**Item 4 - Other Business Activities Engaged In**

John Shedenhelm has a financial affiliated business as an independent insurance agent. Less than 60% of his time is spent on this activity. He will offer Clients services from this activity. As an insurance agent, he may receive separate yet typical compensation.

This practice represents a conflict of interest because it gives an incentive to recommend products based on the commission amount received. This conflict is mitigated by disclosures, procedures and the firm's fiduciary obligation to place the best interest of the Client first and the Clients are not required to purchase any products. Clients have the option to purchase these products through another insurance agent of their choosing.
