Claimant 2

The Claims Review Staff has preliminarily determined to recommend that the Commission deny an award to Claimant 2.

Claimant 2 did not provide original information that led to a successful enforcement action pursuant to Section 21F(b)(1) of the Exchange Act and Rules 21F-3(a) and 21F-4(c) thereunder, because the information Claimant 2 provided did not: (1) under Rule 21F-4(c)(1) of the Exchange Act, cause the Commission to (a) commence an examination, open or reopen an investigation, or inquire into different conduct as part of a current Commission examination or investigation, and (b) thereafter bring an action based, in whole or in part, on conduct that was the subject of Claimant 2’s information, or (2) significantly contribute to the success of a Commission judicial or administrative enforcement action under Rule 21F-4(c)(2) of the Exchange Act.

Enforcement staff responsible for the Covered Action did not receive Claimant 2’s information and never had any communications with Claimant 2. Enforcement staff did not rely upon Claimant 2’s allegations when conducting the investigation, and Claimant 2’s information was not used in, nor had any impact on, the charges brought by the Commission in the Covered Action.
