Administrative Proceeding
File No. 3-18038

In the Matter of

**Energy Edge Technologies Corp.,
Focus Gold Corp., and
New York Sub Co.**

**Order Scheduling Prehearing
Conference and Discharging
Order to Show Cause as to New
York Sub Co.**

On June 20, 2017, the Securities and Exchange Commission issued an order instituting proceedings (OIP) against Respondents pursuant to Section 12(j) of the Securities Exchange Act of 1934, alleging that Respondents have securities registered with the Commission and are delinquent in their periodic filings.

Respondents were served with the OIP on June 22, 2017 and their answers were due July 5, 2017. *Energy Edge Techs. Corp.*, Admin. Proc. Rulings Release No. 4909, 2017 SEC LEXIS 2040 (ALJ July 7, 2017). No Respondent filed an answer by that date, and on July 7 I ordered Respondents to show cause why the registrations of their securities should not be revoked by default due to their failures to file answers or otherwise defend the proceeding. *Id.*

On July 18, 2017, Respondent New York Sub Co. submitted a motion for continuance, requesting that the deadline for it to show cause be extended by two weeks. The motion includes a June 27, 2017, letter to the Division of Corporation Finance's Office of Enforcement Liaison that New York Sub Co. apparently meant to function as an answer. The letter states the company's intention to "have all of the required filings completed no later than August 15, 2017." Although the motion for continuance does not explain why the letter was sent only to Corporation Finance and not filed in this proceeding, it appears Respondent wishes to defend this proceeding.

The motion for continuance and the attached letter are construed as both an answer and response to the order to show cause. The order to show cause is DISCHARGED as to New York Sub Co.

Further, I ORDER that a telephonic prehearing conference is set for July 27, 2017, at 2:00 p.m. Eastern (11:00 a.m. Pacific) and that the August 25, 2017, prehearing conference is canceled.
