Birchcreek Wealth provides a holistic approach to its wealth advisory services. Client engagements typically include comprehensive financial planning and investment management services as described below. Services are tailored to the unique needs of each Client.

The Advisor serves as a fiduciary to Clients, as defined under the applicable laws and regulations. As a fiduciary, the Advisor upholds a duty of loyalty, fairness and good faith towards each Client and seeks to mitigate potential conflicts of interest. Our fiduciary commitment is further described in our Code of Ethics. For more information regarding our Code of Ethics, please see Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading.

Investment Management Services

Birchcreek Wealth provides customized wealth management solutions for its Clients. This is achieved through continuous personal Client contact and interaction while providing discretionary investment management and planning services. Birchcreek Wealth works closely with each Client to identify their investment goals and objectives as well as risk tolerance and financial situation in order to create an investment strategy. Birchcreek Wealth customizes its investment management services for its Clients. Birchcreek Wealth will implement the investment strategy with its internal management and/or the use of unaffiliated money managers or investment platforms (as described below).

Internal Investment Management – Portfolios may be constructed using open-end mutual funds, exchange-traded funds (“ETFs”), individual equity securities and or individual fixed income securities. For certain Clients, the Advisor may utilize tax-free municipal bonds and other types of investments. For certain Clients, the Advisor may employed leveraged ETFs and or the short-term use of margin. For mutual funds, the Advisor selects active and passive managers and will seek institutional share classes when available.

Birchcreek Wealth’s investment strategies are primarily long-term investment focused, but the Advisor may buy, sell or re-allocate positions that have been held less than one year to meet the objectives of the Client or due to market conditions. Birchcreek Wealth will construct, implement and monitor the portfolio to ensure it meets the goals, objectives, circumstances, and risk tolerance agreed to by the Client. Each Client will have the opportunity to place reasonable restrictions on the types of investments to be held in their respective portfolio, subject to acceptance by the Advisor.

At no time will Birchcreek Wealth accept or maintain custody of a Client’s funds or securities, except for the limited authority as outlined in Item 15 – Custody. All Client assets will be managed within their designated account[s] at the Custodian, pursuant to the Client investment advisory agreement, please see Item 12 – Brokerage Practices.

Use of Independent Managers - Birchcreek Wealth may recommend to Clients that all or a portion of their investment portfolio be implemented by utilizing one or more unaffiliated money managers or investment platforms (collectively “Independent Managers”). Independent Managers may be sourced directly or accessed through an investment management platform. The Client will be required to enter into a separate agreement with the Independent Manager[s].

Birchcreek Wealth serves as the Client’s primary advisor and relationship manager. However, the Independent Manager[s] will assume discretionary authority for the day-to-day investment management of those assets placed in their control. Birchcreek Wealth will assist and advise the Client in establishing investment objectives for their account[s], the selection of the Independent Manager[s], and defining any restrictions on the account[s]. Birchcreek Wealth will continue to provide oversight of the Client’s account[s] and ongoing monitoring of the activities of these

unaffiliated parties. The Independent Manager[s] will implement the selected investment strategies based on their investment mandates. The Client may be able to impose reasonable investment restrictions on these accounts, subject to the acceptance of these third parties.

The Client, prior to entering into an agreement with an Independent Manager, will be provided with the Form ADV Part 2A (or a brochure that makes the appropriate disclosures) of those parties. Birchcreek Wealth does not receive any compensation from these Independent Managers or Investment Platforms, other than Birchcreek Wealth's investment advisory fee (described in Item 5).

Financial Planning Services

Financial planning services may be included in an overall wealth management engagement or provided as a separate service, pursuant to the terms of the agreement with the Client.

Birchcreek Wealth will typically provide a variety of financial planning and consulting services to Clients. Services are offered in several areas of a Client's financial situation, depending on their goals, objectives and financial situation. Generally, such financial planning services involve preparing a formal financial plan or rendering a specific financial consultation based on the Client's financial goals and objectives. This planning or consulting may encompass one or more areas of need, including but not limited to, investment planning, retirement planning, personal savings, education savings, insurance needs, and other areas of a Client's financial situation.

