conflicts of Interest

Strategic Wealth Group Registered Investment Advisor, LLC may receive support services and/or products from LPL Financial, Inc. ("LPL"), which assist Strategic Wealth Group Registered Investment Advisor, LLC to better monitor and service Program accounts maintained at LPL. These support services and/or products may be received without cost, at a discount, and/or at another negotiated rate, and may include investment-related research, pricing information and market data, software and other technology that provide access to client account data, compliance and/or practice management-related publications, consulting services, attendance at conferences, meetings, and other educational and/or social events, marketing support, computer hardware and/or software and/or other products used by Strategic Wealth Group Registered Investment Advisor, LLC in furtherance of its investment advisory business operations. Clients do not pay more for services as a result of this arrangement. There is no corresponding commitment made by the Strategic Wealth Group Registered Investment Advisor, LLC to LPL or any other entity to invest any specific amount or percentage of client assets in any specific securities as a result of the arrangement.

Strategic Wealth Group Registered Investment Advisor, LLC and advisory representatives may receive additional non-cash compensation from product sponsors. Compensation may include such items as gifts valued at less than \$100 annually, an occasional dinner or ticket to a sporting event, or reimbursement in connection with educational meetings or marketing or advertising initiatives.

The Program may cost the client more or less than purchasing Program services separately. Factors that bear upon the cost of the Program account in relation to the cost of the same services purchased separately include: the type and size of the account, the historical and/or expected size or number of trades for the account, and the number and range of supplementary advisory and client related services provided to the account.

The annual fee is an ongoing fee for investment advisory services and may cost the client more than if the assets were held in a traditional brokerage account. In a brokerage account, a client is charged a commission for each transaction and the representative has no duty to provide ongoing advice with respect to the account. If the client plans to follow a buy and hold strategy for the account or does not wish to purchase ongoing investment advice or management services, the client should consider opening a brokerage account rather than a Program account.

Strategic Wealth Group Registered Investment Advisor, LLC receives compensation as a result of the client's participation in the Program. The amount of this compensation may be more or less than what Strategic Wealth Group Registered Investment Advisor, LLC would receive if the client participated in other programs or paid separately for investment advice, brokerage and other client services. Therefore, Strategic Wealth Group Registered Investment Advisor, LLC may have a financial incentive to recommend the Program account over other programs and services. Strategic Wealth Group Registered Investment Advisor, LLC acts as the portfolio manager for the Program and retains the management fee less execution costs. This may create a conflict of interest because Strategic Wealth Group Registered Investment Advisor, LLC may have a disincentive to trade securities in the account to keep the execution costs low therefore retaining a larger portion of the management fee.

Owner Nathaniel Running is dually registered with LPL as registered representative. In such capacities, he receives normal and customary commissions as a result of securities sales outside of Program account.

Advisory Business

Strategic Wealth Group Registered Investment Advisor, LLC offers clients an asset management account through the Program in which Strategic Wealth Group Registered Investment Advisor, LLC directs and manages Program assets for client. Strategic Wealth Group Registered Investment Advisor, LLC also offers Asset Management services offered as a Non Wrap Program described in detail in Form ADV Part 2A. By offering both a Wrap Fee Program and a Non Wrap Fee Program creates a conflict of interest as Strategic Wealth Group Registered Investment Advisor, LLC may receive higher fees under the Wrap Fee Program. To mitigate this conflict, Strategic Wealth Group Registered Investment Advisor, LLC and client will determine which Program is best suited for the client. Strategic Wealth Group Registered Investment Advisor, LLC will use the Non Wrap Fee Program for accounts not utilizing the firm's portfolio programs and the Wrap Fee Program for accounts that will be invested in the firm's model portfolios. Strategic Wealth Group Registered Investment Advisor, LLC has a fiduciary duty to act in the best interest of the client and will act according to those duties.

The goals and objectives for each client are documented in our client files. Investment strategies are created that reflect the stated goals and objective. Clients may impose restrictions on investing in certain securities or types of securities.

In establishing a Program account, client elects to appoint LPL as the sole and exclusive broker/dealer and custodian with respect to processing securities transactions for the Program account. Strategic Wealth Group Registered Investment Advisor, LLC does not maintain custody of client assets.

Securities transactions for Program account are effected without commissions being charged to client. While Strategic Wealth Group Registered Investment Advisor, LLC makes every attempt to obtain the best execution possible, there is no assurance that it will be obtained. Clients should consider whether or not the appointment of LPL as the sole broker/dealer and custodian may or may not result in certain costs or disadvantages to the client as a result of possibly less favorable executions. In considering whether or not to restrict the execution of transactions through LPL, Strategic Wealth Group Registered Investment Advisor, LLC considered the capabilities of LPL.

