In the Matter of

VOLT SOLAR SYSTEMS, INC.

ORDER POSTPONING
PREHEARING CONFERENCE

On August 4, 2015, the Securities and Exchange Commission issued an Order Instituting Administrative Proceedings (OIP) against Respondent, pursuant to Section 12(j) of the Securities Exchange Act of 1934. A telephonic prehearing conference is scheduled for September 28, 2015.

On September 21, 2015, the Division of Enforcement submitted a notice of service, with attachments, stating that the OIP was served on Respondent by August 4, 2015. I find the Division's notice insufficient for two reasons. One, it states that service was accomplished on August 4, 2015, but this date is unsupported and appears to be contradicted by the notice's attachments, which show attempted delivery on a later date. Two, the document does not specify the address at which delivery of the OIP was attempted.

Accordingly, the telephonic prehearing conference scheduled for September 28, 2015, is POSTPONED, and will be held at 9:30 a.m. EDT on October 28, 2015, if the proceeding has not been resolved before then. The Division is instructed to file a declaration of service by Monday, September 28, 2015.