A financial plan developed for, or financial consultation rendered to the Client will usually include general recommendations for a course of activity or specific actions to be taken by the Client. For example, recommendations may be made that the Client start or revise their investment programs, commence or alter retirement savings, establish education savings and/or charitable giving programs.

In certain circumstances, Birchcreek Wealth may also refer Clients to an accountant, attorney or other specialist, as appropriate for the Client's unique situation. For certain financial planning engagements, the Advisor will generally provide a written report that contains observations and recommendations. For consulting or ad-hoc engagements, the Advisor may not provide a written summary. Plans or consultations are typically completed within six (6) months of contract date, assuming all information and documents requested are provided promptly.

Financial planning recommendations may pose a potential conflict between the interests of the Advisor and the interests of the Client. For example, a recommendation to engage the Advisor for investment management services or to increase the level of investment assets with the Advisor would pose a conflict, as it would increase the advisory fees paid to the Advisor. Clients are not obligated to implement any recommendations made by the Advisor or maintain an ongoing relationship with the Advisor. If the Client elects to act on any of the recommendations made by the Advisor, the Client is under no obligation to implement the transaction through the Advisor.

Retirement Plan Advisory Services

Birchcreek Wealth provides 3(21) retirement plan advisory services on behalf of the retirement plans (each a "Plan") and the company (the "Plan Sponsor"). The Advisor's retirement plan advisory services are designed to assist the Plan Sponsor in meeting its fiduciary obligations to the Plan and its Plan Participants. Each engagement is customized to the needs of the Plan and Plan Sponsor. Services generally include:

- Vendor Analysis
- Plan Participant Enrollment and Education Tracking
- Investment Policy Statement ("IPS") Design and Monitoring
- Investment Management
- Performance Reporting
- Ongoing Investment Recommendation and Assistance
- ERISA 404(c) Assistance
- Benchmarking Services

These services are provided by Birchcreek Wealth serving in the capacity as a fiduciary under the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). In accordance with ERISA Section 408(b)(2), the Plan Sponsor is provided with a written description of Birchcreek Wealth's fiduciary status, the specific services to be rendered and all direct and indirect compensation the Advisor reasonably expects under the engagement.

C. Client Account Management

Prior to engaging Birchcreek Wealth to provide advisory services, each Client is required to enter into one or more agreements with the Advisor that define the terms, conditions, authority and responsibilities of the Advisor and the Client. These services may include:

As of October 23, 2019, Birchcreek manages \$103,000,000 in Client assets, all of which are on a discretionary basis. Clients may request more current information at any time by contacting the Advisor.

Item 5 – Fees and Compensation

The following paragraphs detail the fee structure and compensation methodology for services provided by the Advisor. Each Client engaging the Advisor for services described herein shall be required to enter into one or more written agreements with the Advisor.

A. Fees for Advisory Services

Investment Advisory Services

Investment advisory fees are paid monthly, in advance of each month, pursuant to the terms of the investment advisory agreement. Fees are calculated based on the market value of assets under management with the Advisor at the end of the prior month. Fees range from 0.50% to 1.50% annually based on several factors, including: the complexity of the services to be provided, the level of assets to be managed, and the overall relationship with the Advisor. Relationships with multiple objectives, specific reporting requirements, portfolio restrictions and other complexities may be charged a higher fee.

The investment advisory fee in the first month of service is prorated from the inception date of the Client's account[s] to the end of the first month. Fees may be negotiable at the sole discretion of the Advisor. The investment advisory fee may also include financial planning services, at the discretion of the Advisor. The Client's fees will take into consideration the aggregate assets under management with the Advisor. All securities held in accounts managed by Birchcreek Wealth will be independently valued by the Custodian. Birchcreek Wealth will not have the authority or responsibility to value portfolio securities.

Clients may make additions to and withdrawals from their account[s] at any time, subject to Birchcreek Wealth's right to terminate an account. Additions may be in cash or securities provided that Birchcreek Wealth reserves the right to liquidate any transferred securities or decline to accept particular securities into a Client's account[s]. Clients may withdraw account assets on notice to Birchcreek Wealth, subject to the usual and customary securities settlement procedures. However, Birchcreek Wealth designs its portfolios as long-term investments and the withdrawal of assets may impair the achievement of a Client's investment objectives. Birchcreek Wealth may consult with its Clients about the options and ramifications of transferring securities. However, Clients are advised that when transferred securities are liquidated, they are subject to transaction fees, fees assessed at the mutual fund level (i.e. contingent deferred sales charge) and/or tax ramifications.

