<sup>1</sup> Power of The Dream Ventures Inc. settled with the Commission and is no longer part of this proceeding. *IMK Grp.*, Exchange Act Release No. 82079, 2017 SEC LEXIS 3595 (Nov. 14, 2017).

## Introduction

On September 22, 2017, the Commission initiated this proceeding under Section 12(j) of the Securities Exchange Act of 1934 with an order instituting proceedings (OIP). The OIP alleges that Respondents have securities registered with the Commission under Exchange Act Section 12(g) and have repeatedly failed to file timely periodic reports with the Commission, in violation of Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder.

A different administrative law judge originally presided over this proceeding and issued an initial decision of default against Respondents.<sup>2</sup> But the Commission vacated that decision following the Supreme Court's decision in *Lucia v. SEC*,<sup>3</sup> and the matter was reassigned to me to provide Respondents with the opportunity for a new hearing.<sup>4</sup> Respondents were directed to propose how further proceedings should be conducted.<sup>5</sup> But none did. I therefore proceeded under the Commission's instruction to not give weight to or otherwise presume the correctness of any prior opinions, orders, or rulings issued by the prior administrative law judge.<sup>6</sup>

After independently reviewing evidence submitted by the Division, I determined that Respondents were served with the OIP by September 29, 2017, and their answers were due by October 10, 2017.<sup>7</sup> On October 23, 2018, I noted that Respondents had not filed answers and ordered them to show cause by November 2, 2018, why the registrations of their securities should not be revoked by default due to their failure to file answers or otherwise

defend the proceeding.<sup>8</sup> To date, Respondents have not filed answers, submitted proposals, or responded to the show cause order.

### **Findings of Fact**

Respondents are in default for failing to file answers, file proposals for how further proceedings should be conducted, or otherwise defend the proceeding.<sup>9</sup> Accordingly, as authorized by Rule of Practice 155(a),<sup>10</sup> I find the following allegations in the OIP to be true.

IMK Group, Inc., Central Index Key (CIK) No. 1321710 and ticker symbol IMKG, is a void Delaware corporation located in Mapo-Gu, Seoul, Korea, with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). The company is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q for the period ended November 30, 2015, which reported a comprehensive loss of \$834,882 for the prior nine months. As of September 5, 2017, the company's common stock was quoted on OTC Link operated by OTC Markets Group Inc., had five market makers, and was eligible for the "piggyback" exception of Exchange Act Rule 15c2-11(f)(3).

MobileBits Holdings Corporation, CIK No. 1448780 and ticker symbol MBIT, is a defaulted Nevada corporation located in Sarasota, Florida, with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). The company is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-K for the period ended October 31, 2014, which reported a net loss of \$11,802,694 for the prior year. As of September 5, 2017, the company's common stock was quoted on OTC Link, had six market makers, and was eligible for the "piggyback" exception of Exchange Act Rule 15c2-11(f)(3).

National Energy Services, Inc., CIK No. 1415998 and ticker symbol NESV, is a revoked Nevada corporation located in Las Vegas, Nevada, with a class of securities registered with the Commission pursuant to Exchange Act Section 12(g). The company is delinquent in its periodic filings with the Commission, having not filed any periodic reports since it filed a Form 10-Q

for the period ended September 30, 2015, which reported a net loss of \$5,808,499 for the prior nine months. As of September 5, 2017, the company's common stock was quoted on OTC Link, had seven market makers, and was eligible for the "piggyback" exception of Exchange Act Rule 15c2-11(f)(3).

In addition to their repeated failures to file timely periodic reports, Respondents failed to heed delinquency letters sent to them by the Commission's Division of Corporation Finance requesting compliance with their periodic filing obligations or, through their failure to maintain a valid address on file with the Commission as required by Commission rules, did not receive such letters.

### **Conclusions of Law**

Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 require public corporations to file annual and quarterly reports with the Commission. Compliance with these reporting requirements is mandatory.<sup>11</sup> Scierter is not required to establish violations of Exchange Act Section 13(a) and Rules 13a-1 and 13a-13.<sup>12</sup> Respondents failed to file timely periodic reports. As a result, Respondents failed to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13.

### **Sanction**

Under Exchange Act Section 12(j), the Commission is authorized, "as it deems necessary or appropriate for the protection of investors," to revoke the registration of a security or suspend the registration for a period not exceeding twelve months if it finds, after notice and an opportunity for hearing, that the issuer of the security has failed to comply with any provision of the Exchange Act or rules thereunder. In determining what sanctions will ensure that investors are adequately protected, the Commission "consider[s], among other things, the seriousness of the issuer's violations, the isolated or recurrent nature of the violations, the degree of culpability involved, the extent of the issuer's efforts to remedy its past

violations and ensure future compliance, and the credibility of its assurances, if any, against further violations.”<sup>13</sup>

Respondents’ failures to file required periodic reports are serious because they constitute violations of a central provision of the Exchange Act. The purpose of periodic reporting is “to supply investors with current and accurate financial information about an issuer so that they may make sound [investment] decisions.”<sup>14</sup> The reporting requirements are the primary tool that Congress “fashioned for the protection of investors from negligent, careless, and deliberate misrepresentations” in the sale of securities.<sup>15</sup> Respondents’ violations are also recurrent in that they repeatedly failed to file periodic reports for nearly three years.<sup>16</sup> Respondents are culpable because they knew or should have known about the reporting requirements. They further failed to heed delinquency letters sent to them by the Division of Corporation Finance. Even if Respondents did not receive such letters due to their failure to maintain a valid address on file with the Commission as required by Commission rules, the other factors weigh in favor of revocation, and scienter is not necessary to establish grounds for revocation.<sup>17</sup> In any event, there is no indication that Respondents’ violations were inadvertent or accidental.<sup>18</sup> And there is no evidence that Respondents have made any effort to remedy their past violations or ensure future compliance. Respondents have not answered the OIP or responded to the show cause order, have not

For the reasons described above, it is necessary and appropriate for the protection of investors to revoke the registration of each class of Respondents' registered securities.
