Administrative Proceeding
File No. 3-17352

In the Matter of

**Saving2Retire, LLC, and
Marian P. Young**

**Order Regarding Personally
Identifiable Information**

Upon review, many of the exhibits offered at the hearing on May 16, 2017, contain personally identifiable information, including, but not necessarily limited to, full home addresses, account numbers, and complete financial account records. *See, e.g.*, Div. Exs. 24–44. Federal law restricts the disclosure of such personally identifiable information. *See, e.g.*, 5 U.S.C. §§ 552(b)(4), 552a. The harm resulting from the disclosure of this information outweighs the benefits. *See* 17 C.F.R. § 201.322(b).

Each party is ORDERED to file, by September 18, 2017, a declaration identifying all exhibits offered by that party that contain personally identifiable information; proposing whether the exhibits should be redacted or sealed; and, where redactions are appropriate, submitting redacted versions of the exhibits labeled by appending an “R” to the exhibit number and bearing the legend “REDACTED FOR PUBLIC RECORD.” The parties are advised that because evidence introduced in public hearings is presumed to be public, I consider redaction of personally identifiable information more appropriate than sealing entire exhibits insofar as redaction is practicable. *See* 17 C.F.R. § 201.322(b); *Nixon v. Warner Commc’ns, Inc.*, 435 U.S. 589, 597 (1978). The Office of the Secretary has been alerted that exhibits in the record currently contain unredacted personally identifiable information.
