In the Matter of
E-Waste Systems, Inc.

**Order Following
Prehearing Conference**

On September 11, 2017, I held a telephonic prehearing conference that was attended by the Division of Enforcement and Martin Nielson, CEO of Respondent E-Waste Systems, Inc. I noted that Respondent had failed to answer the order instituting proceedings (OIP) served on August 14, 2017, or respond to the show cause order by the deadline of September 8, 2017. *See E-Waste Sys., Inc.*, Admin. Proc. Rulings Release No. 5010, 2017 SEC LEXIS 2663 (ALJ Aug. 29, 2017). Mr. Nielson represented that he had been away from his home in August and was in the process of interviewing counsel to represent Respondent in this proceeding. I granted Respondent seven calendar days, until September 18, 2017, to show cause and file an answer to the OIP.

The parties agreed to serve each other by email. The parties are reminded, however, that all submissions must additionally be filed in hard copy with the Office of the Secretary. *See* 17 C.F.R. §§ 201.151, .152. They are asked to email courtesy copies of filings to alj@sec.gov.
