	:	
Barclays PLC and Barclays Bank	:	PROPOSED PLAN OF
PLC,	:	DISTRIBUTION
	:	
	:	
Respondents.	:	

I. OVERVIEW

1. The Division of Enforcement submits this Proposed Plan of Distribution (the “Plan”) to the United States Securities and Exchange Commission (the “Commission”) pursuant to Rule 1101 of the Commission’s Rules on Fair Fund and Disgorgement Plans (the “Commission’s Rules”), 17 C.F.R. § 201.1101. This Plan provides for the distribution of a Fair Fund (the “Fair Fund”), comprised of civil money penalties paid by Barclays PLC (“Barclays”) and Barclays Bank PLC (“Barclays Bank”) (collectively, the “Respondents”) in the above-captioned matter.¹

2. As described more specifically below, the Plan seeks to compensate investors for their losses on shares of Barclays American Depository Receipts (“ADRs”) and Barclays ordinary shares² purchased or acquired between June 26, 2019, and March 27, 2022, both dates inclusive, (the “Relevant Period”) due to the misconduct of the Respondents described in the Order. The Fair Fund will be allocated to harmed investors in two stages: first to investors who suffered Recognized Losses on Barclays ADRs, and then, from any remaining funds to investors who suffered Recognized Losses on Barclays ordinary shares, due to Barclays’ violations. In the view of the Commission staff, this methodology constitutes a fair and reasonable allocation of the Fair Fund.

3. The Commission has custody of the Fair Fund and shall retain control of the assets of the Fair Fund. The Plan is subject to approval by the Commission, and the Commission retains jurisdiction over its implementation.

¹ See Order Instituting Cease-and-Desist Proceedings Pursuant to Section 8A of the Securities Act of 1933 and Section 21C of the Securities Exchange Act of 1934, Making Findings, and Imposing a Cease-and-Desist Order, Securities Act Rel. No. 11110 (Sept. 29, 2022) (the “Order”).

² Barclays has registered the common shares underlying its ADRs, which trade on the New York Stock Exchange (“NYSE”) under the symbol BCS, with the Commission. Barclays ordinary shares trade on the London Stock Exchange (“LSE”) under the symbol BARC.

II. BACKGROUND

4. On September 29, 2022, the Commission issued the Order instituting and simultaneously settling cease-and-desist proceedings against the Respondents. In the Order, the Commission found that that Barclays Bank failed to put into place any internal control around the real-time tracking of securities being offered or sold from its shelf registration statement filed with the Commission. As a result of this failure, between June 26, 2019, and March 9, 2022, Barclays Bank offered and sold an unprecedented amount of securities—cumulatively totaling approximately \$17.7 billion—in excess of what it had registered with the Commission, in violation of Sections 5(a) and 5(c) of the Securities Act. In connection with the over-issuances and internal control failure, Barclays and Barclays Bank restated their year-end 2021 audited financial statements filed with the Commission.

5. The Commission ordered the Respondents to pay a \$200,000,000 civil penalty to the Commission. The Commission ordered the funds paid pursuant to the Order be held in an account at the United States Treasury pending a decision whether the Commission, in its discretion, would seek to distribute the funds.

6. On March 30, 2023, the Commission issued an order³ that created the Fair Fund, pursuant to Section 308(a) of the Sarbanes-Oxley Act of 2002, so the penalty paid can be distributed to harmed investors.

7. The Respondents have paid in full. The Fair Fund has been deposited in a Commission-designated account at the United States Department of the Treasury, and any accrued interest will be added to the Fair Fund.

III. DEFINITIONS

As used in this Plan, the following definitions will apply:

8. “**Administrative Costs**” shall mean any administrative costs and expenses, including without limitation the fees and expenses of the Tax Administrator and the Fund Administrator, tax obligations, bond premium expenses, and investment and banking costs.

9. “**Claim Form**” means the form designed by the Fund Administrator, in consultation with the Commission staff, for the filing of claims in accordance with this Plan. The Claim Form will require, at a minimum, sufficient documentation reflecting any Preliminary Claimant’s purchases and dispositions of the Securities during the Relevant Period such that eligibility under the Plan can be determined, tax identification and other related information from the Preliminary Claimant as determined necessary by the Fund Administrator in coordination with the Tax Administrator, and a certification that the Preliminary Claimant is not an Excluded Party.

10. “**Claim Status Notice**” means the notice sent by the Fund Administrator within one hundred fifty (150) days of the Claims Bar Date to any Preliminary Claimant that submitted

The Claim Status Notice will provide to each Preliminary Claimant whose claim is deficient, in whole or in part, the reason(s) for the deficiency and in the event the claim is denied, the Claim Status Notice will state the reason(s) for such denial. The Claim Status Notice will also notify the Preliminary Claimant of the opportunity to cure any deficiency, request reconsideration, or dispute the determination made by the Fund Administrator and provide instructions regarding what is required to do so.

11. **“Claims Bar Date”** means the date established in accordance with this Plan by which a Preliminary Claimant’s Claim Form, along with the full and complete supporting documentary evidence required in paragraphs 47, 50 and 52 below, must be postmarked or submitted electronically in order to receive consideration under the Plan. The Claims Bar Date shall be sixty (60) days after the initial mailing of the Plan Notice. Claim Forms submitted by Preliminary Claimants postmarked or received after the Claims Bar Date will not be accepted unless the Fund Administrator is directed to do so by the Commission staff.

12. **“Determination Notice”** shall mean the written notice sent by the Fund Administrator to all Preliminary Claimants who timely submitted a Claim Form notifying the Preliminary Claimant of its eligibility determination. The Determination Notice will further provide each Preliminary Claimant that is determined to be an Eligible Claimant with his, her, or its calculated Recognized Loss amount. The Determination Notice will constitute the Fund Administrator’s final ruling regarding the eligibility status of the claim.

13. **“Distribution Payment”** means a payment from the Fair Fund to a Payee in accordance with the terms of this Plan. All Distribution Payments will be made in US dollars.

14. **“Eligible Claimant”** means a Preliminary Claimant, who is not an Excluded Party, who submitted a valid Claim Form and has suffered a Recognized Loss, as calculated in accordance with the Plan of Allocation.

15. **“Excluded Party”** shall mean:

- (g) Any purchaser or assignee of another Person's right to obtain a recovery from the Fair Fund for value; provided, however, that this provision shall not be construed to exclude those Persons who obtained such a right by gift, inheritance or devise.