Use of Independent Managers

For Client account[s] implemented through an Independent Manager, the Client's overall fees will often include Birchcreek Wealth's investment advisory fee (as noted above) plus advisory fees and/or platform fees charged by the Independent Manager[s], as applicable. The Independent Manager may assume responsibility for calculating the Client's fees and deduct all fees from the Client's account[s]. In such instances, Birchcreek Wealth will not charge its fee separately on those assets.

Financial Planning Services

Birchcreek Wealth may include financial planning as part of its overall investment advisory services or under a separate agreement. For separate engagements, Birchcreek Wealth offers financial planning services on either an hourly basis or a fixed engagement fee. Hourly engagements are billed at a rate of up to \$300 per hour. Fixed engagements are negotiated based on the expected number of hours to complete the engagement at the Advisor's hourly rate. Fees may be negotiable at the sole discretion of the Advisor, depending on the nature and complexity of services to be provided. An estimate for total hours and/or costs will be provided to the Client prior to engaging for these services.

Retirement Plan Advisory Services

Fees for retirement plan advisory services are charged an annual asset-based fee of up to 1.25%, billed in advance of each month or quarter, pursuant to the terms of the agreement. Retirement plan fees are based on the market value of assets under management at the end of the prior month or quarter.

B. Fee Billing

Investment Advisory Services

Investment advisory fees are calculated by the Advisor or its delegate and deducted from the Client's account[s] at the Custodian. The Advisor shall send an invoice to the Custodian indicating the amount of the fees to be deducted from the Client's account[s] at the beginning of the respective month. The amount due is calculated by applying the monthly rate (annual rate divided by 12) to the total assets under management with Birchcreek Wealth at the end of the prior month. Clients will be provided with a statement, at least quarterly, from the Custodian reflecting deduction of the investment advisory fee. It is the responsibility of the Client to verify the accuracy of these fees as listed on the Custodian's brokerage statement as the Custodian does not assume this responsibility. Clients provide written authorization permitting advisory fees to be deducted by Birchcreek Wealth directly from their accounts held by the Custodian as part of the investment advisory agreement and separate account forms provided by the Custodian.

Use of Independent Managers

Client account[s] implemented through Independent Manager[s] will be billed in accordance to the separate agreement[s] with the respective parties. These parties will typically add Birchcreek Wealth's investment advisory fee and deduct the overall fee from the Client's account[s].

Financial Planning Services

Fees for hourly and fixed fee financial planning engagements may be invoiced up to 50% upon execution of the financial planning agreement with the balance due upon completion of the engagement deliverable[s]. Certain Clients may have their planning fees included with their overall investment advisory fees. The Advisor does not collect advance fees of \$1,200 or more for any services that will be completed six (6) months or more in advance.

Retirement Plan Advisory Services

Retirement plan advisory fees may be directly invoiced to the Plan Sponsor or deducted from the assets of the Plan, depending on the rate, billing frequency and other terms of the retirement plan advisory agreement.

C. Other Fees and Expenses

Clients may incur certain fees or charges imposed by third parties, other than Birchcreek Wealth, in connection with investments made on behalf of the Client's account[s]. The Client is responsible for all custody and securities execution fees charged by the Custodian and fees charged by Independent Managers. The investment advisory fee charged by the Advisor is separate and distinct from these custody and execution fees.

In addition, all fees paid to Birchcreek Wealth for investment advisory services are separate and distinct from the expenses charged by mutual funds and ETFs to their shareholders, if applicable. These fees and expenses are described in each fund's prospectus. These fees and expenses will generally be used to pay management fees for the funds, other fund expenses, account administration (e.g., custody, brokerage and account reporting), and a possible

distribution fee. A Client may be able to invest in these products directly, without the services of Birchcreek Wealth, but would not receive the services provided by Birchcreek Wealth which are designed, among other things, to assist the Client in determining which products or services are most appropriate for each Client's financial situation and objectives. Accordingly, the Client should review both the fees charged by the fund[s] and the fees charged by Birchcreek Wealth to fully understand the total fees to be paid. Please refer to Item 12 – Brokerage Practices for additional information.

