ADMINISTRATIVE PROCEEDING
File No. 3-15967

In the Matter of

LAWRENCE M. LABINE,

Respondent.

DIVISION OF ENFORCEMENT
MOTION FOR PROTECTIVE
ORDER PURSUANT TO RULE
322

The Division of Enforcement hereby requests that the Chief Administrative Law Judge enter a protective order barring the public disclosure of certain financial and personal documents and information which the Division intends to introduce into evidence at the public administrative proceedings in this matter. Pursuant to Rule 322, your honor is authorized to enter a protective order to limit identified materials from disclosure to the public.

The Division requests that your honor enter a protective order and include within that order Division Exhibit #129 and its contents. The exhibit labelled DV 129 is a compact disc which contains client files for each of the investors in the Domin-8 Series D Senior Secured Debenture. Each of those client files contains account forms and subscription documents and other personal documents and information, which include and contain financial and personal identifiable information that should not be publicly disclosed. Each investor would be harmed if such personal and financial information were publicly disclosed. The harm resulting from disclosure would outweigh the benefits of disclosure. Counsel for Respondent LaBine has expressed no objection to this request.

Dated: August 28, 2015

Respectfully submitted,
