This brochure supplement provides information about Amir Hekmati that supplements the Sizemore Capital Management brochure. You should have received a copy of that brochure. Please contact Sizemore Capital Management LLC at the address listed above if you did not receive the brochure or if you have any questions about the contents of this supplement.

Additional information is available on the SEC's website at www.adviserinfo.sec.gov.

Educational Background and Business Experience

Amir Hekmati is a Portfolio Manager and strategy developer for Sizemore Capital Management. He joined the firm in June 2020.

Prior to joining Sizemore Capital Management, Mr. Hekmati founded TradeFlow in 2016, where he served as an Algorithm Developer for strategies in equity options, volatility products, and energy. He additionally advised investors on geopolitical risk in the Middle East and North Africa region.

From 2010 to 2016, Mr. Hekmati served as a Research Manager for the United States Department of Defense where, among other responsibilities, he served as an advisor to department leadership in Iraq and Afghanistan on issues to include Telecom, Mining, and Energy Infrastructure.

From 2009 to 2010, Mr. Hekmati was a CENTCOM Analyst for the Cubic Corporation, where he acted as lead analyst to Marine Corps Tactical Training teams responsible for advising, and training the Afghan National Army. He conducted daily, classified intelligence briefings to USMC officers deploying overseas and acted as liaison to Afghan Special Forces and USMC advisors.

Mr. Hekmati is a former Marine Corps combat veteran and graduated magna cum laude from the University of Michigan with a bachelor's degree in economics.

Mr. Hekmati holds a Series 66 securities license.

Disciplinary Action

Mr. Hekmati is not currently subject to any disciplinary actions by state, federal or industry regulators, nor has he been subject to any historical disciplinary actions.

Other Business Activities

Mr. Hekmati continues to serve as Algorithm Developer for TradeFlow. Additionally, he manages a portfolio for Collective2, a trading software company. He also serves as a business consultant for LithGold Minerals Ltd., an Australian-based mining company.

Additional Compensation

Mr. Hekmati receives royalties for the portfolio strategy he developed for Collective2.

Supervision

Mr. Hekmati is supervised by Charles Lewis Sizemore, CFA, the principal of the firm. Mr. Sizemore can be reached at 214-265-6597. Additionally, Mr. Hekmati is a holder of the Series 66 "Uniform Combined State Law Examination" securities license.