The Claim Form will require claimants to certify that they are not an Excluded Party. All Excluded Parties will be deemed ineligible to participate in the distribution of the Fair Fund.

16. **"Fair Fund"** means the fund created by the Commission pursuant to Section 308(a) of the Sarbanes-Oxley Act of 2002, for the benefit of investors harmed by Respondents' violations described in the Order.

17. **"Net Available Fair Fund"** means the Fair Fund, plus any interest or earnings, less Administrative Costs. The Net Available Fair Fund will be allocated in two stages: first to investors who suffered Recognized Losses on Barclays ADRs, and then, from any remaining funds to investors who suffered Recognized Losses on Barclays ordinary shares, due to Barclays' violations.

18. **"Payee"** means an Eligible Claimant whose Recognized Loss calculates, in accordance with the Plan of Allocation, to a distribution amount equal to or greater than \$25.00 who will receive a Distribution Payment.

19. **"Person"** means natural individuals as well as legal entities such as corporations, partnerships, or limited liability companies.

20. **"Plan Notice"** means a written notice from the Fund Administrator to Preliminary Claimants informing them of the Fair Fund; the Plan and its eligibility requirements; explaining how to submit a claim, including instructions for any online claims process; and how to obtain a copy of the approved Plan and Claim Form by request or from the Fair Fund's website. The Plan Notice will also be available on the Fair Fund's website that is maintained by the Fund Administrator. The initial mailing of the Plan Notice is the mailing sent by the Fund Administrator in accordance with paragraph 38.

21. **"Plan of Allocation"** means the methodology used by the Fund Administrator to calculate if a Preliminary Claimant has suffered a Recognized Loss. The Plan of Allocation is attached as Exhibit A.

22. **"Preliminary Claimant"** shall mean a Person, or their lawful successors, identified by the Fund Administrator as having possible claim to recover from the Fair Fund under this Plan, or a Person asserting prior to the Claims Bar Date that he, she, or it has a

possible claim to recover from the Fair Fund under this Plan, as a result of transactions in the Securities during the Relevant Period.

23. “**Recognized Loss**” means the amount of loss calculated in accordance with the Plan of Allocation.

27. “**Third-Party Filer**” means a third-party, including without limitation a nominee, custodian, or an intermediary holding in street name, who is authorized to submit and submits a claim(s) on behalf of one or more Preliminary Claimants. A Third-Party Filer does not include assignees or purchasers of claims that are excluded from receiving Distribution Payments under paragraph 15 above.

IV. TAX COMPLIANCE

28. On July 11, 2023, the Commission appointed Heffler, Radetich & Saitta, LLP as the tax administrator (the “Tax Administrator”) for the Fair Fund to handle the tax obligations of the Fair Fund.⁴ The Tax Administrator will be compensated for reasonable fees and expenses from the Fair Fund in accordance with its 2022-2024 Engagement Letter Agreement with the Commission.⁵

The Tax Administrator is the administrator of such QSF, for purposes of Treas. Reg. § 1.468B-2(k)(3)(I) and shall satisfy the tax-related administrative requirements imposed by Treas. - (b) Requesting funds necessary for the timely payment of all applicable taxes, the payment of taxes for which the Tax Administrator has received funds, and the filing of applicable returns; and
- (c) Fulfilling any information reporting or withholding requirements required for distributions from the Fair Fund.

30. All tax obligations will be paid from the Fair Fund, subject to the review and approval of Commission staff.

V. FUND ADMINISTRATOR

31. On November 13, 2023, the Commission appointed KCC Class Action Services, LLC as the fund administrator (“KCC” or the “Fund Administrator”) for the Fair Fund, and the Fund Administrator has obtained a bond in the amount of \$200,000,000.00, as ordered.⁶ Pursuant to Rule 1105(a) of the Commission’s Rules, 17 C.F.R. § 201.1105(a), the Fund Administrator may be removed at any time by order of the Commission or hearing officer.

32. The Fund Administrator will be responsible for administering the Fair Fund in accordance with the Plan. This will include, among other things, taking reasonable steps to identify and contact Preliminary Claimants; obtaining mailing information from Preliminary Claimants; establishing a website and staffing a call center to address inquiries during the claims process; developing a claims database; preparing accountings; cooperating with the tax administrator appointed by the Commission to satisfy any tax liabilities and to ensure compliance with income tax reporting requirements, including but not limited to Foreign Account Tax Compliance Act (FATCA); advising Preliminary Claimants of deficiencies in claims and providing an opportunity to cure any documentary defects; taking antifraud measures, such as identifying false, ineligible and overstated claims; making determinations under the criteria established herein as to Preliminary Claimant eligibility; advising Preliminary Claimants of final claim determinations; disbursing the Fair Fund in accordance with this Plan, as ordered by the Commission; and researching and reconciling errors and reissuing payments, when possible.

33. To carry out the purposes of this Plan, the Fund Administrator is authorized to make and implement immaterial changes to the Plan upon agreement of the Commission staff. If a change is deemed to be material by the Commission staff, Commission approval is required prior to implementation by amending the Plan.

34. The Fund Administrator may extend any procedural deadline contained in the Plan for good cause shown, if agreed upon by the Commission staff.

35. The Fund Administrator is authorized to enter into agreements with third-parties as may be appropriate or necessary in the administration of the Fair Fund, provided such third-parties are not excluded pursuant to other provisions of this Plan. In connection with such

agreements, the third-parties shall be deemed to be agents of the Fund Administrator under this Plan.

36. The Fund Administrator will be entitled to payment from the Fair Fund of reasonable fees and expenses, including the bond premium, incurred in the performance of its duties (including any such fees and expenses incurred by agents, consultants or third-parties retained by the Fund Administrator in furtherance of its duties).

VI. ADMINISTRATION OF THE FAIR FUND

Identification of and Notification to Preliminary Claimants

37. The Fund Administrator will, insofar as practicable, use its best efforts to identify Preliminary Claimants from a review of trading records, obtaining records from registered broker-dealers and investment advisors, and seeking information from any other source available to it. The Fund Administrator may also engage a third-party firm, after consultation with and approval of the Commission staff, to assist in identifying Preliminary Claimants to maximize the participation rate of investors.