D. Advance Payment of Fees and Termination

Investment Advisory Services

Birchcreek Wealth is compensated for its investment advisory services in advance of the month in which investment advisory services are rendered. Either party may terminate the investment advisory agreement, at any time, by providing advance written notice to the other party. The Client may also terminate the investment advisory agreement within five (5) business days of signing the Advisor's agreement at no cost to the Client. After the five-day period, the Client will incur charges for bona fide advisory services rendered to the point of termination and such fees will be due and payable by the Client. Upon termination, the Client shall be responsible for investment advisory fees up to and including the effective date of termination. The Advisor will refund any unearned, prepaid fees from the effective date of termination to the end of the month. The Client's investment advisory agreement with the Advisor is non-transferable without the Client's prior consent.

Use of Independent Managers

In the event that a Client should wish to terminate their relationship with an Independent Manager, the terms for termination will be set forth in the respective agreements between the Client and those third parties. Birchcreek Wealth will assist the Client with the termination and transition as appropriate.

Financial Planning Services

Birchcreek Wealth may be partially compensated for its financial planning services in advance of the engagement (Please see Item 5.A above.). Either party may terminate the financial planning agreement, at any time, by providing advance written notice to the other party. The Client may also terminate the financial planning agreement within five (5) business days of signing the Advisor's agreement at no cost to the Client. After the five-day period, the Client will incur charges for bona fide advisory services rendered to the point of termination and such fees will be due and payable by the Client. Upon termination, the Client shall be responsible for planning fees based on the hours incurred or in the event of a fixed fee, the percentage of the engagement completed. Upon termination, the Advisor will refund any unearned, prepaid fees. The Client's financial planning agreement with the Advisor is non-transferable without the Client's prior consent.

Retirement Plan Advisory Services

Birchcreek Wealth is compensated for its services at the beginning of the period before advisory services are rendered. Either party may request to terminate the retirement plan advisory agreement, at any time, by providing advance written notice to the other party. Upon termination, the Client shall be responsible for investment advisory fees up to and including the effective date of termination and the Advisor will refund any unearned, prepaid fees from the effective date of termination to the end of the month or quarter, as applicable. The Client's retirement plan advisory agreement with the Advisor is non-transferable without the Client's prior consent.

E. Compensation for Sales of Securities

Birchcreek Wealth does not buy or sell securities and does not receive any compensation for securities transactions in any Client account, other than the investment advisory fees noted above.

Item 6 – Performance-Based Fees and Side-By-Side Management

Birchcreek Wealth does not charge performance-based fees for its investment advisory services. The fees charged by Birchcreek Wealth are as described in Item 5 above and are not based upon the capital appreciation of the funds or securities held by any Client.

Birchcreek Wealth does not manage any proprietary investment funds or limited partnerships (for example, a mutual fund or a hedge fund) and has no financial incentive to recommend any particular investment options to its Clients.

Item 7 – Types of Clients

Birchcreek Wealth offers investment advisory services to individuals, high net worth individuals, families, trusts, estates, businesses and retirement plans. Birchcreek Wealth generally does not impose a minimum size for establishing a relationship. However, certain investments and strategies may require certain minimums for effective implementation.

Item 8 – Methods of Analysis, Investment Strategies and Risk of Loss

A. Methods of Analysis

Birchcreek Wealth primarily employs fundamental analysis methods in developing investment strategies for its Clients. Research and analysis from Birchcreek Wealth are derived from numerous sources, including financial media companies, third-party research materials, Internet sources, and review of company activities, including annual reports, prospectuses, press releases and research prepared by others.

