An Initial Decision was issued in this proceeding on February 25, 2015. *Donald J. Anthony*, Initial Decision Release No. 745, 2015 SEC LEXIS 707. Several of the Respondents have since filed timely motions to correct, pursuant to Commission Rules (Rule) of Practice 111(h). 17 C.F.R. § 201.111(h). Under Rule 111(h), a brief in opposition must normally be filed within five days of a motion to correct. *See* 17 C.F.R. § 201.111(h). However, on March 9, 2015, this Office received a letter from the Division of Enforcement (Division), suggesting that a combined response to the Respondents' motions would be most efficient, and requesting its deadline to file an opposition be extended until March 20, 2015. Since then, at least one of the Respondents has indicated that he does not oppose the Division's request.

For good cause shown, and pursuant to my authority under Rule 111, I GRANT the Division's motion, and ORDER that its brief in opposition to Respondents' motions to correct is due by March 20, 2015.
