Cboe Clear U.S. LLC KPI Binary Options Fee Schedule

CCUS proposes an additional Fee Schedule in connection with its plans to clear KPI Binary Options listed and traded on Cboe Exchange, Inc. (the “Exchange”). CCUS will update its current Fee Schedule to adopt standard clearing fees in connection with its plan to clear KPI Binary Options, effective August 31, 2026, as follows:

\$0.0002 (2 basis points) per contract

The added Fee Schedule will be publicly available on the CCUS website no later than the effective date.
