CHINA VALVES TECHNOLOGY, INC. : ORDER

The Securities and Exchange Commission instituted this proceeding with an Order Instituting Proceedings, pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act), on September 29, 2014. The OIP alleges that Respondent is a corporation with a class of securities registered with the Commission pursuant to Section 12(g) of the Exchange Act and has repeatedly failed to file required periodic reports. A prehearing conference, at which both parties appeared, was held today.

The parties reported that they have engaged in settlement discussions which, so far, have not been fruitful. Accordingly, the Division of Enforcement (Division) requested, and was granted, leave to file a motion for summary disposition, pursuant to 17 C.F.R. § 201.250. The following schedule, proposed by the parties, was adopted: the Division's motion for summary disposition will be due January 9, 2015; China Valves Technology, Inc.'s opposition and the Division's reply will be due January 23 and January 30, 2015, respectively.