38. Within sixty (60) days after Commission approval of the Plan, the Fund Administrator shall:

- (a) design and submit the Plan Notice and the Claim Form, to the Commission staff for review and approval;
- (b) create a mailing and claim database of all Preliminary Claimants based upon information identified by the Fund Administrator;

- (d) email and/or mail a Plan Notice to each Preliminary Claimant identified by the Fund Administrator and to the Fund Administrator's list of banks, brokers, and other nominees in accordance with paragraph 43 below;
- (e) establish and maintain a website devoted solely to the Fair Fund. The Fair Fund's website, located at www.barclaysfairfund.com, will make available a copy of the approved Plan; provide information regarding the claims process and eligibility requirements for participation in the Fair Fund in the form of frequently asked questions; and other related materials; an online portal through which claims may be submitted; and such other information the Fund Administrator believes will be beneficial to Preliminary Claimants;

- (f) establish and maintain a U.S. toll-free telephone number, 1-888-663-7195, and a U.K toll-free telephone number, +44 (0) 808-304-8623 for Preliminary Claimants to call to speak to a live representative of the Fund Administrator during its regular U.S. business hours or, outside of such hours, to hear prerecorded information about the Fair Fund. The toll-free number will be listed on all correspondence from the Fund Administrator to Preliminary Claimants as well as on the Fair Fund’s website; and
- (g) establish and maintain a traditional mailing address and an email address which will be listed on all correspondence from the Fund Administrator to Preliminary Claimants as well as on the Fair Fund’s website.

39. The Fund Administrator will publish the Summary Notice on the internet and/or in print media acceptable to Commission staff. The Summary Notice will be published two (2) times in the U.S. and two (2) times in the United Kingdom and will appear within ten (10) days of the initial mailing of the Plan Notice.

40. The Commission staff retains the right to review and approve any material posted on the Fair Fund’s website, any material mailed, and any scripts used in connection with any communication with Preliminary Claimants.

41. In all materials that refer to the Claims Bar Date, the filing deadline will be clearly identified with the calendar date, which is sixty (60) days from the date of the initial mailing of the Plan Notice.

42. The Fund Administrator will promptly provide a Claim Form and/or Plan Notice to any Preliminary Claimant upon request made via mail, phone, or email prior to the Claims Bar Date.

43. The Fund Administrator will send by mail, email, or other means, the Plan Notice to the Fund Administrator’s list of banks, brokers, and other nominees, as well as any other institutions identified during the outreach process, that may have records of the Securities during the Relevant Period (collectively, the “Nominees or Custodians”). The Fund Administrator will request that these entities, to the extent that they were record holders for beneficial owners of the Securities:

- (a) within fourteen (14) days of the Nominees’ or Custodians’ receipt of the Plan Notice, notify and send the Plan Notice to the respective beneficial owners,-and, as requested, provide to the beneficial owners a Claim Form, so that the beneficial owners may timely file a claim. The burden will be on the Nominees or Custodians to ensure the claims process information, including, if requested, the Claim Form, Plan Notice and other relevant materials, is properly disseminated to the beneficial owners; and/or
- (b) provide to the Fund Administrator, within fourteen (14) days of receipt of the Plan Notice, a list of last known names and addresses for all beneficial

owners for whom/which they purchased or acquired, as the record holder, the Securities during the Relevant Period, so that the Fund Administrator can communicate with the beneficial owners directly.

44. An unlimited number of Plan Notices and Claim Forms may be downloaded by the Nominees or Custodians. In the event paper copies are needed, the Fund Administrator may provide no more than fifty (50) additional copies of the materials relevant to submitting a claim to any Third-Party Filer, Nominee, or Custodian requesting it for the purpose of distribution to beneficial owners.

45. Documented reasonable out-of-pocket expenses incurred by the Nominees or the Custodians, which would not have been incurred but for compliance with paragraph 43 above, shall be reimbursed from the Fair Fund. The amount of such expenses allowed will be at the discretion of the Fund Administrator, in consultation with the Commission staff. Unless otherwise determined by the Fund Administrator in consultation with the Commission staff, out-of-pocket expenses based on the following rates will be considered reasonable:

- (a) a maximum of \$0.03 per Plan Notice and/or Claim Form, plus postage at the pre-sort postage rate per Plan Notice and/or Claim Form actually mailed;
- (b) a maximum of \$0.05 per email of the Plan Notice with a link to the online Claim Filing Portal disseminated; or
- (c) \$0.20 per name, address, and email address provided to the Fund Administrator, up to a maximum of amount of \$1,500.00.

46. The Fund Administrator will attempt to locate any Preliminary Claimant whose mailing is returned as “undeliverable” and will document all such efforts. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to obtain updated addresses in response to “undeliverable” notices, and forward any returned mail for which an updated address is provided or obtained. The Fund Administrator will make available, upon request by the Commission staff, a list of all Preliminary Claimants whose Plan Notice have been returned as “undeliverable” due to incorrect addresses and for which the Fund Administrator has been unable to locate current addresses.

Filing a Claim

47. To avoid being barred from asserting a claim, on or before the Claims Bar Date, each Preliminary Claimant must submit to the Fund Administrator a properly completed Claim Form reflecting such Preliminary Claimant’s claim, together with all required supporting documentation as the Fund Administrator, in its discretion, deems necessary or appropriate to substantiate the claim. Without limitation, this information may include third-party documentary evidence of purchases and dispositions of Securities during the Relevant Period, as well as holdings of Securities at pertinent dates.

48. Electronic claims submission is encouraged; the Plan Notice will include instructions on how Preliminary Claimants can submit their claims electronically via the Fair Fund's website. If using the web-based claim filing option, a Preliminary Claimant must submit his, her, or its claim to the Fund Administrator by 11:59 p.m. EST on the Claims Bar Date. The Plan Notice will also include instructions for submission of claims if the Preliminary Claimant is unable to submit his, her, or its claim electronically.

49. The burden will be upon the Preliminary Claimant to ensure that his, her or its Claim Form has been properly and timely received by the Fund Administrator. A Claim Form that is postmarked or otherwise received after the Claims Bar Date will not be accepted unless the deadline is extended by the Fund Administrator for good cause shown, after consultation with the Commission staff.

