In the Matter of

MATTHEW D. SAMPLE,

Respondent.

MOTION REQUESTING ORAL ARGUMENT PURSUANT TO RULE 451

Mr. Sample, through undersigned counsel, requests oral argument pursuant to Rule 451 for the above styled appeal. No oral argument was presented before the initial decision maker. Mr. Sample contends that an opportunity to appear and be heard will assist the Commission in reaching a fair and just decision.

The subject of the appeal is very fact intensive and Mr. Sample believes that an oral presentation and opportunity to respond to any questions the Commission may generate will significantly aid the decision making process.

Respectfully Submitted,
