Stay Extension Order

I stayed this proceeding on April 26, 2018, based on the parties' agreement in principle to a settlement on all major terms. In compliance with 17 C.F.R. § 201.161(c)(2)(ii), the parties have notified me that the staff received a signed settlement offer from Respondents but have not submitted it to the Commission within the twenty-business-day deadline. The Division of Enforcement anticipates that the offer will be presented to the Commission within approximately two weeks. Accordingly, I EXTEND the deadline to submit the settlement to the Commission by an additional twenty business days.
