**DIVISION OF ENFORCEMENT'S AMENDED MOTION TO THE  
COMMISSION TO DISMISS  
RESPONDENT ICON PUBLIC LTD. CO. AND BRIEF IN SUPPORT**

The Division of Enforcement ("Division"), by counsel, hereby moves the Commission to dismiss Respondent Icon Public Ltd. Co. ("Icon") from this administrative proceeding, which was brought pursuant to Section 12(j) of the Securities Exchange Act of 1934 ("Exchange Act") to suspend or revoke Icon's securities registration. The Division requests that its previous Motion to Dismiss be replaced by this Amended Motion, which contains new information.

As explained below in its Brief in Support of this Motion, the Division seeks this relief because Icon is current in its filings, and is therefore not subject to a suspension or revocation of its registration under Exchange Act Section 12(j).

**BRIEF IN SUPPORT**

The Commission initiated this administrative proceeding on October 22, 2014, against Icon and five other Respondents seeking to suspend or revoke their Exchange Act Section 12 securities registrations due to their delinquency in filing the required periodic reports. Icon (CIK No. 1060373) was referred to the Division as a delinquent filer by the Division of Corporation

Finance. In Edgar, Icon (CIK No. 1060373) stopped making its periodic reports in 2002. However, Icon continued to file its periodic reports under a different CIK number, CIK No. 1060955. Icon has recently provided us with evidence indicating that on February 11, 2003, it filed a written request with the Division of Corporation Finance to consolidate all of its filings under CIK No. 1060955. It is our understanding that the Division of Corporation Finance should have granted this request, and actually may have, but for unknown reasons, the consolidation was never actually made on Edgar. Thus, there is no basis to proceed against Icon under Section 12(j) because it is current in its periodic reports, and the Division submits that it is appropriate to dismiss the pending action against Icon.

**Conclusion**

For the reasons set forth above, the Division respectfully requests that the Commission order the dismissal of Respondent Icon from this proceeding.