50. All Claim Forms and supporting documentation necessary to determine a Preliminary Claimant's eligibility to receive a distribution from the Fair Fund under the terms of the Plan must include a declaration executed by the Preliminary Claimant under penalty of perjury under the laws of the United States. The declaration must be executed by the Preliminary Claimant, unless the Fund Administrator accepts such declaration from a Person authorized to act on the Preliminary Claimant's behalf, whose authority is supported by such documentary evidence as the Fund Administrator deems necessary.

51. When submitting claims to the Fair Fund on behalf of its clients, all Third-Party Filers must use the electronic filing template provided by the Fund Administrator in this matter. Third-Party Filers that do not comply with the template and format provided by the Fund Administrator may be rejected. Third-Party Filers must also submit a signed master proof of claim and release, as well as proof of authority to file on behalf of the claimant(s) at the time the electronic file of transactions is submitted. Failure to do so may result in rejection of the claim.

52. Each Third-Party Filer must establish the validity and amount of each claim in its submission. Third-Party Filers must submit such supporting documentary evidence of purchases, dispositions, and holdings of the Securities as the Fund Administrator deems necessary or appropriate to substantiate each individual claim. Without limitation, this includes the complete name of the Preliminary Claimant (beneficial account owner) and its TIN (for individuals) or EIN (for companies), sufficient contact information to confirm the identity of the beneficial owner, and documentation from the original bank, broker or other institution of purchases and dispositions of Securities (account statements, confirmations and other documentation of purchases and dispositions), as well as holdings of the Securities on pertinent dates. The Fund Administrator will have the right to request, and the Third-Party Filer will have the burden of providing to the Fund Administrator, any additional information and/or documentation deemed necessary by the Fund Administrator to substantiate the claim(s) contained in the submission. Documentation from a Third-Party Filer that is not acceptable to the Fund Administrator will result in rejection of the affected claim(s). The determination of the Fund Administrator to reject a claim for insufficient documentation, as reflected in the Determination Notice, is final and within the discretion of the Fund Administrator.

53. Claim submissions by Third-Party Filers must be complete, including supporting documentary evidence required in paragraph 52 above, by the Claims Bar Date. Any submissions, of claims or of supporting documentary evidence in connection with any claim, after the Claims Bar Date may result in rejection of such claims.

54. The receipt of Securities by gift, inheritance, devise, or operation of law will not be deemed to be a purchase of Securities, nor will it be deemed an assignment of any claim relating to the purchase of such Securities unless specifically so provided in the instrument of inheritance. The recipient of Securities as a gift, inheritance, devise or by operation of law will be eligible to file a Claim Form and participate in the distribution of the Fair Fund to the extent the original purchaser would have been eligible under the terms of the Plan. Only one claim may be submitted with regard to the same transactions in Securities, and in cases where duplicative claims are filed by the donor and donee, the donee claim will be honored, assuming it is supported by proper documentation.

55. Claims on behalf of a retirement plan covered by Section 3(3) of ERISA, 29 U.S.C. § 1002(3), which do not include Individual Retirement Accounts and such plan's participants, are properly made by the administrator, custodian or fiduciary of the plan and not by the plan's participants. The Fund Administrator will distribute any payments on such claims directly to the administrator, custodian or fiduciary of the retirement plan. The custodian or fiduciary of the retirement plan will distribute any payments received in a manner consistent with its fiduciary duties and the governing account or plan provisions.

56. The Preliminary Claimant has the burden of notifying the Fund Administrator of a change in his, her or its current address and other contact information, and ensuring that such information is properly reflected on the Fund Administrator's records.

Review of Claims and Deficiency Process

57. The Fund Administrator will review all claim submissions and determine the eligibility of each Preliminary Claimant to participate in the Fair Fund by reviewing claim data and supporting documentation (or the lack thereof) and verifying the claim. Each Preliminary Claimant will have the burden of proof to establish the validity and amount of his, her or its claim. The Fund Administrator will have the right to request, and the Preliminary Claimant will have the burden of providing to the Fund Administrator, any additional information and/or documentation deemed relevant by the Fund Administrator.

58. The Fund Administrator will provide a Claim Status Notice within one hundred-fifty (150) days of the Claims Bar Date to each Preliminary Claimant who has filed a deficient Claim Form with the Fund Administrator. The Claim Status Notice will provide to each Preliminary Claimant whose claim is deficient, in whole or in part, the reason(s) for the deficiency (e.g., failure to provide required information or documentation). In the event the claim is denied, in whole or in part, the Claim Status Notice will state the reason(s) for such denial. The Claim Status Notice will also notify the Preliminary Claimant of the opportunity to cure any deficiency, request reconsideration, or dispute the determination made by the Fund Administrator and provide instructions regarding what is required to do so.

59. Any Preliminary Claimant with a deficient claim will have thirty (30) days from the date of the Claim Status Notice to cure any deficiencies identified in the Claim Status Notice. Failure to cure any deficiencies within the thirty-day period may result in rejection of such claims.

60. Any Preliminary Claimant seeking reconsideration of a denied claim must submit their request to the Fund Administrator in writing within thirty (30) days of the date of the Claim Status Notice. All requests for reconsideration must include the necessary documentation to substantiate the basis upon which the Preliminary Claimant is requesting reconsideration of his, her, or its claim.

61. The Fund Administrator will have the authority, in its sole discretion, to waive technical claim deficiencies and approve claims on a case-by-case basis, or in groups of claims.

Claims Eligibility Determination

62. Within two hundred-ten (210) days of the Claims Bar Date, the Fund Administrator will complete all claims determinations and send a Determination Notice to all Preliminary Claimants who timely submitted a Claim Form notifying the Preliminary Claimant of its eligibility determination. The Determination Notice will further provide to each Preliminary Claimant that is determined to be an Eligible Claimant with his, her, or its calculated Recognized Loss. The Determination Notice will constitute the Fund Administrator's final ruling regarding the eligibility status of the claim.

63. The Fund Administrator may consider disputes of an Eligible Claimant's Recognized Loss calculation, if presented in writing to the Fund Administrator within thirty (30) days of the date of the Determination Notice. The Fund Administrator will consult with Commission staff as appropriate. The Fund Administrator will notify the Eligible Claimant in writing within thirty (30) days of receiving a dispute of its determination, which will constitute the Fund Administrator's final ruling regarding the loss calculations for the claim.

