In the Matter of
Infrastructure International, Inc.

**Order Requesting
Status Report**

I previously directed the Division of Enforcement to file a brief addressing the effectiveness of service through the mechanisms of the Hague Convention on the Service Abroad of Judicial and Extrajudicial Documents. On November 2, 2018, the Division filed a report on the status of service. The Division stated that it was pursuing service on Respondent Infrastructure International, Inc., through the Nevada Secretary of State and that it would report on the status of those efforts in the near future. I direct the Division to submit its report on the status of service by December 14, 2018.