Fundamental analysis utilizes economic and business indicators as investment selection criteria. These criteria are generally ratios and trends that may indicate the overall strength and financial viability of the entity being analyzed. Assets are deemed suitable if they meet certain criteria to indicate that they are a strong investment with a value discounted by the market. While this type of analysis helps the Advisor in evaluating a potential investment, it does not guarantee that the investment will increase in value. Assets meeting the investment criteria utilized in the fundamental analysis may lose value and may have negative investment performance. The Advisor monitors these economic indicators to determine if adjustments to strategic allocations are appropriate. More details on the Advisor's review process are included below in Item 13 – Review of Accounts.

As noted above, Birchcreek Wealth generally employs a long-term investment strategy for its Clients, as consistent with their financial goals. Birchcreek Wealth will typically hold all or a portion of a security for more than a year but may hold for shorter periods for the purpose of rebalancing a portfolio or meeting the cash needs of Clients. At times, Birchcreek Wealth may also buy and sell positions that are more short-term in nature, depending on the goals of the Client and/or the fundamentals of the security, sector or asset class.

B. Risk of Loss

Investing in securities involves certain investment risks. Securities may fluctuate in value or lose value. Clients should be prepared to bear the potential risk of loss. Birchcreek Wealth will assist Clients in determining an appropriate strategy based on their tolerance for risk and other factors noted above. However, there is no guarantee that a Client will meet their investment goals.

While the methods of analysis help the Advisor in evaluating a potential investment, it does not guarantee that the investment will increase in value. Assets meeting the investment criteria utilized in these methods of analysis may lose value and may have negative investment performance. The Advisor monitors these economic indicators to determine if adjustments to strategic allocations are appropriate. More details on the Advisor's review process are included below in Item 13 – Review of Accounts.

Each Client engagement will entail a review of the Client's investment goals, financial situation, time horizon, tolerance for risk and other factors to develop an appropriate strategy for managing a Client's account. Client participation in this process, including full and accurate disclosure of requested information, is essential for the analysis of a Client's account[s]. The Advisor shall rely on financial and other information provided by the Client or their designees without the duty or obligation to validate the accuracy and completeness of the provided information. It is the responsibility of the Client to inform the Advisor of any changes in financial condition, goals or other factors that may affect this analysis.

The risks associated with a particular strategy are provided to each Client in advance of investing Client accounts. The Advisor will work with each Client to determine their tolerance for risk as part of the portfolio construction process.

Following are some of the risks associated with the Advisor's strategies:

Market Risks

The value of a Client's holdings may fluctuate in response to events specific to companies or markets, as well as economic, political, or social events in the U.S. and abroad. This risk is linked to the performance of the overall financial markets.

Mutual Fund Risks

The performance of mutual funds is subject to market risk, including the possible loss of principal. The price of the mutual funds will fluctuate with the value of the underlying securities that make up the funds. The price of a mutual fund is typically set daily therefore a mutual fund purchased at one point in the day will typically have the same price as a mutual fund purchased later that same day.

Past performance is not a guarantee of future returns. Investing in securities and other investments involve a risk of loss that each Client should understand and be willing to bear. Clients are reminded to discuss these risks with the Advisor.

Item 9 – Disciplinary Information

There are no legal, regulatory or disciplinary events involving Birchcreek Wealth or its Supervised Persons. Birchcreek Wealth values the trust you place in us. As we advise all Clients, we encourage you to perform the requisite due diligence on any advisor or service provider with whom you partner. Our backgrounds are available on the Investment Adviser Public Disclosure website at www.adviserinfo.sec.gov by searching with our firm name or our CRD# 304207.

Item 10 – Other Financial Industry Activities and Affiliations

Insurance Agency Affiliations

Mr. Johnson is also a licensed insurance professional. Implementations of insurance recommendations are separate and apart from Mr. Johnson's role with Birchcreek. As an insurance professional, Mr. Johnson may receive customary commissions and other related revenues from the various insurance companies whose products are sold. Mr. Johnson is not required to offer the products of any particular insurance company. Commissions generated by insurance sales do not offset regular advisory fees. This may cause a conflict of interest in recommending certain products of the insurance companies. Clients are under no obligation to implement any recommendations made by Mr. Johnson or the Advisor.