Third-Party Review

64. After the Fund Administrator has completed the process of analyzing the claims and determining claim amounts in accordance with the Plan, and prior to the distribution of any funds, the Fund Administrator will engage an independent, third-party firm, not unacceptable to Commission staff, to perform a set of agreed upon procedures, review a statistically significant sample of claims and ensure accurate and comprehensive application of the Plan of Allocation. The Fund Administrator will communicate the results of the review to Commission staff together with any written analysis or reports related to the review, and, upon request, will make the firm available to the Commission staff to respond to questions concerning the review.

Distribution Methodology

65. No Distribution Payments will be made for less than \$25.00. If an Eligible Claimant's Recognized Loss, in accordance with the Plan of Allocation, calculates to a

distribution amount less than \$25.00, that Eligible Claimant will be deemed ineligible to receive a Distribution Payment and his, her, or its distribution amount will be reallocated on a *pro-rata* basis to Eligible Claimants whose distribution amounts are greater than or equal to \$25.00. All Eligible Claimants whose Recognized Loss calculates to a distribution amount equal to or greater than \$25.00 will be deemed a Payee and receive a Distribution Payment.

Establishment of a Reserve

66. Before determining the amount of funds available for distribution and calculating each Payee's Distribution Payment, the Fund Administrator, in conjunction with the Tax Administrator, will establish a reserve to pay Administrative Costs and to accommodate any unexpected expenditures (the "Reserve").

67. After all disbursements and Administrative Costs are paid, any remaining amounts in the Reserve will become part of the Residual described in paragraph 90 below.

Preparation of the Payment File

68. Within ninety (90) days following the date of the Determination Notices described above in paragraph 62, the Fund Administrator will compile and send to the Commission staff the Payee information, including the name, address, calculated Recognized Loss, and the amount of the Distribution Payment for all Payees (the "Payee List"). The Fund Administrator will also provide a Reasonable Assurances Letter to the Commission staff, representing that the Payee List: (a) was compiled in accordance with the approved Plan; (b) is accurate as to Payees' names, addresses, Recognized Losses and amounts of their Distribution Payment; (c) includes the number of Payees compensated; (d) the percentage of the Payee's Recognized Loss being compensated by the disbursement from the Fair Fund, and if applicable, the total percentage to include all prior disbursements; (e) the total amount of funds to be disbursed, and if applicable, includes the total amount of such funds to be withheld pursuant to paragraph 79; and (f) provides all information necessary to make a payment to each Payee.

The Escrow Account

69. Prior to the disbursement of funds from the Net Available Fair Fund, the Fund Administrator will establish an escrow account (the "Escrow Account") with a United States commercial bank that is a well-capitalized financial institution as defined by the Federal Reserve Act, Subpart D, 12 C.F.R. § 208.43 and that is not unacceptable to the Commission staff (the "Bank"), pursuant to an escrow agreement (the "Escrow Agreement") to be provided by Commission staff.

70. The Fund Administrator, pursuant to the Escrow Agreement, shall also establish with the Bank a separate deposit account (*e.g.* controlled distribution account, managed distribution account, linked checking and investment account) (the "Distribution Account"), insured by the Federal Deposit Insurance Corporation ("FDIC") up to the guaranteed FDIC pass through limit. The Distribution Account shall be linked with the Escrow Account, and both shall be named, and records maintained, in accordance with the Escrow Agreement.

71. During the term of the Escrow Agreement, the portions of the Fair Fund transferred to the Escrow Account (the “Escrow Property”), shall be invested and reinvested in short-term U.S. Treasury securities backed by the full faith and credit of the United States Government or an agency thereof. The investment shall be, of a type and term necessary to meet the cash liquidity requirements for payments to Payees, tax obligations, and/or fees of the Tax Administrator and/or Fund Administrator, including investment or reinvestment in a bank account insured by the FDIC up to the guaranteed FDIC limit, or in money market mutual funds registered under the Investment Company Act of 1940 that invest 100% of their assets in direct obligations of the United States Government.

72. The Fund Administrator shall provide duplicate original bank and/or investment statements on any accounts established by the Fund Administrator to the Tax Administrator on a monthly basis and shall assist the Tax Administrator in obtaining mid-cycle statements, as necessary.

73. The Fund Administrator shall deposit or invest funds in the Escrow and Distribution Accounts so as to result in the maximum reasonable net return, taking into account the safety of such deposits or investments. In consultation with Commission staff, the Fund Administrator shall work with the Bank on an ongoing basis to determine an allocation of funds between the Escrow and Distribution Accounts.

74. All interest, dividends, and/or income earned by the Escrow Property will accrue for the benefit of the Escrow Property. All Administrative Costs associated with the Escrow and Distribution Accounts will be the responsibility of the Fund Administrator, who may be reimbursed for said costs as provided in this Plan. No such Administrative Costs may be paid to the Bank, its agents, and/or its affiliates from the Escrow Property.

Distribution of the Fair Fund

75. The Fund Administrator will seek to distribute the Net Available Fair Fund to all Payees only after all Claim Forms have been processed and all Preliminary Claimants whose claims have been rejected or disallowed, in whole or in part, have been notified and provided the opportunity to contest or cure pursuant to the procedures set forth herein.

76. Upon the Commission’s staff’s receipt, review, and acceptance of the Payee List and Reasonable Assurances Letter from the Fund Administrator, the Commission staff will seek an Order from the Commission pursuant to Rule 1101(b)(6) of the Commission’s Rules, 17 C.F.R. § 210.1101(b)(6), to disburse funds from the Net Available Fair Fund to the Bank in accordance with the Payee List for distribution by the Fund Administrator in accordance with the Plan. All disbursements will be made pursuant to a Commission Order.

77. Upon issuance of an Order to disburse, the Commission staff will direct the transfer of funds in accordance with the Payee List to the Bank. The Fund Administrator will then use its best efforts to commence mailing Distribution Payment checks and/or effect wire transfers within ten (10) business days of the release of the funds into the Escrow Account. All

efforts will be coordinated to limit the time between the Escrow Account's receipt of the funds and the issuance of Distribution Payments.

78. All Distribution Payments will be issued by the Fund Administrator from the Distribution Account. All checks will bear a stale date of ninety (90) days from the date of issuance. Reissuance of a check must be requested before the stale date, and such request is governed by paragraph 86.

