This brochure supplement provides information about Mario Randholm that supplements the Sizemore Capital Management brochure. You should have received a copy of that brochure. Please contact Sizemore Capital Management LLC at the address listed above if you did not receive the brochure or if you have any questions about the contents of this supplement.

Additional information is available on the SEC's website at www.adviserinfo.sec.gov.

Educational Background and Business Experience

Mario Randholm is Head Trader and Portfolio Manager for Sizemore Capital Management LLC. Prior to joining the firm, he was the founder of Randholm & Co., an investment management company specializing in quantitative strategies, serving clients globally.

Mr. Randholm has over fifteen years of experience working as a proprietary trader and portfolio manager in the United States, Europe and South America. He has extensive experience in modelling financial derivatives and in building quantitative trading strategies with low correlations to traditional equity benchmarks.

Prior to founding Randholm & Co., Mr. Randholm worked with Nexus Capital in New York as an analyst and trader. While based in Madrid, he held the positions of Proprietary Trader and Strategic Corporate Analyst at Spanish multinational bank BBVA. Mr. Randholm interned at Merrill Lynch while completing his undergraduate studies.

Mr. Randholm additionally serves as an adjunct Professor of Finance at the IE Business School in Madrid, Spain. He also holds an MBA from the IE Business School and a BBA in Management with Specialization in Finance from Adelphi University in New York.

Mr. Randholm holds the Series 3 and Series 65 securities licenses.

Disciplinary Action

Mr. Randholm is not currently subject to any disciplinary actions by state, federal or industry regulators, nor has he been subject to any historical disciplinary actions.

Other Business Activities

Apart from his responsibilities at Sizemore Capital Management, Mr. Randholm serves as a trader for a private family office in Spain where his responsibilities include managing market exposures and portfolio management.

Mr. Randholm also serves as an adjunct professor at the IE Business School in Madrid, Spain, where he enjoys teaching finance and trading to graduate students.

Additional Compensation

Mr. Randholm is compensated for his work at the family office with an incentive fee based on the performance of the portfolio. He also receives a salary for his work as a professor at the IE Business School.

Supervision

Mr. Randholm is supervised by Charles Lewis Sizemore, CFA, the principal of the firm. Mr. Sizemore can be reached at 214-265-6597. Additionally, Mr. Randholm is a holder of the Series

65 “Uniform Investment Adviser Law Exam” securities license and the Series 3 “National Commodities Futures Exam” licenses.
