Item 4 – Other Business Activities

Steven M. White is an investment advisor representative and an insurance agent with Innovation Partners LLC. Mr. White holds an Insurance License in the states of FL, IN, MI, OH, VA and WI. Mr. White is the owner of Steven M. White LLC and Steven M. White and Associates. Mr. White receives commissions from the sale of fixed life insurance and brokerage related products. He also receives a fee for HR and Payroll Support Services. Innovation Partners LLC is not affiliated with Steven M. LLC nor Steven M. White and Associates.

Innovation Partners LLC (IPLLC) is registered as a broker/dealer and registered investment advisor and is also a licensed Insurance agency. Our representatives are registered with IPLLC as registered representatives and or investment advisor representative and may also be licensed insurance agents. IPLLC and our representatives, acting in capacity as insurance agents, will earn commission-based compensation for selling insurance products such as life, health, and long term care products. Insurance commissions are separate from our advisory fees. This practice presents a conflict of interest where representatives providing investment advice on behalf of our firm and who are also insurance agents may have an incentive to recommend insurance products to clients for the purpose of generating commissions. In addition, IPLLC is a fiduciary and must act in the best interest of clients. Clients are under no obligation, contractually or otherwise, to purchase insurance products or any other products through IPLLC.

IPLLC and our representatives may recommend that clients use a third-party investment advisor ("TPIA") based on their needs and suitability. Prior to referring clients to third party advisors IPLLC ensures that the third-party advisors are duly licensed or notice filed with the Department of Corporations or other appropriate jurisdictions. IPLLC and our representatives may receive compensation from these TPIAs for recommending that clients use their services. This compensation generally takes the form of the TPIA sharing a percentage of the advisory fee the client pays to them with IPLLC and the respective representative.

Innovation Partners LLC: Form ADV, Part 2B Steven Michael White

These compensation arrangements present a conflict of interest because IPLLC and our representatives may have a financial incentive to recommend TPIAs that pay fees rather than those that don't. In addition, IPLLC and our representatives may have a conflict to refer clients to those TPIAs that pay higher fees over those that pay lower fees. Clients are not obligated, contractually or otherwise, to use the services of any TPIA that IPLLC or our representatives recommend.

IPLLC provides actuarial and other consulting services. The fees for such services are separate and apart from the advisory fees charged by IPLLC.

The actuarial and other consulting services that IPLLC provides include but are not limited to the following:

- Actuarial Analysis
- Stochastic Analysis
- Risk Analysis
- Charitable Lead Annuity Tax Planning
- Structured Tax Planning
- Income and Withdrawal Planning
- Benefit and Compensation Planning
- Life, Health, and Disability Analysis
