In the Matter of

**Saving2Retire, LLC, and
Marian P. Young**

**Order Modifying
Procedural Schedule**

Under the procedural schedule in place, the Division of Enforcement's opening brief and findings of fact are due March 26, 2019. *Saving2Retire, LLC*, Admin. Proc. Rulings Release No. 6479, 2019 SEC LEXIS 302, at *7 (Mar. 4, 2019). On March 21, the Division emailed a request that it be given a three-week extension until April 16 because of unexpected work commitments, and that all of the subsequent briefing dates be pushed back as well. The Division represents that Respondents agree with the request. I will treat the Division's email as a motion for an extension and will transmit it to the Office of the Secretary for inclusion in the record in this proceeding. I GRANT the motion:

April 16, 2019: The Division will file an opening brief and proposed findings of fact and conclusions of law.

May 7, 2019: Respondents will file an opposing brief and proposed findings of fact and conclusions of law.

May 14, 2019: The Division will file a reply brief.

I owe the parties a ruling on the materials the Division submitted for in camera inspection, and will rule shortly.