Although client will not be charged a transaction charge for transactions through LPL, client should be aware that Strategic Wealth Group Registered Investment Advisor, LLC will be required to pay transaction charges to LPL. The transaction charges borne by Strategic Wealth Group Registered Investment Advisor, LLC vary based on the type of transactions (e.g., mutual fund, equity or fixed income security) and for mutual funds based on whether or not the mutual fund pays 12b-1 fees and/or sub-transfer agent fees that are retained by the custodian in amounts sufficient to cover the majority of trading costs. Client should understand that the cost to Strategic Wealth Group Registered Investment Advisor, LLC of transaction charges may be a factor the Strategic Wealth Group Registered Investment Advisor, LLC considers when deciding which securities to select and whether or not to place transactions in a Program account.

No agency-cross transactions or principal transactions are effected by Strategic Wealth Group Registered Investment Advisor, LLC in Program accounts.

Strategic Wealth Group Registered Investment Advisor, LLC may aggregate transactions for a client with other clients to improve the quality of execution. When transactions are so aggregated, the actual prices applicable to the aggregated transactions will be averaged, and the client will be deemed to have purchased or sold its proportionate share of the securities involved at the average price obtained.

Strategic Wealth Group Registered Investment Advisor, LLC offers clients an asset management account through the Program in which Strategic Wealth Group Registered Investment Advisor, LLC directs and manages Program assets for clients. Strategic Wealth Group Registered Investment Advisor, LLC also offers Financial Planning services and Asset Management services offered as a Non Wrap Program described in detail in Form ADV Part 2A. By offering both a Wrap Fee Program and a Non Wrap Fee Program this creates a conflict of interest as Strategic Wealth Group Registered Investment Advisor, LLC may receive higher fees under the Wrap Fee Program. To mitigate this conflict, Strategic Wealth Group Registered Investment Advisor, LLC and client will determine which Program is best suited for the client. Strategic Wealth Group Registered Investment Advisor, LLC has a fiduciary duty to act in the best interest of the client and will act according to those duties.

The goals and objectives for each client are documented in our client files. Investment strategies are created that reflect the stated goals and objectives. Clients may impose restrictions on investing in certain securities or types of securities.

Sharing of Capital Gains

Fees are not based on a share of the capital gains or capital appreciation of managed securities.

Strategic Wealth Group Registered Investment Advisor, LLC does not use a performance-based fee structure because of the potential conflict of interest. Performance-based compensation may create an incentive for the adviser to recommend an investment that may carry a higher degree of risk to the client.

Methods of Analysis

Security analysis methods may include fundamental analysis and technical analysis. Investing in securities involves risk of loss that clients should be prepared to bear. Past performance is not a guarantee of future returns.

Fundamental analysis involves evaluating a stock using real data such as company revenues, earnings, return on equity, and profits margins to determine underlying value and potential growth. Technical analysis involves evaluating securities based on past prices and volume.

When creating a financial plan, Strategic Wealth Group Registered Investment Advisor, LLC utilizes fundamental analysis to provide review of insurance policies for economic value and income replacement. Technical analysis is used to review mutual funds and individual stocks. The main sources of information include Morningstar, client documents such as tax returns and insurance policies.

In developing a financial plan for a client, Strategic Wealth Group Registered Investment Advisor, LLC's analysis may include cash flow analysis, investment planning, risk management, tax planning and estate conservation. Based on the information gathered, a detailed strategy is tailored to the client's specific situation.

The main sources of information include Morningstar, client documents such as tax returns, financial newspapers, and magazines, annual reports, prospectuses, and filings with the Securities and Exchange Commission.

General Investment Strategy

The investment strategy for a specific client is based upon the objectives stated by the client during consultations. The client may change these objectives at any time. Each client executes an Investment Policy Statement, Risk Tolerance or similar form that documents their objectives and their desired investment strategy.

Other strategies may include long-term purchases and short-term purchases.

Security Specific Material Risks

All investment programs have certain risks that are borne by the investor. Fundamental analysis may involve interest rate risk, market risk, business risk, and financial risk. Risks involved in technical analysis are inflation risk, reinvestment risk, and market risk.

