### **Question 101.09**

~~**Question:** Form 10-Q filers are required to comply with Inline XBRL beginning with their first Form 10-Q for a fiscal period ending on or after the applicable compliance date. How does this provision apply to Form 20-F and 40-F filers?~~

~~**Answer:** Form 20-F and 40-F filers do not have quarterly report filing obligations. Therefore, these filers will be required to comply with Inline XBRL beginning with the first filing on a form for which Inline XBRL is required for a fiscal period ending on or after the applicable compliance date, as determined in accordance with Rule 405(f)(1)(i) of Regulation S-T.
