Additional Information: You will pay fees and costs whether you make or lose money on your investments. Fees and costs will reduce any amount of money you make on your investments over time. Please make sure you understand what fees and costs you are paying.

Conversation Starters & Key Questions to Ask Your Investment Advisor:

- *Help me understand how these fees and costs might affect my investments. If I give you \$5,000,000 to invest, how much will go to fees and costs, and how much will be invested for me?*
- *What are your legal obligations to me when acting as my investment adviser? How else does your firm make money and what conflicts of interest do you have?*

Standard of Conduct:

When we act as your investment adviser, we have to act in your best interest and not put our interest ahead of yours. At the same time, the way we make money creates some conflicts with your interests. You should understand and ask us about these conflicts because they can affect the investment advice we provide you. An example of a conflict is Righthand Capital receives additional compensation when a client adds money to increase the accounts value.
