Item 3 Disciplinary Information:

Registered investment advisers are required to disclose all material facts regarding any legal or disciplinary events that may be material to your evaluation of each supervised person providing investment advice. There is no information applicable to this requirement.

Item 4 Other Business Activities:

As set forth in Item 2 above, Mr. Wells is an investment advisor representative for Wells Investments, Inc., an investment advisory representative with Wells Global Investment Advisers LLC (“Wells Global”) and a registered representative and insurance agent of Valor Financial Securities LLC (“Valor”). He may receive commissions, bonuses or other cash or non-cash compensation from these entities that are under common ownership with Wells Global. This compensation represents a substantial part of his income. This arrangement potentially gives Mr. Wells an incentive to recommend investment or insurance products based on the compensation received, rather than on the client’s needs. This practice presents a conflict of interest because persons providing investment advice on behalf of our firm who are registered representatives have an incentive to effect securities transactions for the purpose of generating commissions and/or 12b-1 fees rather than solely based on your needs. However, you are under no obligation to purchase securities products or insurance products through any person affiliated with our firm. Mr. Wells is also employed by Trust Protector LLC, a company under common ownership. This presents a conflict of interest because Mr. Wells has an incentive to encourage clients to use Trust Protector services for additional compensation for additional services. You are under no obligation to use any services provided by Trust Protector. Mr. Wells is not actively engaged in any noninvestment-related business or occupation that requires a substantial amount of his time.

Item 5 Additional Compensation:

Mr. Wells receives compensation from noninvestment related activities. The majority of Mr. Wells’ time, efforts and compensation are related to investment oriented activities.

Item 6 Supervision:

Mr. Wells is the CEO of the firm. There is no person at the firm senior to Mr. Wells. His telephone number is 863-294-3361. Ultimately, Mr. Wells shares responsibility for supervision of the individuals providing investment advice to clients with a compliance officer. Given the number of clients and employees at the firm, supervision is performed on an individual basis.

Item 7 Requirements for State-Registered Advisers:

Mr. Wells has never been subject to an award or has otherwise been found liable in any arbitration claim involving an investment or an investment-related business activity; fraud, false statement(s), or omissions; theft, embezzlement, or other wrongful taking of property; bribery, forgery, counterfeiting, or extortion; or dishonest, unfair, or unethical practices. Mr. Wells has never been subject to an award or has otherwise been found liable in any civil, self-regulatory organization, or administrative proceeding involving an investment or an investment-related business or activity; bribery, forgery, counterfeiting, or extortion; or dishonest, unfair, or unethical practices.