Item 11 – Code of Ethics, Participation or Interest in Client Transactions and Personal Trading

A. Code of Ethics

Birchcreek Wealth has implemented a Code of Ethics that defines our fiduciary commitment to each Client. This Code of Ethics applies to all persons associated with Birchcreek Wealth (our "Supervised Persons"). The Code of Ethics was developed to provide general ethical guidelines and specific instructions regarding our duties to you, our Client. Birchcreek Wealth and its personnel owe a duty of loyalty, fairness and good faith towards each Client. It is the obligation of Birchcreek Wealth associates to adhere not only to the specific provisions of the Code, but also to the general principles that guide the Code. The Code of Ethics covers a range of topics that address ethics and conflicts of interest. To request a copy, please contact us at (937) 567-0646.

B. Personal Trading with Material Interest

Birchcreek Wealth allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. Birchcreek Wealth does not act as principal in any transactions. In addition, the Advisor does not act as the general partner of a fund or advise an investment company. Birchcreek Wealth does not have a material interest in any securities traded in Client accounts.

C. Personal Trading in Same Securities as Clients

Birchcreek Wealth allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients. Owning the same securities, we recommend (purchase or sell) to you presents a potential conflict of interest that, as fiduciaries, we must disclose to you and mitigate through policies and procedures. As noted above, we have adopted a Code of Ethics, which addresses insider trading (material non-public information controls) and personal securities reporting procedures. When trading for personal accounts, employees of Birchcreek Wealth may have a conflict of interest if trading in the same securities. The

fiduciary duty to act in the best interest of its Clients can potentially be violated if personal trades are made with more advantageous terms than Client trades, or by trading based on material non-public information. This risk is mitigated by Birchcreek Wealth requiring reporting of personal securities trades by its Supervised Persons for review by the Chief Compliance Officer ("CCO") or delegate. We have also adopted written policies and procedures to detect the misuse of material, non-public information.

D. Personal Trading at Same Time as Client

While Birchcreek Wealth allows our Supervised Persons to purchase or sell the same securities that may be recommended to and purchased on behalf of Clients, such trades are typically aggregated with Client orders or traded afterwards. **At no time will any associated person of Birchcreek Wealth, transact in any security to the detriment of any Client.**

Item 12 – Brokerage Practices

A. Recommendation of Custodian[s]

Birchcreek Wealth does not have discretionary authority to select the broker-dealer/custodian for custody and execution services. The Client will engage the broker-dealer/custodian (herein the "Custodian") to safeguard Client assets and authorize Birchcreek Wealth to direct trades to the Custodian as agreed upon in the investment advisory agreement. Further, Birchcreek Wealth does not have the discretionary authority to negotiate commissions on behalf of our Clients on a trade-by-trade basis.

Where Birchcreek Wealth does not exercise discretion over the selection of the Custodian, it may recommend the Custodian to Clients for custody and execution services. Clients are not obligated to use the Custodian recommended by Birchcreek Wealth. However, the Advisor may be limited in the services it can provide if the recommended Custodian is not engaged. Birchcreek Wealth may recommend the Custodian based on criteria such as, but not limited to, reasonableness of commissions charged to the Client, services made available to the Client, its reputation, and/or the location of the Custodian's offices. Birchcreek Wealth will generally recommend that Clients establish their account[s] with Fidelity Clearing & Custody Solutions, a related entity of Fidelity Investments, Inc. (collectively "Fidelity"). Fidelity will serve as the Client's "qualified custodian". Birchcreek Wealth maintains an institutional relationship with Fidelity, whereby the Advisor receives economic benefits from Fidelity. Following are additional details regarding the brokerage practices of the Advisor:

1. Soft Dollars - Soft dollars are revenue programs offered by broker-dealers/custodians whereby an advisor enters into an agreement to place security trades with the broker-dealer/custodian in exchange for research and other services. **Birchcreek Wealth does not participate in soft dollar programs sponsored or offered by any broker-dealer/custodian but does receive economic benefits from Fidelity. Please see Item 14 below.**

2. Brokerage Referrals - Birchcreek Wealth does not receive any compensation from any third party in connection with the recommendation for establishing an account.

