ORDER GRANTING EXTENSION

On March 8, 2017, Respondents requested a one-week extension to file proposed transcript corrections, from March 10 to March 17, 2017. Respondents represent that the Division of Enforcement opposes the request. The request is GRANTED, the Division’s opposition notwithstanding. As Respondents state, it is unlikely that any proposed stipulations of fact, which the parties must exchange by March 17, 2017, would hinge upon a mistake in the hearing transcript. And insofar as any proposed transcript corrections might alter proposed stipulations submitted contemporaneously, the parties will have seven days to file objections to improper corrections and to respond to each other’s proposed stipulations. Accordingly, the parties may file proposed transcript corrections by March 17, 2017, and objections to those proposed corrections by March 24, 2017.