79. All Distribution Payments will be preceded or accompanied by a communication that includes, as appropriate: (a) a statement characterizing the distribution; (b) a statement that the tax treatment of the distribution is the responsibility of each Payee and that the Payee should consult his, her or its tax advisor for advice regarding the tax treatment of the distribution; however, any backup withholding required under IRC § 3406(a) and the regulations promulgated thereunder, or withholding required with respect to nonresident aliens ("NRAs") under Chapter 3 of the IRC, or FATCA-subject Payees under Chapter 4 of the IRC, will be withheld as required from the Distribution Payment and remitted to the Internal Revenue Service on the Payee's behalf; (c) a statement that checks will be void and cannot be reissued after ninety (90) days from the date the original check was issued; and (d) contact information for the Fund Administrator for questions regarding the Distribution Payment. The letter or other mailings to Payees characterizing a Distribution Payment will be prepared by the Tax Administrator and provided to the Commission staff for review and approval.

80. All Distribution Payments, either on their face or in the accompanying mailing, will clearly indicate that the money is being distributed from the Fair Fund established by the Commission to compensate investors for harm as a result of securities law violations.

81. Distribution Payments must be made by check or electronic payment payable to the Payee (the beneficial account owner). A Third-Party Filer shall not be the payee of any Distribution Payment. Compensation to a Third-Party Filer for its services may not be paid or deducted from the Distribution Payment.

82. The submission of a Claim Form and the receipt and acceptance of a Distribution Payment by a Payee is not a release of a Payee's rights and claims against any party.

83. Wire transfers will be initiated by the Fund Administrator using a two-party check and balance system, whereby completion of a wire transfer will require authorization by two members of the Fund Administrator's senior staff.

84. At the discretion of the Fund Administrator, certain costs that were not factored into the Reserve, such as bank fees for the return of a payment, may reduce the Payee's Distribution Payment. In such situations, the Fund Administrator will immediately notify the Tax Administrator of the reduction in the Distribution Payment.

Post Distribution; Handling of Returned or Uncashed Checks; and Reissues

85. The Fund Administrator shall use its best efforts to make use of commercially available resources and other reasonably appropriate means to locate all Payees whose checks are returned to the Fund Administrator as “undeliverable.” If new address information becomes available, the Fund Administrator will repackage the distribution check and send it to the new address. If, within ninety (90) days after the initial mailing of the distribution check, new address information for the Payee is not available or if the distribution check is returned again, the Fund Administrator void the distribution check, and, in its discretion, may remove such Payee from the distribution and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

86. The Fund Administrator will reissue checks to Payees upon the receipt of a valid, written request from the Payee prior to the initial stale date. In cases where a Payee is unable to endorse a Distribution Payment check as written (e.g., name changes, IRA custodian changes, or recipient is deceased) and the Payee or a lawful representative request the reissuance of a Distribution Payment check in a different name, the Fund Administrator will request, and must receive, documentation to support the requested change. The Fund Administrator will review the documentation to determine the authenticity and propriety of the change request. If, in the discretion of the Fund Administrator, such change request is properly documented, the Fund Administrator will issue an appropriately redrawn Distribution Payment to the requesting party. Reissued checks will be void at the later of ninety (90) days from issuance of the original check or thirty (30) days from the reissuance, and in no event will a check be reissued after ninety (90) days from the date of the original issuance without the approval of Commission staff.

87. The Fund Administrator will make reasonable efforts to contact Payees who have failed to negotiate their Distribution Payment check and take appropriate action to follow up on the status of uncashed checks at the request of Commission staff. The Fund Administrator may reissue such checks subject to the time limits detailed herein. If a Distribution Payment remains uncashed after the stale date the Distribution Agent will instruct the Bank to issue a stop payment on the check. The Fund Administrator, in its discretion, may remove such Payee from the distribution, and the allocated Distribution Payment will remain in the Fair Fund for distribution, if feasible, to the remaining Payees.

Administrative Costs

88. All Administrative Costs will be paid from the Fair Fund in accordance with the Commission’s Rules.

Disposition of Undistributed Funds

89. If funds remain following the initial distribution, the Fund Administrator, in consultation with the Commission staff, may seek subsequent distribution of any available remaining funds, pursuant to the Commission’s Rules.

90. A residual within the Fair Fund will be established for any amounts remaining after the final disbursement to Payees from the Fair Fund (the “Residual”). The Residual may include funds from, among other things, amounts remaining from the Reserve, distribution checks that have not been cashed, checks or electronic payments that were not delivered or returned to the Commission, and tax refunds received due to the Fair Fund’s overpayment of taxes or for waiver of IRS penalties.

91. Upon completion of the final distribution, the Fund Administrator will direct the Bank to void/cancel all Distribution Payments, and return any funds remaining in the Escrow and Distribution Accounts to the Commission to become part of the Residual.

92. All funds remaining in the Residual that are infeasible to distribute to investors will be returned to the Commission and transferred to the U.S. Treasury after the final accounting is approved by the Commission.

Filing of Reports and Accountings

93. In accordance with Rule 1105(f) of the Commission’s Rules, the Fund Administrator shall provide to the Commission staff a progress report and a quarterly account statement in a format to be provided by Commission staff, within forty-five (45) days of the Commission’s approval of the Plan, and shall provide to Commission staff additional reports and quarterly account statements within ten (10) days after the end of every calendar quarter. Such progress reports shall inform the Commission staff of the activities and status of the Fair Fund during the reporting period, and shall specify, at a minimum, the location of the account(s) comprising the Fair Fund, including among other things, an interim accounting of all monies in the Fair Fund.

94. When the final distribution is completed, the Fund Administrator shall provide to Commission staff a final report summarizing all tasks undertaken and the outcome of its administrative efforts. The Fund Administrator shall make arrangement for the final payment of all Administrative Costs, and submit a final accounting of all monies received, earned, spent, and distributed in connection with the administration of the Plan in a format provided by the Commission staff. The Fund Administrator will also submit a report to the Commission staff containing the final distribution statistics regarding distributions to individuals and entities, and such other information requested by the Commission staff.

Miscellaneous

95. When administering this Plan, the Fund Administrator, and/or each of its designees, agents, and assigns, may rely on all applicable law; orders issued by the Commission, including orders issued by delegated authority; orders issued by an administrative law judge, if any, appointed in this proceeding; and any records, including records containing investor information, provided by Commission staff.

96. Should any additional funds be received pursuant to Commission or Court order, agreement, or otherwise, prior to the Commission’s termination of the Fair Fund, such funds will

be added to the Fair Fund and distributed, if feasible, in accordance with the Plan, pursuant to the Commission's Rules.