3. Directed Brokerage - All Clients are serviced on a "directed brokerage basis", where Birchcreek Wealth will place trades within the established account[s] at the Custodian designated by the Client. Further, all Client accounts are traded within their respective account[s] at the Custodian. The Advisor will not engage in any principal transactions (i.e., trade of any security from or to the Advisor's own account) or cross transactions with other Client accounts (i.e., purchase of a security into one Client account from another Client's account[s]). Birchcreek Wealth will not be obligated to select competitive bids on securities transactions and does not have an obligation to seek the lowest available transaction costs. These costs are determined by the Custodian.

B. Aggregating and Allocating Trades

The primary objective in placing orders for the purchase and sale of securities for Client accounts is to obtain the most favorable net results taking into account such factors as 1) price, 2) size of order, 3) difficulty of execution, 4) confidentiality and 5) skill required of the Custodian. Birchcreek Wealth will execute its transactions through the Custodian. Birchcreek Wealth may aggregate orders in a block trade or trades when securities are purchased or sold through the Custodian for multiple (discretionary) accounts. If a block trade cannot be executed in full at the same price or time, the securities actually purchased or sold by the close of each business day must be allocated in a manner that is consistent with the initial pre-allocation or other written statement. This must be done in a way that does not consistently advantage or disadvantage particular Client accounts.

Item 13 – Review of Accounts

A. Frequency of Reviews

Securities in Client accounts are monitored on a regular and continuous basis by the CCO. The CCO also has oversight of investment advisory processes. Formal reviews are generally conducted at least annually or more frequently depending on the needs of the Client. Clients are offered an annual financial plan, subject to scope of their agreement with the Advisor.

B. Causes for Reviews

In addition to the investment monitoring noted in Item 13.A., each Client account shall be reviewed at least annually. Reviews may be conducted more or less frequently at the Client's request. Accounts may be reviewed as a result of major changes in economic conditions, known changes in the Client's financial situation, and/or large deposits or withdrawals in the Client's account[s]. The Client is encouraged to notify Birchcreek Wealth if changes occur in the Client's personal financial situation that might adversely affect the Client's investment plan. Additional reviews may be triggered by material market, economic or political events.

C. Review Reports

The Client will receive brokerage statements no less than quarterly from the Custodian. These brokerage statements are sent directly from the Custodian to the Client. The Client may also establish electronic access to the Custodian's website so that the Client may view these reports and their account activity. Client brokerage statements will include all positions, transactions and fees relating to the Client's account[s]. The Advisor may also provide Clients with periodic reports regarding their holdings, allocations, and performance.

Item 14 – Client Referrals and Other Compensation

A. Compensation Received by Birchcreek Wealth

Transition Assistance (Fidelity)

In transitioning its business to Fidelity, Birchcreek received financial incentives and support in the form of Transition Assistance. The receipt of Transition Assistance creates conflicts of interest relating to Birchcreek's advisory business because it creates a financial incentive to recommend that its clients maintain their accounts with Fidelity. We encourage you to discuss any such conflicts of interest with your Advisory Person before making a decision to custody your assets at Fidelity.

Participation in Institutional Advisor Platform

Birchcreek Wealth has established an institutional relationship with Fidelity to assist the Advisor in managing Client account[s]. The Advisor receives access to software and related support as part of its relationship with Fidelity. The software and related systems support may benefit the Advisor, but not its Clients directly. In fulfilling its duties to its Clients, the Advisor endeavors at all times to put the interests of its Clients first. Clients should be aware, however, that the receipt of economic benefits from a Custodian creates a potential conflict of interest since these benefits may influence the Advisor's recommendation of the Custodian over one that does not furnish similar software, systems support, or services. Additionally, the Advisor may receive the following benefits from Fidelity: financial start-up support; reimbursement to Clients for transfer costs to the platform/custodian; financing services, receipt of duplicate Client confirmations and bundled duplicate statements; access to a trading desk that exclusively services its institutional participants; access to block trading which provides the ability to aggregate securities transactions and then allocate the appropriate shares to Client accounts; and access to an electronic communication network for Client order entry and account information.

B. Client Referrals from Solicitors

The Advisor does not engage paid solicitors.

