In the Matter of
Gregory Lemelson¹

**Order Extending Time to
Respond to Subpoena**

The Division of Enforcement requests an extension of the deadline from June 17 to June 20, 2025, to respond to the subpoena issued at Respondent's request. The Division represents that preparing a privilege log requires more time because some custodians are out of the office, and Respondent does not object to this extension. For good cause shown, the motion is granted, and the deadline is extended to June 20, 2025.
