Administrative Proceeding  
File No. 3-17352

In the Matter of  
**Saving2Retire, LLC, and  
Marian P. Young**

**Order Regarding Subpoena  
to Produce Documents**

On December 10, 2018, Respondent Marian P. Young, pro se, submitted a subpoena request for documents. Although the subpoena is directed to me and the Secretary of the Securities and Exchange Commission, it is clear from the nature of the documents requested, the requested place of production of the documents, and a prior conversation at a prehearing conference, that Young intended to direct the subpoena to the Division of Enforcement. I have signed the subpoena with that understanding. If this was not Young's intent, she should notify my office and the Division as soon as possible.

The Division should make a good faith effort to work with Young in responding to the subpoena. Nevertheless, if the Division wishes to file a motion to quash or modify the subpoena, it must do so by December 19, 2018, given the discovery deadline and the proximity of the holidays. *See* 17 C.F.R. §§ 201.161(a), .232(e)(1).