Item 15 – Custody

Birchcreek Wealth does not accept or maintain custody of any Client accounts, except for the authorized deduction of the Advisor's fee. All Clients must place their assets with a "qualified custodian". Clients are required to engage the Custodian to retain their funds and securities and direct Birchcreek Wealth to utilize the Custodian for the Client's security transactions. Birchcreek Wealth encourages Clients to review statements provided by the

Custodian. For more information about custodians and brokerage practices, see Item 12 - Brokerage Practices.

Item 16 – Investment Discretion

Birchcreek Wealth generally has discretion over the selection and amount of securities to be bought or sold in Client accounts without obtaining prior consent or approval from the Client. However, these purchases or sales may be subject to specified investment objectives, guidelines, or limitations previously set forth by the Client and agreed to by Birchcreek Wealth. Discretionary authority will only be authorized upon full disclosure to the Client. The granting of such authority will be evidenced by the Client's execution of an Investment Advisory Agreement containing all applicable limitations to such authority. All discretionary trades made by Birchcreek Wealth will be in accordance with each Client's investment objectives and goals. For Clients with account[s] established at an Independent Manager, those account[s] will also be managed by those parties on a discretionary basis.

Item 17 – Voting Client Securities

Birchcreek Wealth does not accept proxy-voting responsibility for any Client. Clients will receive proxy statements directly from the Custodian. The Advisor will assist in answering questions relating to proxies, however, the Client retains the sole responsibility for proxy decisions and voting.

Item 18 – Financial Information

Neither Birchcreek Wealth, nor its management, have any adverse financial situations that would reasonably impair the ability of Birchcreek Wealth to meet all obligations to its Clients. Neither Birchcreek Wealth, nor any of its advisory persons, have been subject to a bankruptcy or financial compromise. Birchcreek Wealth is not required to deliver a balance sheet along with this Disclosure Brochure as the Advisor does not collect fees of \$1,200 or more for services to be performed six months or more in advance.

CERTIFIED FINANCIAL PLANNER™ (“CFP®”)

The CERTIFIED FINANCIAL PLANNER™, CFP® and federally registered CFP® (with flame design) marks (collectively, the “CFP® marks”) are professional certification marks granted in the United States by Certified Financial Planner Board of Standards, Inc. (“CFP® Board”).

The CFP® certification is a voluntary certification; no federal or state law or regulation requires financial planners to hold CFP® certification. It is recognized in the United States and a number of other countries for its (1) high standard of professional education; (2) stringent code of conduct and standards of practice; and (3) ethical requirements that govern professional engagements with clients. Currently, more than 71,000 individuals have obtained CFP® certification in the United States.

To attain the right to use the CFP® marks, an individual must satisfactorily fulfill the following requirements:

- *Education* – Complete an advanced college-level course of study addressing the financial planning subject areas that CFP® Board's studies have determined as necessary for the competent and professional delivery of financial planning services, and attain a Bachelor's Degree from a regionally accredited United States college or university (or its equivalent from a foreign university). CFP® Board's financial planning subject areas include insurance planning and risk management, employee benefits planning, investment planning, income tax planning, retirement planning, and estate planning;
- *Examination* – Pass the comprehensive CFP® Certification Examination. The examination includes case studies and client scenarios designed to test one's ability to correctly diagnose financial planning issues and apply one's knowledge of financial planning to real world circumstances;
- *Experience* – Complete at least three years of full-time financial planning-related experience (or the equivalent, measured as 2,000 hours per year); and
- *Ethics* – Agree to be bound by CFP® Board's *Standards of Professional Conduct*, a set of documents outlining the ethical and practice standards for CFP® professionals.

Individuals who become certified must complete the following ongoing education and ethics requirements in order to maintain the right to continue to use the CFP® marks:

- *Continuing Education* – Complete 30 hours of continuing education hours every two years, including two hours on the *Code of Ethics* and other parts of the *Standards of Professional Conduct*, to maintain competence and keep up with developments in the financial planning field; and
- *Ethics* – Renew an agreement to be bound by the *Standards of Professional Conduct*. The *Standards* prominently require that CFP® professionals provide financial planning services at a fiduciary standard of care. This means CFP® professionals must provide financial planning services in the best interests of their clients.

CFP® professionals who fail to comply with the above standards and requirements may be subject to CFP® Board's enforcement process, which could result in suspension or permanent revocation of their CFP® certification.