Our investment approach constantly keeps the risk of loss in mind. Investors face the following investment risks and should discuss these risks with Strategic Wealth Group Registered Investment Advisor, LLC:

- *Interest-rate Risk:* Fluctuations in interest rates may cause investment prices to fluctuate. For example, when interest rates rise, yields on existing bonds become less attractive, causing their market values to decline.
- *Market Risk:* The price of a security, bond, or mutual fund may drop in reaction to tangible and intangible events and conditions. This type of risk is caused by external factors independent of a security's particular underlying circumstances. For example, political, economic and social conditions may trigger market events.
- *Inflation Risk:* When any type of inflation is present, a dollar today will buy more than a dollar next year, because purchasing power is eroding at the rate of inflation.
- *Reinvestment Risk:* This is the risk that future proceeds from investments may have to be reinvested at a potentially lower rate of return (i.e. interest rate). This primarily relates to fixed income securities.
- *Business Risk:* These risks are associated with a particular industry or a particular company within an industry. For example, oil-drilling companies depend on finding oil and then refining it, a lengthy process, before they can generate a profit. They carry a higher risk of profitability than an electric company which generates its income from a steady stream of customers who buy electricity no matter what the economic environment is like.
- *Financial Risk:* Excessive borrowing to finance a business' operations increases the risk of profitability, because the company must meet the terms of its obligations in good times and bad. During periods of financial stress, the inability to meet loan obligations may result in bankruptcy and/or a declining market value.
- *Trading on Margin:* In a cash account, the risk is limited to the amount of money that has been invested. In a margin account, risk includes the amount of money invested plus the amount that has been loaned. As market conditions fluctuate, the value of marginable securities will also fluctuate, causing a change in the overall account balance and debt ratio. As a result, if the value of the securities held in a margin account depreciates, the client will be required to deposit additional cash or make full payment of the margin loan to bring account back up to maintenance levels. Clients who cannot comply with such a margin call may be sold out or bought in by the brokerage firm.

Proxy Voting

Strategic Wealth Group Registered Investment Advisor, LLC does not vote proxies on securities. Clients are expected to vote their own proxies. The client will receive their proxies directly from the custodian of their account or from a transfer agent.

When assistance on voting proxies is requested, Strategic Wealth Group Registered Investment Advisor, LLC will provide recommendations to the client. If a conflict of interest exists, it will be disclosed to the client

Item 7: Client Information Provided to Portfolio Managers

Certain associated persons of Strategic Wealth Group Registered Investment Advisor, LLC are licensed as insurance agents for various insurance companies, as well as registered representatives of LPL Financial. Approximately 5% of their time is spent in their insurance practices and greater than 50% in their capacities with LPL Financial, Inc. Account reviews are performed at least quarterly depending on the nature of the account and client relationship. All reviews are conducted by Nathaniel Running. Account reviews are performed more frequently when market conditions dictate.

Review of Client Accounts on Non-Periodic Basis

Other conditions that may trigger a review of clients' accounts are changes in the tax laws, new investment information, and changes in a client's own situation.

Clients receive written account statements usually on a monthly basis, but no less than quarterly for managed accounts. Strategic Wealth Group Registered Investment Advisor, LLC will also provide clients with quarterly performance reports.

Client Referrals and Other Compensation

As part of its fiduciary duties to clients, Strategic Wealth Group Registered Investment Advisor, LLC endeavors at all times to put the interests of its clients first. Clients should be aware, however, that the receipt of economic benefits by Strategic Wealth Group Registered Investment Advisor, LLC or its related persons in and of itself creates a conflict of interest and may indirectly influence the Strategic Wealth Group Registered Investment Advisor, LLC's choice of LPL for custody and brokerage services.

Advisory Firm Payments for Client Referrals

Strategic Wealth Group Registered Investment Advisor, LLC does compensate for client referrals.

Professional Certifications

Employees have earned certifications and credentials that are required to be explained in further detail.

The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP (with flame design) marks (collectively, the “CFP® marks”) are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP Board”).

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 62,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- Education – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP Board’s studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor’s Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP Board’s financial planning subject areas include insurance planning and risk management, employee

benefits planning, investment planning, income tax planning, retirement planning, and estate planning;

- Examination – Pass the comprehensive CFP® Certification Examination. The examination, administered in 10 hours over a two-day period, includes case studies and client scenarios designed to test one's ability to correctly diagnose financial planning issues and apply one's knowledge of financial planning to real world circumstances;
- Experience – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- Ethics – Agree to be bound by CFP Board's *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- Continuing Education – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- Ethics – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients. CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP Board's enforcement process, which could result in suspension or permanent revocation of their CFP® certification.

Accredited Investment Fiduciary® (AIF®): Accredited Investment Fiduciary designation is awarded from the Center for Fiduciary Studies, LLC. AIF® certification requirements:

- Complete training curriculum.
- Pass the 60 questions AIF® exam with 75% correct answers.
- Sign and agree to abide by a Code of Ethics.
- Complete six hours of continuing professional education, four of which are fi360 Training CE.
- Maintain current contact information in fi360's designee database.
- Submit yearly renewal application with annual dues.

mitigated by disclosures, procedures, and the firm's Fiduciary obligation to place the best interest of the client first and the clients are not required to purchase any products or services. Clients have the option to purchase these products or services through another insurance agent or registered representative of their choosing.

Item 5 Additional Compensation
