Discretionary Amounts:	Non-discretionary Amounts:	Date Calculated:
\$0	\$ 188,694,141	December 2018

Item 5: Fees and Compensation

A. Fee Schedule

Portfolio Management Fees

Total Assets Under Management	Annual Fees
All Assets	2.00%

CBC intl advisors uses an average of the daily balance in the client's account throughout the billing period, after taking into account deposits and withdrawals, for purposes of determining the market value of the assets upon which the advisory fee is based.

These fees are generally negotiable and the final fee schedule is attached as Exhibit II of the Investment Advisory Contract. Clients may terminate the agreement without penalty

for a full refund of CBC intl advisors's fees within five business days of signing the Investment Advisory Contract. Thereafter, clients may terminate the Investment Advisory Contract generally with 30 days' written notice.

Performance-Based Fees for Portfolio Management

Qualified clients will pay an annual fee of 2.00% of assets under management along with a 20.00% performance fee based on capital appreciation. If the client's portfolio rises in value, the client will pay 20.00% on that increase in value, but if the portfolio drops in value, the client will not incur a new performance fee until the portfolio reaches the last highest value, adjusted for withdrawals and deposits, which is generally known as a "high water mark."

The high water mark will be the highest value of the client's account on the last day of any previous year, after accounting for the client's deposits or withdrawals for each billing period.

These fees are generally negotiable and the final fee schedule is attached as Exhibit II of the Investment Advisory Contract. This service may be canceled with 30 days' notice. Clients must pay the prorated performance-based fees for the billing period in which they terminate the Investment Advisory Contract up to and including the day of termination.

Subadviser Services Fees

CBC intl advisors may also act as a subadviser to unaffiliated third-party advisers and CBC intl advisors would receive a share of the fees collected from the third-party adviser's client. The fees charged will not exceed any limit imposed by any regulatory agency. The notice of termination requirement and payment of fees for subadviser services will depend on the specific third-party investment adviser engaging CBC intl advisors as subadviser. This relationship will be memorialized in each contract between CBC intl advisors and each third-party adviser. The fees will not exceed any limit imposed by any regulatory agency.

B. Payment of Fees

Payment of Portfolio Management Fees

Asset-based portfolio management fees will be invoiced and billed directly to the client, payable by bank transfer, on an annual basis. Fees are paid in arrears.

Payment of Performance-Based Portfolio Management Fees

Performance-based portfolio management fees may be invoiced and billed directly to the client on an annual basis. Fees are paid in arrears.

CBC intl advisors manages accounts that are billed on performance-based fees (a share of capital gains on or capital appreciation of the assets of a client) and may as well manage accounts that are not billed on performance-based fees. CBC intl advisors addresses the conflicts by ensuring that clients are not systematically advantaged or disadvantaged due to the presence or absence of performance-based fees.