Wind-down and Document Retention

97. The Fund Administrator will shut down the website, P.O. Box and customer service telephone line(s) established specifically for the administration of the Fair Fund six (6) months after the transfer of any remaining funds to the Commission, or at such earlier time as the Fund Administrator determines with the concurrence of the Commission staff.

98. The Fund Administrator will retain all materials submitted by Preliminary Claimants in either paper or electronic form for a period of six (6) years from the date of approval of a final fund accounting. Materials maintained in electronic form must be accessible and readable for the duration of retention. Pursuant to the Commission staff's direction, the Fund Administrator will either turn over to the Commission or destroy all materials, including documents in any media, upon expiration of this period.

Termination of the Fair Fund

99. The Fair Fund will be eligible for termination and the Fund Administrator will be eligible for discharge after all of the following have occurred (a) a final accounting, in a standard accounting format provided by the Commission staff, has been submitted by the Fund Administrator and approved by the Commission; (b) all Administrative Costs have been paid; and (c) any amount remaining in the Fair Fund has been returned to the Commission for transfer to U.S. Treasury.

100. Once the Commission has approved the final accounting, the Commission staff will seek an order from the Commission authorizing: (a) the transfer of any amounts remaining in the Fair Fund that is infeasible to return to investors, and any amounts returned to the Fair Fund in the future that are infeasible to return to investors, to the U.S. Treasury, subject to Section 21F(g)(3) of the Exchange Act; (b) discharge of the Fund Administrator; (c) cancellation of the Fund Administrator's bond; and (d) termination of the Fair Fund.

101. Once the Fair Fund has been terminated and funds, if any, are transferred to the U.S. Treasury, no further claims will be allowed, and no additional payments will be made whatsoever.

Exhibit A

PLAN OF ALLOCATION

This Plan of Allocation¹ is designed to compensate investors based on their losses on shares of Barclays American Depository Receipts (“ADRs”) traded on the New York Stock Exchange under the symbol BCS and Barclays ordinary shares traded on the London Stock Exchange under the symbol BARC (the “Securities”) purchased or acquired between June 26, 2019, and March 27, 2022, both dates inclusive (the “Relevant Period”), due to the misconduct of the Respondents.

Investors who did not purchase or acquire shares of the Securities during the Relevant Period, or who are an Excluded Party are ineligible to recover under this Plan.

Artificial inflation in the price of the Securities over various date ranges surrounding corrective disclosures and average closing prices of the Securities have been calculated by the Commission’s staff economists and are reflected below in Table A and Table B, respectively.

The Fund Administrator will calculate the amount of loss for each ADR or ordinary share purchased or acquired during the Relevant Period (“Recognized Loss per Transaction”) according to the steps that follow. The calculations below will be performed separately for transactions in each Security (Barclays ADRs or ordinary shares), in the currency of the transaction. Amounts will be converted to US Dollars (“USD”) just before the “Allocation of Funds” step. The allocation of the Net Available Fair Fund will occur in two stages: funds will first be allocated to Recognized Losses suffered by investors who purchased Barclays ADRs and then any remaining funds will be allocated to Recognized Losses incurred by investors who purchased Barclays ordinary shares.

For each ADR or ordinary share purchased or acquired on June 26, 2019, through March 27, 2022, and

- A. Sold on or after June 26, 2019, and prior to the close of trading on March 27, 2022, the Recognized Loss per Transaction is the *lesser of*:
 1. the amount of inflation on the purchase/acquisition date as set forth in the respective column of Table A below for the Security *minus* the amount of inflation on the sale date as set forth in Table A for the Security; or
 2. the purchase/acquisition price *minus* the sale price.
- B. Sold after the close of trading on March 27, 2022 and prior to the close of trading on June 24, 2022 (i.e., during the “Lookback Period”), the Recognized Loss per Transaction is the *least of*:

¹ All capitalized terms used herein but not defined shall have the same meanings ascribed to them in the Plan.

1. the amount of inflation per share on the purchase/acquisition date as set forth in the respective column of Table A for the Security; or
 2. the purchase/acquisition price *minus* the sale price; or
 3. the purchase/acquisition price *minus* the moving average closing price for the sale date for the respective Security as set forth in Table B below.
- C. Held as of the close of trading on June 24, 2022, the last day of the Lookback Period, the Recognized Loss per Transaction is the *lesser of*:
1. the amount of inflation on the purchase/acquisition date as set forth in the respective column of Table A for the Security; or
 2. the purchase/acquisition price *minus* the average closing price during the Lookback Period, as shown in the last row of Table B for the respective Security.

If the Recognized Loss per Transaction calculates to a negative number, reflecting a gain, the Recognized Loss per Transaction will be \$0.00.

All prices mentioned in the calculations exclude all taxes, fees and commissions. Purchases/acquisitions and sales shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

Additional Provisions

FIFO Methodology: Multiple purchases/acquisitions and sales of the Securities during the Relevant Period will be matched according to the first-in, first-out (“FIFO”) method. For each Security separately, the earliest sales during the Relevant Period will be matched first against any holdings at the opening of the Relevant Period. Once the beginning holdings all have been matched, or in the event that there are no beginning holdings, then any further sales will be matched against the earliest Relevant Period purchases/acquisitions, and chronologically thereafter.

Acquisitions: The receipt or grant of the Securities to the Preliminary Claimant by gift, devise, inheritance, or operation of law during the Relevant Period is not considered an eligible purchase if the original purchase did not occur during the Relevant Period. Securities acquired outside of the Relevant Period will be excluded from the calculation of the Recognized Loss.

Options and Derivatives: Barclays ADRs and ordinary shares are the only securities eligible for recovery under this Plan. Option contracts to purchase or sell the Securities are not eligible for recovery under the Plan. With respect to the Securities purchased or sold through the exercise of an option, the purchase/sale date is the option’s exercise or assignment date, and the purchase/sale price is the option’s strike price at the time of exercise or assignment. Transactions in the Securities during the Relevant Period that are pursuant to, or in connection

with, a swap or another derivative will not be eligible for a recovery and will be excluded from the Recognized Loss calculation.

