ITEM 4- OTHER BUSINESS ACTIVITIES

Jose Macouzet is the owner of Lunimac, LLC, and NILUMAC LLC. Both are non-investment related companies to which he devotes approximately one hour per month.

Mr. Macouzet is currently also registered with GBM International, Inc., an affiliated FINRA broker/dealer, and spends approximately 25% of his time in a registered representative capacity with GBM International, Inc. This dual registration is deemed to be a material conflict of interest because Mr. Macouzet could recommend clients invest through an account based upon the amount of commissions or other income that could be earned by the Firm rather than an advisory fee based upon the client's assets under management or what may be in the clients' best interests. Execution of transactions through GBM International, Inc. may present a potential conflict of interest.

The Firm mitigates this conflict by reviewing the commissions generated in client accounts and, if needed, compares them to the advisory fee that would have been received, and vice versa. All transactions executed through GBM International, Inc. are effected at arms-length, and commissions paid are competitive with those paid by other GBM International, Inc. clients. These commissions are reviewed on a regular basis to ensure they are in compliance with GBM International, Inc.'s brokerage policies. Furthermore, Mr. Macouzet does not receive revenue-based compensation on either type of account.
