In the Matter of
David Gray

Order Extending Deadlines

Citing an oral agreement to a settlement on all major terms and the additional time needed to obtain a signed and notarized offer of settlement from Respondent David Gray, who is incarcerated in South Carolina, the Division of Enforcement requests a two-week extension of the deadlines imposed by my May 21, 2018, order.

For good cause, the Division's request is GRANTED. *See* 17 C.F.R. § 201.161(a). Respondent's answer and the Division's brief on the error in the OIP are due by June 15, 2018, if this proceeding has not concluded or been stayed by then.