Short Sales: If the sale date for an ADR or ordinary share falls before the purchase date, then the Recognized Loss per Transaction will be \$0.00. The date of covering a short sale is considered the date of purchase and the date of a short sale is considered date of sale for the transaction. The earliest Relevant Period purchases will be matched against any short position existing on the date prior to the start of the Relevant Period, and not be entitled to a recovery, until that short position is fully covered.

Recognized Loss: The Recognized Loss for a Security will be the sum of the Recognized Loss per Transaction, as calculated above, for the Securities of that type purchased or acquired during the Relevant Period. If the Recognized Loss calculates to a negative number, reflecting a gain, then the Recognized Loss will be \$0.00. The Recognized Loss for each Security is subject to the “Market Loss Limitation” provision below.

Market Loss Limitation: If a Preliminary Claimant’s actual market loss on ADRs or ordinary shares purchased/acquired during the Relevant Period is less than his, her or its Recognized Loss for that Security, then his, her or its Recognized Loss shall be limited to the actual market loss amount. If the actual market loss calculates to a gain, then the Preliminary Claimant’s Recognized Loss will be \$0.00. The actual market loss will be calculated for each Security as (a) the total purchase amount for the Securities purchased/acquired during the Relevant Period,² less the sum of (b) the sales proceeds from the Securities purchased/acquired during the Relevant Period and sold during the Relevant Period or during the Lookback Period,³ and (c) the holding value on the remaining of those Securities, which for the purposes of this calculation will be the moving average closing price as of the last day of the Lookback Period, as shown in the last row of Table B for the respective Security.⁴

Conversion: For ordinary shares, the Recognized Loss and the actual market loss will be converted to USD by multiplying by 1.31766, the GBP/USD exchange rate on the first day of the Lookback Period, and then rounding to two decimal places.

Eligible Claimant: A Preliminary Claimant who suffered a Recognized Loss as a result of transactions in the Securities during the Relevant Period, who submitted a valid Claim Form together with required supporting documentation, and who is not an Excluded Party, will be deemed an Eligible Claimant.

² Purchases during the Relevant Period to cover short positions will be included in the calculation of actual market loss if the purchase is matched to a short sale during the Relevant Period. Purchases/acquisitions that are not eligible for recovery will not be considered for purposes of calculating the actual market loss.

³ Sales of the Securities during the Relevant Period will be matched first against the opening position and the proceeds of such sales will not be considered for purposes of calculating the actual market loss. Short sales will be considered for purposes of calculating the actual market loss.

⁴ Any open short positions at the end of the Lookback Period will be ignored for purposes of calculating the actual market loss.

Allocation of Funds: The allocation of the Net Available Fair Fund will occur in two stages, by Security. First, funds will be allocated to Recognized Losses on ADRs,. Second, the remaining Net Available Fair Fund will be allocated to Recognized Losses on ordinary shares.

In the first stage, if the Net Available Fair Fund is equal to or exceeds the sum of all Eligible Claimants' Recognized Losses on ADRs each Eligible Claimant's first-stage distribution amount will equal his, her or its Recognized Loss on ADRs. If the Net Available Fair Fund is less than the sum of all Eligible Claimants' Recognized Losses on ADRs, each Eligible Claimant's first-stage distribution amount will equal his, her or its *Pro Rata* Percent for ADRs multiplied by the Net Available Fair Fund. In either case, the first-stage distribution amount will be subject to the "Offset for Prior Recovery" and "Minimum Distribution Amount."

The second stage allocation proceeds in a similar fashion for Recognized Losses on ordinary shares. If the Net Available Fair Fund remaining after the first stage is equal to or exceeds the sum of Eligible Claimants' Recognized Losses on ordinary shares,, each Eligible Claimant's second-stage distribution amount will equal his, her, or its Recognized Loss on ordinary shares. If the Net Available Fair Fund remaining after the first stage is less than the sum of Eligible Claimants' Recognized Losses on ordinary shares, each Eligible Claimant's second-stage distribution amount will equal his, her, or its *Pro Rata* Percent for ordinary shares multiplied by the remaining Net Available Fair Fund. In either case, the second-stage distribution amount will be subject to the "Offset for Prior Recovery" and "Minimum Distribution Amount."

Pro Rata Percent: A *pro rata* computation is intended to measure all Eligible Claimants' Recognized Losses against one another. An Eligible Claimant's *Pro Rata* Percent will be calculated as the ratio of his, her or its Recognized Loss to the sum of Recognized Losses of all Eligible Claimants. The *Pro Rata* Percent will be calculated separately for each Security.

Offset for Prior Recovery: To avoid payment of a windfall, an Eligible Claimant's distribution amount for each Security will be no larger than his, her or its Recognized Loss for that Security *minus* the amount of any compensation for the loss that resulted from the conduct described in the Order that was received from another source for the same Security (e.g., class action settlement), to the extent known by the Fund Administrator ("Prior Recovery"). That is, the first-stage and second-stage distribution amounts will each be capped at the Recognized Loss for that Security *minus* the Prior Recovery for the same Security.

Reasonable Interest: If the Net Available Fair Fund exceeds the amount necessary to pay all Eligible Claimants the full amount of their Recognized Losses (*minus* any Prior Recovery and after applying the Minimum Distribution Amount), the Fund Administrator, in consultation with the Commission staff, may include interest in the distribution amount to compensate Eligible Claimants for the time value of money. Reasonable Interest will be calculated using the Short-term Applicable Federal Rate plus three percent (3%), compounded quarterly from the end of the Relevant Period through the approximate date of the disbursement of the funds. If there are insufficient funds to pay Reasonable Interest in full to all Eligible Claimants, Reasonable Interest will be awarded from the excess funds on a *pro rata* basis proportional to the distribution amounts.

Minimum Distribution Amount: The Minimum Distribution Amount for each Security will be \$25.00. An Eligible Claimant whose distribution amount for a Security is less than the Minimum Distribution Amount will be deemed ineligible to recover for that Security and his, her or its distribution amount for that Security will be reallocated on a *pro rata* basis to Eligible Claimants whose distribution amounts for that Security are greater than or equal to the Minimum Distribution Amount.

Payee: An Eligible Claimant whose distribution amount for either Security equals or exceeds the Minimum Distribution Amount will be deemed a Payee and will receive a Distribution Payment equal to his, her or its calculated distribution amount, plus Reasonable Interest, if awarded. An Eligible Claimant who transacted in both Securities and whose distribution amounts for each Security meets the conditions above will receive a distribution payment that is the sum of the two distribution amounts.
