American Soil Technologies, Inc.,  
Andalay Solar, Inc., and  
Crimson Forest Entertainment

**Order to Show Cause and  
Scheduling Prehearing  
Conference**

On January 22, 2018, the Division of Enforcement submitted a supplemental declaration establishing that American Nano Silicon Technologies, Inc., was served with the order instituting proceedings (OIP) through its registered agent, National Registered Agents, Inc.<sup>1</sup> Although the records maintained on the website of the California Secretary of State—of which I have previously taken official notice—indicate that American Nano has been suspended by California’s Franchise Tax Board for failure to meet tax requirements, its registered agent is still authorized to receive service of process.<sup>2</sup> Accordingly, as per the Division’s prior declaration from a process server, American Nano was served on December 29, 2017.
