Dear Kathy,
i currently have a motion to vacate my case for fraudulent inducement by enforcement in the Wells that spilled over to the adjls who believed the complaints allegations as the commissioners " beieved the WELls' disingenuous,false and reprehensilbe allegations that i raped the company i founded and invested over \$3.6 million in family loans,subordinated fees and forgivness of one million for the IMC acquisition or liscencing fee!
Sinve the vacate motion is up at the commissioners' level,is the HON.Brenda Murray cogniscent of thqt as I DO NOT WANT AND OR NEED A DEFAULT JUDGEMENT.AND THERE IS NO WAY,TIME AND OR LEGAL FUNCTIONS THAT I CAN PLAY WHITHOUT A LAW FIRMS REPRESENTATION AS THE ONE[\$1] ALREADY SPENT BASED ON THE FRAUD THE AGENCY PERPETRATED AGAINST ME BY MAKING ME BELIEVE THAT ALL WAS PROPER ,WHEN IN FACT, IT WAS NOT UNTIL THE SUPREME COURT RULED,AND NOW IF NOT VACATED ILL NEED THE AGENCY TO REPLACE THE FUNDS EXPENDED TO PROTECT ME!
MY WIFE JOAN NEEDS 24/7 WELFARE AND I AM ON DUTY WITH HER 24/7.i CAN WRITE IN SPURTS;BUT I COULD NOT DEFEND MY SELF OVER ALONG PERIOD WITHOUT DROPPING THE BALL WHEN JOANS' CARE PREEMPTS AND SEC ASSIGNMENT AS IM SURE YOU UNDERSTAND
PLEASE FIND OUT FROM JUDGE MURRAY WHAT IS EXPECTED OF ME WHILE THE COMMISSION IS PONDERING THE MOTIONS I HAVE BEFORE IT.
THANKS

ps
Ivehad allmy submissions and the original 2300bates stamped JudgeGrimes exhibits lost due to joans [REDACTED].So i need my submissions of those exhibits to function

is there a web site that has them filed or can you get them ask Judge Murray for the right to send them or where i cn access them so ill have a full deck as if and when i might to reference ech document with a submission as Judge Murrays' email assignee' her to the case.so she is in charge and has the authority to replace them to me. ill pay the costs if any for the hare comply of the 2300 bates stamped exhibits,by coping enforcement im asking them to send me disk with them on it?I don't think enforcement will give me the wrong time of day as their predatory violations of my civial rights stole my time for 5 years[80% of it=4 years of theft whithout .

I enclose a copy of my declaration requesting compensatory damages for the time they took by fabricating a complaint and wells allegations while keeping the exculpatory information a secret from the commissioners as well as Judge Murray and Judge Grimes. also

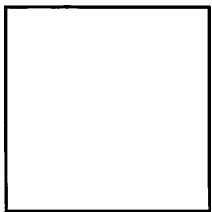

Thanks

very much.Judge Murray and judge Grimes were also defrauded along with the Commissioner and so I have apologized to each of them for the prior allegations i made with respect to some actions as they were using Enforcments' playbook of fraudulently inducing each of them to take action against me which were fraudulently induced reactions by them to the omission of material facts ,not included in the WELLS and which if included in the The Complain, as had they been included i would not be standing in front of you and them for 5 years going on 6.NOW.Had they had the slightest inkling of honor,sportsmanship they would have whithdrawn and with them the complaint would have been over instead of my motion to vacate!

respectfully
